**The Hidden Lamp** Zenshin Florence Caplow, Reigetsu Susan Moon, 2013-10-21 The Hidden Lamp is a collection of one hundred koans and stories of Buddhist women from the time of the Buddha to the present day. This revolutionary book brings together many teaching stories that were hidden for centuries, unknown until this volume. These stories are extraordinary expressions of freedom and fearlessness, relevant for men and women of any time or place. In these pages we meet nuns, laywomen practicing with their families, famous teachers honored by emperors, and old women selling tea on the side of the road. Each story is accompanied by a reflection by a contemporary woman teacher--personal responses that help bring the old stories alive for readers today--and concluded by a final meditation for the reader, a question from the editors meant to spark further rumination and inquiry. These are the voices of the women ancestors of every contemporary

Buddhist.

**Beauty of Serendipity** Shreyas Mohandas, 2020-12-02

The book 'Beauty of Serendipity' is the journey the poet took through the dilemmas unpredicted that the universe brought about. This consists of the first hidden talent brought out by the fear of losing an individual weaved into with wordplay as sonnets written in archaic literature as well as poetry that resonates with each being. From the journey started as a love-struck Romeo isolating the self to work on his creativity to the drastic recognition of the loved ones lost and finding a reason to deal with the departure of a close friend and family to seek out on a spiritual path then having fallen into the destructiveness of self impositions.

*The modern Plague* Shashwat Dev, 2020-12-26 The world is amidst a global storm that is set to change almost every social obligation which hitherto has commanded the human response. For most this is the first time that they are experiencing a historical event of such scale. "The Modern Plague- History Shared En Masse" is an attempt to

portray the magnitude of this pandemic. Miseries have been inflicted upon everyone in varying degrees, for some it was question of life and death whereas for some it was a sort of solitary confinement for months. This book is an attempt to collage every story of this epic. From the world's largest economic lockdown to the migration of labours on foot and from the fight for an investigation to know the origin of the virus to the race for a cure, every aspect has been touched upon. It has been almost a year since the world was hit by this catastrophe, yet every study on the virus makes us realize how little we know. This book tries to bring forth the reality and to argue whether the problems that people faced were genuine and uncontrollable or a result of complacency on the part of the authorities that were vested with the responsibility to tackle adversities such as these.
