Christmas in the Crosshairs G. Q. Bowler,Gerry Bowler,2017 Christmas, a global phenomenon adored by billions and a backbone of international trade, is the biggest single event on the planet. For Christians it is the second-most sacred date on the calendar. But whether one celebrates it or not, it engages billions of people who are caught up in its commercialism, music, sentiment, travel, and frenetic busyness. Since its controversial invention in the Roman Empire, Christmas has struggled with paganism, popular culture, fierce Christian opposition to its celebration, its abolition in Scotland and New England, and its neglect and near-death experience in the 1700s, only to be miraculously reinvented in the 1800s. The twentieth century saw it opposed by Bolsheviks, twisted by Hitler, and appropriated by every special interest group in the industrialized world. Lately it has been caught up in the cultural struggles between the left and the right in America, often misinterpreted as a war on Christmas, when the fight is really over whether religion in general will be allowed a public face. Gerry Bowler tells the fascinating story of the tug-of-war over Christmas, replete with cross-dressing priests, ranting Puritans, atheist witches, the League of the Militant Godless, aesthetic terrorists in Quebec and rap-singing Santa killers in Spain.

An Index to Articles Published in The Etude Magazine, 1883-1957, Part 1 Pamela Richardson Dennis,2011-01-01 As America's geography and societal demands expanded, the topics in The Etude magazine (first published in 1883) took on such important issues as women in music; immigration; transportation; Native American and African American composers and their music; World War I and II; public schools; new technologies (sound recordings, radio, and television); and modern music (jazz, gospel, blues, early 20th century composers) in addition to regular book reviews, teaching advice, interviews, biographies, and advertisements. Though a valued source particularly for private music teachers, with the de-emphasis on the professional elite and the decline in salon music, the magazine ceased publication in 1957. This Index to the articles in The Etude serves as a companion to E. Douglas Bomberger's 2004 publication on the music in The Etude. Published a little over fifty years after the final issue reached the public, this Index chronicles vocal and instrumental technique, composer biographies, position openings, department store orchestras, the design of a successful music studio, how to play an accordion, recital programs in music schools, and much more. The Index is a valuable tool for research, particularly in the music culture of American in the late nineteenth and early twentieth centuries. With titles of these articles available, the doors are now open for further research in the years to come. The Index is published in two parts and sold as a set for \$250.00.

A 1940s Radio Christmas Carol Walton Jones,Faye Greenberg,2010 Walton Jones, David Wohl and Faye Greenberg Musical Comedy8m, 4fThe long-awaited sequel to the popular The 1940's Radio

Hour. It's Christmas Eve, 1943, and the Feddington Players are now broadcasting from a hole-in-the-wall studio in Newark, NJ, and set to present their contemporary take on Dickens's A Christmas Carol. Whether it's the noisy plumbing, missed cues, electrical blackouts, or the over-the-top theatrics of veteran actor, but radio novice, William St. Claire, this radio show is an entertaining excursion into the mayhem and madness of a live radio show. St. Claire's escalating foibles and acting missteps propel the show to a simultaneously comedic and heart-wrenching dramatic climax: St. Claire has an on-air breakdown, and begins to connect his own life with that of the classic Dickens tale. In order to save the show, the company improvises an ending to Charles Dickens' classic as a film noir mystery, featuring a hardboiled detective, a femme fatale, and an absurd rescue of Tiny Tim (and the Lindbergh baby) from the clutches of a Hitler-esque villain named Rudolf! High School Musical lyricist Faye Greenberg and composer David Wohl have written four delightful period songs for the Feddington Players, and swing arrangements of many Christmas standards. Seamlessly combining drama and comedy, heartbreak and hope, The 1940's Radio Christmas Carol will sing its way into your heart. If you enjoyed 1940's Radio Hour, step back in time once again with the Feddington Players, and get into the holiday spirit with The 1940's Radio Christmas Carol. A reading that transforms Charles Dickens's classic into a gumshoe mystery...far above the usual holiday offerings. -Stacy Nick, Coloradoan.
