A Year with the Angels Mike Aquilina,2011 In his previous release, you were invited to a year long retreat with the Church Fathers; now, Mike Aquilina presents a new volume of contemplations and prayers about those most mysterious of all created beings: the Angels. Drawing again from the deep well of the Fathers' wisdom, Aquilina has compiled a year's worth of reflections on the Nine Choirs of Angels. A Year With The Angels invites you to discover the authority and strength of the Heavenly Host. Angels embody virtues, graces, and knowledge of the Truth because they stand before the very Throne of God. Among the Angels' responsibilities are governing the universe and the movements of nature, defending creation from the attacks of the devil, and acting as messengers of God to mankind. This year, learn to appreciate our unique relationship with the Angels - especially those assigned to protect us during our sojourn on earth. What better protectors and intercessors could we ask for than the first of all creatures who have beheld the face of God from their very beginning? Jesus and the Angels Peter R. Carrell,1997-07-10 This book, first published in 1997, examines the influence of angelology on the christology of the Apocalypse of John. In the Apocalypse, Jesus appears in glorious form reminiscent of angels in Jewish and Christian literature in the period between 200 BCE and 200 CE. Dr Carrell asks what significance this has for the christology of the Apocalypse. He concludes that by portraying Jesus in such a way that he has the form and function of an angel, and yet is also divine, the Apocalypse both upholds monotheism and at the same time provides a means for Jesus to be presented in visible, glorious form to his Church.

Angels and Saints Scott Hahn,2014-05-27 Angels and saints. Catholics tend to think of them as different from the rest of us. They're cast in plaster or simpering on a holy card, performing miracles with superhero strength, or playing a harp in highest heaven. Yet they are very near to us in every way. In this lively book, Scott Hahn dispels the false notions and urban legends people use to keep the saints at a safe distance. The truth is that Jesus Christ has united heaven and earth in a close communion. Drawing deeply from Scripture, Dr. Hahn shows that the hosts of heaven surround the earthly Church as a great cloud of witnesses. The martyrs cry out from heaven's altar begging for justice on the earth. The prayers of the saints and angels rise to God, in the Book of Revelation, like the sweet aroma of incense. Dr. Hahn tells the stories of several saints (and several angels too) in a way that's fresh and new. The saints are spiritual giants but with flesh-and-blood reality. They have strong, holy ambitions—and powerful temptations and opposition that must be overcome. Their stories are amazing and yet familiar enough to motivate us to live more beautiful lives. In this telling of their story, the saints are neither otherworldly nor this-worldly. They exemplify the integrated life that every Christian is called to live. Still, their lives are as different from one another as human lives can be. Dr. Hahn shows the heavenly Church in all its kaleidoscopic diversity—from Moses to Mary, Augustine to Therese, and the first century to the last century. Only saints will live in heaven. We need to be more like the saints if we want to live in heaven someday. Dr. Hahn shows us that our heavenly life can begin now. It must.

Angels Are For Real Scott W. Stuart,2014-11-13 Angels Are For Real is the true and inspiring story of an eight year old boy's encounter with Angels while enduring a rigorous two year battle with Leukemia. Gabriel William Stuart visualized, spoke with, and shared emotional moments of reassurance, strength, and comfort with Angels. His Angels were sent from Heaven according to God's purpose. They delivered a gift of peace to Gabriel, his family, and to all who were a part of his life while coping with cancer. It was Gabriel's Angels that gave his father an authentic belief in the life, the death, and the resurrection of Jesus Christ. It was also his Angels that gave Gabriel the words to a song that was written for his mother, carrying a message of understanding to what will happen Someday. Oh, someday I know we'll be together forever. Come to me and I know we won't be apart, but someday I know we'll be together forever. Oh come to me from the sky and let our spirits be in harmony. I know we won't be apart, oh come with me and see the moon and stars. Oh come with me into the sky; I know we won't be apart. Oh someday, I know we'll be together forever. - Gabriel Stuart 2004

Holy Angels Sebastian Chukwuma Anokwulu,2013-09-06 This book is a testimony of faith to reawaken in the reader the presence and ministry of the Holy Angels as ordained by God and revealed in the Holy Bible. The Holy Angels as Messengers of God are never treated in isolation from God. Whenever and wherever they are mentioned in the Scriptures, it is always to inform us further about God's love and care for man. Using wide range of Biblical citations and narratives from the OT and NT, the early Christian community, the Church Fathers, lives of some famous Saints and personal encounters, the author leads the reader to see that these Holy Messengers still minister to us today. The book strongly re-emphasizes the truths about the love and care of the Holy Angels to man as commanded by God. Where there is light, there is no darkness. Demons or evil spirits do not work where the Holy Angels minister. Whoever believes in the works of the devil should believe more in the ministry of the Holy Angels because it is in their absence that the evil one operates. The author wants the reader to realize that as life is miserable without light and light energy, so miserable is a life without the presence and ministry of the Holy Angels. God sent them to help those who are to inherit salvation (Heb. 1:14).

