The Church Awakening Charles R. Swindoll,2010-09-08 In THE CHURCH AWAKENING, Charles Swindoll discusses the challenges, struggles, and

priorities of the church in the twenty-first century. He reveals the problems inherent in the entertainment-based postmodern church and shows how a return to biblical teaching will restore its strength and impact. Now being replaced by a feel-good message instead of what Christians need to know to stand strong in a world that's lost its way--Swindoll exposes the problems of--and solutions for--the postmodern evangelical church. Just as he opened readers' eyes with his bold statements in *The Grace Awakening*, now he offers a straightforward volume revealing how to reestablish a life-altering church with Christ as Lord and Master. Illuminating and empowering, *THE CHURCH AWAKENING* will ignite a revolution in the way Christians do church for years to come.

The Church Calendar. [Religious Pieces in Prose and Verse.] ,1861

Christian Worship Franklin M. Segler,Randall Bradley,2006-10-01 *Christian Worship* (revised and expanded in this third edition) is the complete reference handbook on the meaning, expression, and conducting of worship, from its foundational elements to the very latest contemporary issues. Taking into account cultural and denominational differences, this broad resource clearly directs all church members in the number one priority of worshipping God. Among the subjects addressed are: Banners and Symbolism (Do they have a place in worship?); Children in Worship; Copyright Laws (Does your church comply?); Drama; and Elements of Worship (What are the specific roles of music, prayer, Scripture reading, baptism, preaching, and the Lord's Supper?).

Minutes - United Presbyterian Church in the U.S.A. United Presbyterian Church in the U.S.A. General Assembly,1928 Vol. for 1958 includes also the Minutes of the final General Assembly of the United Presbyterian

Church of North America and the minutes of the final General Assembly of the Presbyterian Church in the U.S.A.

The Church in the Workplace C. Peter

Wagner, 2006-05-20 If Christians are in the workplace, then so is the church. In *The Church In The Workplace*, C. Peter Wagner explores how the role of the church in the work life of believers is just as much a ministry, a service to God and even worship, as what believers do on Sunday in their local churches. A further indispensable step toward activating faith at work is to understand clearly how the extended church operates through the nuclear church and how bridges can be built to join the two. Wagner does just this as he looks at the biblical perspective on work, the Holy Spirit's call to the church to bring about social transformation and worldwide examples of the role the church has already played in the workplace.
