World Epidemics Mary Ellen Snodgrass,2017-11-28 In its expanded second edition, this chronology examines the effects of epidemic illness and death on human culture from 2700 bce to 2017. Entries summarize incidents of contagion across the globe, including symptoms, treatment, prevention and demographics, as well as biographical information on notable people who identified and battled disease. Entries feature citations from personal and public documents along with maps, charts comparing types of infection, and estimated populations affected by each epidemic.

Encyclopedia of African American Actresses in Film and Television Bob McCann,2022-09-23 The first work of its kind, this encyclopedia provides 360 brief biographies of African American film and television actresses from the silent era to 2009. It includes entries on well-known and nearly forgotten actresses, running the gamut from Academy Award and NAACP Image Award winners to B-film and blaxpoitation era stars. Each entry has a complete filmography of the actress's film, TV, music video or short film credits. The work also features more than 170 photographs, some of them rare images from the Schomburg Center for Research in Black Culture.
