First Congregational Church (Detroit, Mich.)

Calendar Laurence Hull Stookey,2011-12-01 A probing but clearly written book, Calendar will find an appreciative audience beyond academia and clergy to the laity of the church: choirs and their directors, worship planners, adult study groups, and others who want to understand better the church's times of preparation and celebration. Calendar centers largely on theological meaning and parish practice in relation to liturgical time. Deliberately, almost no attention is given to detailed historical development, much of which is exceedingly complex in its origins and technical in its detail. An appendix entitled Forgetting What You Were Always Taught (Or, This Book in a Nutshell) aptly describes the radical reordering that Stookey believes occurs when our understanding of time and the story of Jesus takes its bearings from the Incarnation. So, just as the Christian week begins with Sunday, the day of Resurrection, Stookey follows the Christian year beginning with the season of Easter, and only then Lent; Christmas, then Advent. Illuminating discussions of Ordinary and Extraordinary Time, and the Sanctoral Cycle follow.

The Stewardship of Sacred Time Simon M Jeynes,2021-06-17 SCHEDULING in Christian schools is not just about the technicalities of slicing the day into bits of time. It is really about the way in which we think about children, their relationship to each other and the teachers who care for them, and their relationship to God, who created day and night. Reading this book will teach you about how the school should steward time so that its children can participate in, experience, and benefit from the school's mission. And time is about light and dark. These are God-given gifts that have deep spiritual significance and we should treat them with great seriousness. The first creative act of God was to say: Let there be light! This light was a contrast to the darkness that was on the face of the deep. Light thus becomes, at the beginning of time, both a physical and metaphorical manifestation of God's grace as the light of the world (John 1:4-5, 8:12, 9:5). Jesus is the light of the world and we are members of Christ's Body (1 Corinthians 6:15). Jesus declares as part of the Beatitudes that we are the light of the world (Matthew 5:14), an echo of Isaiah's prophecy that we are to be a light to the Gentiles (Isaiah 42:6): I, the Lord, have called you in righteousness; I will take hold of your hand. I will keep you and will make you to be a covenant for the people and a light for the Gentiles. Being a light to the Gentiles is, of course, soteriological, but it also calls us to an ethical life of goodness, righteousness, and truth (Ephesians 5:8-9). The job of scheduling is as holy as any other kind of task. You might have thought of it as merely technical, maybe even bureaucratic. We think of scheduling as a foundation block of excellent education. Together with your budget, the schedule is the outward sign of your mission in practice. This book explores how to do that very well.

Connecting the Church Calendar Carolyn A. Roth,2018-02-15 In the liturgical year, we live life with Jesus day-after-day until finally one day, Jesus' life becomes our own. When we integrate the church calendar into our lives, we become the message of Jesus. Our lives become the seasons of the church year. We are members of the cast in the greatest drama of all time - the life of Christ and his church. Like me, when you learned that there was a church calendar and church seasons, you may have said, that's nice followed by, why should I bother to learn this material? I'm busy with school, job, child rearing. Nonetheless, if you decide to investigate the church calendar, likely your next question was: Where can I get a book that is a 'quick read?' Some of you may have added, I need an electronic copy. This book is your answer, and, yes, it does come in electronic format.
