**How to Change Your Mind** Michael Pollan,2019-05-14 Now on Netflix as a 4-part documentary series! “Pollan keeps you turning the pages . . . cleareyed and assured.” —New York Times A #1 New York Times Bestseller, New York Times Book Review 10 Best Books of 2018, and New York Times Notable Book A brilliant and brave investigation into the medical and scientific revolution taking place around psychedelic drugs--and the spellbinding story of his own life-changing psychedelic experiences When Michael Pollan set out to research how LSD and psilocybin (the active ingredient in magic mushrooms) are being used to provide relief to people suffering from difficult-to-treat conditions such as depression, addiction and anxiety, he did not intend to write what is undoubtedly his most personal book. But upon discovering how these remarkable substances are improving the lives not only of the mentally ill but also of healthy people coming to grips with the challenges of everyday life, he decided to explore the landscape of the mind in the first person as well as the third. Thus began a singular adventure into various altered states of consciousness, along with a dive deep into both the latest brain science and the thriving underground community of psychedelic therapists. Pollan sifts the historical record to separate the truth about these mysterious drugs from the myths that have surrounded them since the 1960s, when a handful of psychedelic evangelists inadvertently catalyzed a powerful backlash against what was then a promising field of research. A unique and elegant blend of science, memoir, travel writing, history, and medicine, How to Change Your Mind is a triumph of participatory journalism. By turns dazzling and edifying, it is the gripping account of a journey to an exciting and unexpected new frontier in our understanding of the mind, the self, and our place in the world. The true subject of Pollan's mental travelogue is not just psychedelic drugs but also the eternal puzzle of human consciousness and how, in a world that offers us both suffering and joy, we can do our best to be fully present and find meaning in our lives.

**Twelve Years a Slave** Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Pizzolo actually is. - Steve Niles (30 Days Of Night) What if The Smoking Man from X-Files was a real person, and his daughter found out what he did for a living? The daughter of an assassinated globalist kingpin breaks out of an internment camp and leads her fellow escaped prisoners in a battle against an elitist conspiracy of shadow governments, megabanks, and military juntas in this edgy and subversive thriller that channels Fight Club by way of Girl With The Dragon Tattoo. A graphic novel that fearlessly assaults politics-as-usual, Young Terrorists continues the legacy of DMZ and The Invisibles as it manically rips the scab off life under the new world order and revels in the pus underneath.

**Ace REX.** GOOCH,2015-04-08 Sweeping low and fast, U.S. Army pilot Ace Cozzalio flies his OH-6 helicopter as he follows a long canal across the Mekong Delta of South Vietnam. He is searching for his adversaries- the elusive Vietcong. Suddenly, he sees an enemy soldier dive into the water, seeking refuge from the heavily armed helicopter. A maverick by nature, Ace decides to do the unexpected- get out of his aircraft and take a prisoner. Swinging around, he lands next to the canal. After donning his white Stetson cavalry hat, he grabs his trusty cavalry saber and steps into the canal. After several minutes of poking the steely blade into the murky water, he finds the man and takes him prisoner- captured with a cavalry saber! This is only one of many stories of Ace's extraordinary deeds. In Cozzalio's eighteen-month overseas tour, he was shot down by enemy gunfire six times and received every medal of valor with the exception of the Medal of Honor- some multiple times.
