BM King

The Discovery of Genesis C. H. Kang, Ethel R. Nelson, 1979 How the Truths of Genesis / Were Found Hidden in the Chinese Language

The Gospel Hidden in Chinese Characters Timothy D. Boyle, 2015-07-29

The Chinese Language John DeFrancis, 1986-03-01 DeFrancis's book is first rate. It entertains. It teaches. It demystifies. It counteracts popular ignorance as well as sophisticated (cocktail party) ignorance. Who could ask for anything more? There is no other book like it. ... It is one of a kind, a first, and I would not only buy it but I would recommend it to friends and colleagues, many of whom are visiting China now and are adding 'two-week-expert' ignorance to the two kinds that existed before. This is a book for everyone. --Joshua A. Fishman, research professor of social sciences, Yeshiva University, New York Professor De Francis has produced a work of great effectiveness that should appeal to a wide-ranging audience. It is at once instructive and entertaining. While being delighted by the flair of his novel approach, the reader will also be led to ponder on some of the most fundamental problems concerning the relations between written languages and spoken languages. Specifically, he will be served a variety of information on the languages of East Asia, not as dry pedantic facts, but as appealing tidbits that whet the intellectual appetite. The expert will find much to reflect on in this book, for Professor DeFrancis takes nothing for granted. --William S.Y. Wang, professor of linguistics, University of California at Berkeley

Holy Bible (NIV) Various Authors, 2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Bible Verses for Reciting & Writing (Grades 3+) Jinming Xu, 2015-12-13 Childhood is the golden time for memorizing Bible verses and for studying languages such as Chinese. In this book, each section has a few Bible verses selected, normally 2-3 verses, which are well suited for children to recite and to write. These verses are chosen with school children at grades 3 and up in mind, and shall be easy for them to understand. The book is designed to help kids to learn Chinese through reciting and writing Bible verses. Children are recommended to study its sister book Bible Verses for Reciting & Writing (Grades 1-2) before using this book. But they should have done well if they have mastered some basic Chinese. This includes 200-300 Chinese characters, which they should be able to read and write. To help kids broaden their vocabulary, words and characters are singled out in each section with pinyin annotated. The chosen characters are provided with marked spaces for writing. To help recite the verses, practice pages are designed with blank space for each Chinese character, first with the prompt of pinyin and then without. This book can be used as a complementary exercise book for kids at grades 3 and up. Or, it can be used for kids' Sunday school in Chinese churches.

Bible Verses for Reciting & Writing (Grades 1-2) Jinming Xu, 2015-11-03 Childhood is the golden time for memorizing Bible verses and for studying languages such as Chinese. In this book about 70 kid-friendly Bible verses are selected for school children to recite and to write. These verses are chosen with school children of grades 1 to 2 in mind, and shall be easy for them to understand. The book is designed to help school children to learn Chinese through reciting and writing Bible verses. For each verse, 2 to 4 Chinese characters are singled out for writing practice. To help the writing, the order of strokes is illustrated for each of these characters. The verses in the book are sorted based on the difficulty of Chinese characters with the easiest at the very beginning. Characters appear only once in the writing list. Not all Chinese characters are marked for writing. Some are for kids to read. To help kids to master writing, each Bible verse is also written in outlined font for the kids to trace the Chinese characters. After tracing, the kids are provided the opportunity to write the whole verse. This book can be used as a complementary exercise book for kids at grades 1 and/or 2. Or, it can be used for kids' Sunday school in Chinese churches.

Herald and Presbyter , 1903

The Oxford Handbook of the Bible in China K. K. Yeo, 2021 The Oxford Handbook of the Bible in China deftly examines the Bible's translation, expression, interpretation, and reception in China. Forty-eight essays address the translation of the Bible into China's languages and dialects; expression of the Bible in Chinese literary and religious contexts; Chinese biblical interpretations and methods of reading; and the reception of the Bible in the institutions and arts of China. This comprehensive and unique volume presents insightful, succinct, and provocative evidence about and interpretations of encounters between the Bible and China for centuries past, continuing into the present, and likely prospects for the future--

Protestant Bible Translation and Mandarin as the National Language of China George Kam Wah Mak, 2017-03-06 Looking into the translation, publication, circulation and use of the Mandarin Bible, this book examines the relationship between Protestant Bible translation and the development of Mandarin into the national language of China during the late Qing and Republican era.

The Land of God Yang Xiaoli M.A., God's Promise to the Chinese God created the heavens and the earth. He created everything from nothingness. God exists forever without reason. Nature, including stars, mountains, rivers, sky, clouds, flowers, trees, seasons, the universe that operates orderly...has been declaring the glory of God and proclaiming the wondrous and mighty works of God. God is spirit. Only those whose spirit is alive to Him can see and perceive God and the things of Him. Since the first man sinned and refused to repent, which caused man's spiritual death to God, man is no longer spiritual, but worldly. After that, man has been blind and deaf to God and His mighty works. For instance, man takes it for granted that the orderly operated nature came into being by itself.

China and Ashkenazic Jewry: Transcultural Encounters Kathryn Hellerstein, Lihong Song, 2022-04-04 In the past thirty years, the Sino-Jewish encounter in modern China has increasingly garnered scholarly and popular attention. This volume will be the first to focus on the transcultural exchange between Ashkenazic Jewry and China.

The essays here investigate how this exchange of texts and translations, images and ideas, has enriched both Jewish and Chinese cultures and prepared for a global, inclusive world literature. The book breaks new ground in the field, covering such new topics as the images of China in Yiddish and German Jewish letters, the intersectionality of the Jewish and Chinese literature in illuminating the implications for a truly global and inclusive world literature, the biographies of prominent figures in Chinese-Jewish connections, the Chabad engagement in contemporary China. Some of the fundamental debates in the current scholarship will also be addressed, with a special emphasis on how many Jewish refugees arrived in Shanghai and how much interaction occurred between the Jewish refugees and the resident Chinese population during the wartime and its aftermath.

The Travels of Lao Ts'an E Liu,1990 This deft translation of a classic Chinese novel tells the story of a man, now an itinerant healer, who wanders through the towns and countryside of North China in the last years of the Manchu dynasty.

Biblical Translation in Chinese and Greek Toshikazu Foley,2009-09-30 This study integrates three independent subjects—translation theory, Mandarin aspect, and Greek aspect—for the purpose of formulating a theory applicable to translating the Bible. Two passages from John 18–19 and 1 Corinthians 15 are provided as test cases.

All the Men of the Bible Herbert Lockyer,2016-11-22 All the Men of the Bible is a portrait gallery and reference library of over 3,000 named biblical characters. A monumental achievement, this book puts comprehensive information on men of the Bible at your fingertips, including a list of major characters. Besides named individuals, it also classifies the thousands upon thousands of unnamed men. And it explores the attributes of the greatest man of all: Jesus, God's biblical model for manhood. Herbert W. Lockyer's All books give you life-enriching insights into the Bible. From characters you can learn from, to teachings you can apply, to promises you can stand on and prophecies you can count on, Lockyer's time-honored works help you wrap your mind around the Bible and get it into your heart. Lockyer's books include All the Apostles of the Bible, All the Divine Names and Titles in the Bible, All the Doctrines of the Bible, All the Men of the Bible, All the Women of the Bible, All the Messianic Prophecies of the Bible, All the Miracles of the Bible, All the Parables of the Bible, All the Prayers of the Bible, and All the Promises of the Bible.
