Medieval Military Technology Kelly Robert DeVries,Kelly DeVries,Robert Douglas Smith,2012-01-01 This thorough update of a classic book includes fully revised content, new sections on the use of horses, handguns, incendiary weapons, and siege engines, and new illustrations.

Medieval Military Technology, Second Edition Kelly Robert DeVries,Robert Douglas Smith,2012-05-01 First published in 1992, Medieval Military Technology has become the definitive book in its field, garnering much praise and a large readership. This thorough update of a classic book, regarded as both an excellent overview and an important piece of scholarship, includes fully revised content, new sections on the use of horses, handguns, incendiary weapons, and siege engines, and eighteen new illustrations. The four key organizing sections of the book still remain: arms and armor, artillery, fortifications, and warships. Throughout, the authors connect these technologies to broader themes and developments in medieval society as well as to current scholarly and curatorial controversies.

The Royal Palace, Abbey and Town of Westminster on Thorney Island Christopher Thomas,Robert Cowie,Jane Sidell,2006 Talks about the archaeological work undertaken for the Jubilee Line Extension Project in the 1990s in and around the Palace of Westminster. This book starts with the origins of the settlement on Thorney Island and discusses the evidence from the later prehistoric, Roman and Saxon periods before describing the development of the palace.

Jane Austen, Young Author Juliet McMaster,2017-05-15 In her lively and accessibly written book, Juliet McMaster examines Jane Austen's acute and frequently uproarious juvenile works as important in their own right and for the ways they look forward to her novels. Exploring the early works both collectively and individually, McMaster shows how young Austen's fictional world, peopled by guzzlers and unashamed self-seekers, operates by an ethic of energy rather than the sympathy that dominates the novels. A fully self-conscious artist, young Jane experimented freely with literary modes - the epistolary, the omniscient, the drama. Early on, she developed brilliantly pointed dialogue to match her characters. Literary parody impels her creativity, and McMaster's sustained study of Love and Friendship shows the same intricate relation of the parody to the work it parodies that we later see with Northanger Abbey and the Gothic novel. As an illustrator herself, McMaster is especially attuned to the explicit and sometimes hilarious descriptions of bodies that preceded Austen's famous reticence about physicality. Rather than focusing on the immaturities of the juvenilia, McMaster maps the gradual shifts in tone and emphasis that signpost Austen's journey as a writer. She shows, for instance, how the shameless husband-hunting in The Three Sisters and the vigorous partisanship of The History of England lead on to Pride and Prejudice. Her book will appeal to Austen's critics and to passionate general readers, as well as to scholars working in the fields of juvenilia, children's literature, and childhood studies.

Sir Alfred Munnings: The finish Sir Alfred James Munnings,1952

Toronto Architecture Patricia McHugh,Alex Bozicovic,2017-06-27 Toronto has been hailed as "a city in the making" and "the city that works." It's an ongoing project: in recent years Canada's largest city has experienced transformative, exciting change. But just what does contemporary Toronto look

like? This authoritative architectural guide, newly updated and expanded, leads readers on 26 walking tours—revealing the evolution of the place from a quiet Georgian town to a dynamic global city. More than 1,000 designs are featured: from modest Victorian houses to shimmering downtown towers and cultural landmarks. Over 300 photographs, 29 maps, a description of architectural styles, a glossary of architectural terms, and indexes of architects and buildings pilot readers through Toronto's diverse cityscape. New sections illustrate the swiftly changing face of Toronto's waterfront and design highlights across the region. Originally written by architectural journalist Patricia McHugh and enhanced with new material and insights by Globe and Mail architecture critic Alex Bozovic, this definitive guide offers a revealing exploration of Toronto's past and future, for the city's visitors and locals alike.

Kings of the Hunting-Field - Memoirs and Anecdotes of Distinguished Masters of Hounds and other Celebrities of the Chase with Histories of Famous Packs, and Hunting Traditions of Great Houses Thormanby,2017-09-21 This is a fascinating work, originally published in 1899 contains a collection of biographies and brilliantly entertaining anecdotes from the cream of the hunting elite in the United Kingdom during the Victorian period. Chapters include: The Fathers of Foxhunting, John Peel, Lord Forester, 'Nimrod' (Charles James Apperley), The Dukes of Rutland, George Lane Fox and The Masters of the Devon and Somerset, just to name a few. This fine work is still of great value and would be a wonderful addition to the historian of foxhunting. This work is being republished with a brand new introductory essay on Fox hunting.