The Hum of Angels Scot McKnight,2018-07-17 Would You Recognize an Angel if You Saw One? The majority of earth's inhabitants believe in Angels. Yet so few of us can claim to have seen one. Why? Perhaps it's because in order to encounter one, we first have to learn what to look for and how to look! We live in a world where the natural and supernatural overlap. Angels are constantly on mission from God and constantly at work in this world. From the Garden of Eden to the Book of Revelation, Scripture is filled with hundreds of references to these wondrous creatures. In this creative work, Scot McKnight explores what the Bible says – and doesn't say – about these majestic beings. And that's deeply important because angels are still on mission today. They express God's love, confirm His presence, and even lead humans in redemptive worship. Don't just believe in angels. Learn how to recognize these messengers of God that are all around us and know how God might be using them to affect our lives. Now available in a convenient paperback edition, The Hum of Angels illuminates what the Bible says about these heavenly beings; and it helps you to understand the deepest truths about one of God's most magnificent and yet misunderstood creations. Most People Believe in Angels. It's What we Believe About them that Matters. Believing in angels is one thing. But how can we know what angels are really like – especially when our preconceived notions have been mostly shaped by sensationalized misinterpretations of these wondrous beings? To help sort things out, Scot McKnight untangles fact from fiction on topics such as: * Do loved ones become angels when they die? * Can we hear from angels? * Is there a hierarchy of angels? * Do we have a specific guardian angel? * Should we be scared of angels? * Are cherubs and seraphs different creatures than angels? * Do angels have wings? * Are angels worship leaders?

Angels of the Lord Catherine Odell, Margaret Savitskas, 2016-09-06 “For he commands his angels with regard to you, to guard you wherever you go.” – Psalm 91:11 Scripture is full of references to angels. In fact, Saint Gregory the Great, a sixth-century pope and biblical scholar, reminded the Church, “Nearly every page of Scripture testifies to the fact that there are angels and archangels. “ As Christians, we believe that angels have been given the sacred mission to assist, protect, and guide human beings and all of God’s creation. With *Angels of the Lord*, you can spend every day of the year getting to know these mighty messengers of God. From day to day, you’ll be fascinated and inspired by: Scripture passages and Church teachings on angels Stories of early martyrs who received courage and consolation from angels Readings from the Fathers and Doctors of the Church who shaped teaching about angels Anecdotes about saints who saw and spoke with angels Accounts of ordinary people who had encounters with angels Testimonies from great writers, artists, and musicians and their inspiration from angels Angels are our very real and constant companions. They are our invisible but trustworthy mentors. Let them inspire and guide you daily. Week after week, these amazing heavenly creatures will coax you closer to God, to prayer, and the sure knowledge of our Creator’s endless love.

God's Angels Rev. R. Stienstra, Dr. A. Kuyper, 2015-06-30 *God's Angels: His Ministering Spirits* is clearly the work of a mature, highly educated and experienced author. Dr. Abraham Kuyper (1837-1920) produced the book toward the end of his life, after he had given strong leadership in church matters, founded a university and also a Christian political party, and served as Prime Minister of the Netherlands. His extensive writing in the areas of theology and the Christian life-view prepared him finally to focus on the subject of angels. It was a privilege and a challenge for me to make this highly significant book available to the English speaking people. The book pursues all sorts of facets in the life of angels. From when they were created to what their task really entails. The falling into sin of a large number of angels is important for the human race. Why is there a Satan? Do people have a guardian angel? Will the angels be there when we die? Many questions are answered. This book will make the readers think and become enriched with greater Biblical and practical knowledge.

Putting Your Angels to Work Norvel Hayes, 2013-09-17 Do you know how to put your angels to work for you? Most people don't know how to put angels to work, and what you don't know can hinder you. Angels are in the ministry of helps. They minister in many different ways, but they always minister on direct orders from God. They work in line with the Holy Spirit and according to the Bible. Norvel Hayes powerfully wrote this handbook on moving into position to allow your angels to minister. Norvel reveals that in order for our angels to move quickly and decisively for us, we must be obedient to God. Angels desire to help you - let them! Angels move in response to obedience and faith - not foolishness and rebellion! You will learn: How angels minister to believers How the Word affects the ministry of angels How to follow God's will and clear the path for your angels to work How your daily speech affects angels What ties the hands of angels How to fulfill the requirements needed to keep the angels on the job For He shall give His angels charge over thee, to keep thee in all thy ways. Psalm 91:11

Devotion to the Nine Choirs of Holy Angels: And Especially to the Angel-Guardians Henri-Marie Boudon, 2020-05-08 THIS translation of what may be called the most popular of all Boudon's works, was undertaken with the desire of furthering the holy object for which it was written. One of the chief means for spreading devotion to the Holy Angels, is the distribution of well-selected books on the subject. This means, he writes, includes almost all the others, since it both gives them honour and teaches it. In the absence of any treatise on the due mode of honouring these blessed spirits, it is hoped that the present publication may be found a useful contribution to our devotional literature.

Angels and Men Ladislaus Boros, 1976 Angels are beings Christians seem for the most part to have forgotten. In this exciting set of meditations, the author traces with reverence and contemporary appeal the relevance of angels, on the basis of Jesus' mission as the unique Angel of God. The author brings out with his usual skill and lucidity the various ways in which angelic beings make the transcendent world manifest to man. His texts are accompanied by the moving illustrations of the leading Swiss artist, Max von Moos. [Back cover].
