Without a Fight Annie Goodson,2018-09-06 It's summertime on Chicago's South side, and Caleb has it made. He's about to start high school, his mom got him and his sister out of government housing, and his best friend, D, has their future all planned. But when a dead dog turns up in a dumpster, the summer takes a sick turn. Rumors of dog fighting begin to swirl, a big-bellied cop starts poking around the block, and Sway, a small-time gang banger with something to prove, starts pressuring the boys to join his operation. D can always talk their way in and out of all kinds of trouble, but now trouble has teeth and fur, guns tucked into waistbands, and mean-eyed boys acting like men. Overnight, the neighborhood transforms into a forest of monsters on the prowl, and if Caleb wants to make it through the summer, he'll need to find a voice of his own.

Dealing With Bullying Cambridge Educational (Firm), 2011-06-01 Preparing students

for a standardized test is a monumental task, but equipping them for social and interpersonal conflict is every bit as challenging. This five-part series helps young viewers navigate the dilemmas surrounding bullying, peer pressure, prejudice, and unresolved anger--with an additional program focusing especially on conflict management and resolution. Emphasizing character-building as a prime ingredient in overcoming conflict, the series uses no-nonsense dramatizations, candid 'school hallway' interviews, and expert commentary to define basic ideas, illustrate ways in which conflicts often play out, and ultimately present methods for diffusing them--based on honesty, awareness, and respect for others.--Publisher's web site.
