The Christmas Tree Julie Salamon,2016-10-04 The classic New York Times–bestselling tale of friendship, generosity, and the magic and wonder of the Christmas spirit On his annual search for Rockefeller Center’s next Christmas tree, the chief gardener spots an ideal candidate: a stately Norway spruce located on the grounds of a convent. There he meets Sister Anthony, a nun for whom the tree has special meaning. Orphaned and sent to the convent as a lonely young girl, Sister Anthony befriended the then-tiny spruce whom she lovingly named “Tree.” Over the following decades, as the tree grew, so did Sister Anthony’s appreciation for the beauty and wonder of nature. She is reluctant to see her oldest and closest friend chopped down and sent away to New York City. But when a fierce blizzard threatens the old tree’s existence, Sister Anthony realizes it’s time to let the world enjoy Tree as she has for nearly her whole life. Accompanied by charming illustrations and a new introduction by the author, The Christmas Tree is a heartwarming story of love and friendship, a modern holiday classic for all ages.

People I Want to Punch in the Throat Jen Mann,2014-09-09 NATIONAL BESTSELLER • A debut collection of witty, biting essays laced with a surprising warmth, from Jen Mann, the writer behind the popular blog People I Want to Punch in the Throat People I want to punch in the throat: • anyone who feels the need to bling her washer and dryer • humblebraggers • people who treat their pets like children Jen Mann doesn’t have a filter, which sometimes gets her in trouble with her neighbors, her fellow PTA moms, and that one woman who tried to sell her sex toys at a home shopping party. Known for her hilariously acerbic observations on her blog, People I Want to Punch in the Throat, Mann now brings her sharp wit to bear on suburban life, marriage, and motherhood in this laugh-out-loud collection of essays. From the politics of joining a play group, to the thrill of mothers’ night out at the gun range, to the rewards of your most meaningful relationship (the one you have with your cleaning lady), nothing is sacred or off-limits. So the next time you find yourself wearing fuzzy bunny pajamas in the school carpool line or accidentally stuck at a co-worker’s swingers party, just think, What would Jen Mann do? Or better yet, buy her book. Praise for People I Want to Punch in the Throat “People I Want to Punch in the Throat is so good that it’ll make you want to adopt all the cats in the world. I’m not sure about the correlation, but it’s that good. It should come with a warning.”—Jenny Lawson, author of Let’s Pretend This Never Happened “Jen Mann has an amazing way of telling stories that will make you cringe and burst out laughing at the same time. From swinger parties to racist toddlers, she makes the suburbs unbelievably funny.”—Karen Alpert, author of I Heart My Little A-Holes “Jen Mann says the things we’re all too afraid to say. Her honest and hilarious writing style reminds me of David Sedaris and Tina Fey.”—Robin O’Bryant, author of Ketchup Is a Vegetable: And Other Lies Moms Tell Themselves “Jen Mann’s shrewd and unrelenting assault on the absurdity of suburban life is an honest peek into the occasional nightmare that is part of living the American dream. I love Jen. I wish she was my neighbor. It’s so refreshing to know that I’m not the only one who wants to punch almost everyone in the f***ing throat.”—Nicole Knepper, author of Moms Who Drink And Swear

The Great Spruce John Duvall,2016-10-18 Together with his grandpa, a young boy finds a way to save his favorite tree in this heartwarming Christmas tale Alec loves to climb trees—the little apple trees, the wide willow trees, even the tall locust trees. But his favorite is the great spruce, with its sturdy trunk and branches that stretch up to the sky. Alec’s grandpa planted it as a sapling years and years before Alec was born, and every Christmas, Alec and his grandpa decorate the tree together, weaving tinsel and lights through its branches, making it shine bright. But one day, a few curious men from the nearby city take notice of Alec’s glistening great spruce, and ask to take it away for their Christmas celebration. Though it’s a huge honor, Alec’s heartbroken at the idea of losing his friend. With great courage and creativity, Alec comes up with a plan to save his favorite tree in this joyful holiday tale.

The Homemade Christmas Tree Mark W. Coy,2016-11-18 This true story was a Christmas tradition Dad added to our family before I had a choice. My sister and I were sent to bed early on Christmas Eve. My parents longed to create a morning full of surprise and delight which included putting the tree up after we were in bed. When I was eleven years old, I began to wonder why we didnt have our tree much sooner like all my friends. That Christmas Eve, Dad invited me to help him hunt down the perfect tree. We visited several tree lots by 10 oclock. It turned out this task was not as easy as I thought. I was surprised the lots were either closed or were still asking full price for their trees. At that point, I remembered the many treasures I had found in the YMCA dumpster. Dad finally agreed to go check it out. We were excited to find the dumpster overflowing with fresh garland from a Christmas party. I began to imagine how fun it would be to make our tree that year.

We used the fresh garland, a floor lamp and wire hangers to create the most perfect homemade Christmas tree.

Inventing the Christmas Tree Bernd Brunner, 2012-11-01 Explores the roots of the Christmas tree tradition, tracing customs from the Middle Ages to the present day to reveal how it first became part of mainstream American culture and has since become popular worldwide.

Christmas for 10 Cathryn Falwell, 2003-10-23 The cheerful, busy family that prepared the delectable meal in *Feast for 10* now gets ready for Christmas. A simple counting format frames all the festivities, from one star at the top of the Christmas tree to ten hands stringing popcorn, then counting once again from one wreath to ten folks wishing peace for all. There's a special job for everyone: Grandmother reads a story, Mom bakes and her children taste, Dad and Sister wrap baskets for the needy, and everyone, even the littlest, joins together to sing carols. Inviting, cleverly patterned cut-paper illustrations complement simple rhymes as this special family make the preparations part of their Christmas celebration.
