Walking Seattle Clark Humphrey,2011-08-09 The Queen City of the Pacific Northwest was once known principally for the spectacular forests, mountains, and waters surrounding it. But now,

what's in Seattle is as famous as what's outside it. This is a vibrant young city full of attractions. It's a center for several hi-tech industries and a crossroads of global cultures. Seattle is also one of the most walkable cities in the country. It's full of cozy bungalows, stately mansions, postmodern palaces, and outdoor art all over. It has wide boulevards, narrow cobblestone lanes, and carless pedestrian pathways. Walking Seattle reveals 35 specially designed urban treks that are not only good exercise but are a great way to soak up the city's history, culture, parks, and vibe. Commentary includes trivia about architecture, local culture, and neighborhood history, plus tips on where to dine, have a drink, or shop. Each tour includes a neighborhood map and vital public transportation and parking information. Route summaries make each walk easy to follow, and a Points of Interest section lists each walk's highlights. Local insider Clark Humphrey leads you from Greenwood to Rainier Beach, from Green Lake to Fauntleroy, and many places in between. Walking Seattle. Get it, and get moving.

Chapters cover graphical displays; linear algebra; univariate, bivariate and multivariate normal distributions; factor methods; linear regression; discrimination and classification; clustering; time series models; and additional methods. He uses practical examples from diverse disciplines, to welcome readers from a variety of academic specialties. Each chapter includes exercises, real data sets, and R implementations. Hi-de-ho Alyn Shipton,2010-10-11 Clad in white tie and tails, dancing and scatting his way through the Hi-de-ho chorus of Minnie the Moocher,

Cab Calloway exuded a sly charm and sophistication that endeared him to legions of fans. In *Hi-de-ho*, author Alyn Shipton offers the first full-length biography of Cab Calloway, whose vocal theatrics and flamboyant stage presence made him one of the highest-earning African American bandleaders. Shipton sheds new light on Calloway's life and career, explaining how he traversed racial and social boundaries to become one of the country's most beloved entertainers. Drawing on first-hand accounts from Calloway's family, friends, and fellow musicians, the book traces the roots of this music icon, from his childhood in Rochester, New York, to his life of hustling on the streets of Baltimore. Shipton highlights how Calloway's desire to earn money to support his infant daughter prompted his first break into show business, when he joined his sister Blanche in a traveling revue. Beginning in obscure Baltimore nightclubs and culminating in his replacement of Duke Ellington at New York's famed Cotton Club, Calloway honed his gifts of scat singing and call-and-response routines. His career as a bandleader was matched by his genius as a talent-spotter, evidenced by his hiring of such jazz luminaries as Ben Webster, Dizzy Gillespie, and Jonah Jones. As the swing era waned, Calloway reinvented himself as a musical theatre star, appearing as Sportin' Life in *Porgy and Bess* in the early 1950s; in later years, Calloway cemented his status as a living legend through cameos on *Sesame Street* and his show-stopping appearance in the wildly popular *The Blues Brothers* movie, bringing his trademark hi-de-ho refrain to a new generation of audiences.

More than any other source, Hi-de-ho stands as an entertaining, not-to-be-missed portrait of Cab Calloway--one that expertly frames his enduring significance as a pioneering artist and entertainer.
