Model Rules of Professional Conduct American Bar Association. House of Delegates, Center for Professional Responsibility (American Bar Association), 2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

The Marriage Pact Michelle Richmond,2018-04-10 How far is too far when it comes to protecting your marriage? Find out in this relentlessly paced novel of psychological suspense for anyone who loved *The Couple Next Door*. “Ranks with *The Stepford Wives* and *Gone Girl* as a terrifying look at what it really means to say ‘I do.’”—Joseph Finder, *New York Times* bestselling author of *The Switch* Newlyweds Alice and Jake are a picture-perfect couple. Alice, once a singer in a well-known rock band, is now a successful lawyer. Jake is a partner in an up-and-coming psychology practice. Their life together holds endless possibilities. After receiving an enticing wedding gift from one of Alice’s prominent clients, they decide to join an exclusive and mysterious group known only as *The Pact*. The goal of *The Pact* seems simple: to keep marriages happy and intact. And most of its rules make sense. Always answer the phone when your spouse calls. Exchange thoughtful gifts monthly. Plan a trip together once per quarter. . . . Never mention *The Pact* to anyone. Alice and Jake are initially seduced by the glamorous parties, the sense of community, their widening social circle of like-minded couples. And then one of them breaks the rules. The young lovers are about to discover that for adherents to *The Pact*, membership, like marriage, is for life. And *The Pact* will go to any lengths to enforce that rule. For Jake

and Alice, the marriage of their dreams is about to become their worst nightmare. Praise for *The Marriage Pact* “This fast-paced nail-biter goes in unpredictable directions. . . . It also raises thoughtful questions about individual agency and marital commitment. With strong writing, intriguing characters, and a compelling conceit, this psychological thriller seems destined for the top of summer reading lists. Recommended as a fresh voice for readers of Gillian Flynn or Ruth Ware.”—Library Journal (starred review) “Creepy and engrossing . . . [The Marriage Pact takes] readers deep into the heart of a marriage and exposes some of the darker drives, such as possession and control, that can lurk within even the most harmonious of unions.”—Booklist “Gripping, thought-provoking, and irresistible.”—Dean Koontz “Riveting psychological suspense! This book will keep you up all night, while making you second-guess everything you know and everyone you’ve ever loved.”—Lisa Gardner, #1 New York Times bestselling author of *Right Behind You*

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people

avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “*Ask a Manager* is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*
