TechGnosis Erik Davis, 2015-03-17 *TechGnosis* is a cult classic of media studies that straddles the line between academic discourse and popular culture; it appeals to both those secular and spiritual, to fans of cyberpunk and hacker literature and culture as much as new-thought adherents

and spiritual seekers How does our fascination with technology intersect with the religious imagination? In *TechGnosis*—a cult classic now updated and reissued with a new afterword—Erik Davis argues that while the realms of the digital and the spiritual may seem worlds apart, esoteric and religious impulses have in fact always permeated (and sometimes inspired) technological communication. Davis uncovers startling connections between such seemingly disparate topics as electricity and alchemy; online roleplaying games and religious and occult practices; virtual reality and gnostic mythology; programming languages and Kabbalah. The final chapters address the apocalyptic dreams that haunt technology, providing vital historical context as well as new ways to think about a future defined by the mutant intermingling of mind and machine, nightmare and fantasy.

Scream at the Sky Carlton Stowers, 2004-08-16 Carlton Stowers, the two-time Edgar Award winner and New York Times bestselling master of true crime, is back. *Scream at the Sky* is his masterful chronicle of one man's murderous career, and another man's sworn promise to deliver justice and closure to the people of Texas. Wichita Falls, Texas, was home to a hundred thousand people in the last months of 1984. That winter was harsh, as the normally arid Texas plains gave way to ominous dark clouds that delivered freezing sleet and rain. But a much darker force was looming, and soon the quiet town was besieged by a faceless evil--and its young women were dying because of it. In the next seventeen months five women were found brutally beaten and murdered, their young lives cut short and their bodies left haphazardly where they fell. In the years that followed, grieving families fruitlessly sought answers. A haunted district attorney chased every lead only to meet one dead end after another. And the killer's identity

remained unknown to the ravaged townspeople. Then, fourteen years after the killing started, an investigator who had been assigned the cold case brought to it a renewed dedication, and came upon a chance discovery. Searching through the yellowed case files, he caught a minor detail that suggested one more suspect. Faryion Wardrip was an unhappily married family man who drowned his anger in substance abuse and violent fantasies. But for five unfortunate families, the drugs sometimes took over and the fantasies became realities. Investigator John Little followed his instincts and tirelessly ruled out every possibility until he was left with but one conclusion: Faryion Wardrip was the serial killer who had eluded his office for so long. How he tracked down Wardrip and used the legal system to beat the killer at his own game of deception is a remarkable story of justice served.

Church/School/Community Lia McIntosh, 2021-08-17
YOUR CHURCH, MINISTRY, OR ORGANIZATION CAN BECOME A FORCE FOR POSITIVE CHANGE. LEARN HOW AND START NOW! Pastors, other leaders, and people in every community yearn to bring change. To influence people and systems for good. To work for morally rooted social change. What is the best way to do this work? Together. Collaborative efforts between churches, schools, and other organizations are critically important for our future. Lia McIntosh makes the case for this claim and instructs leaders who are ready to start, as she lays out a principle-based framework built on the seven virtues (or principles) of Kwanzaa. Each chapter includes a summary of key points, plus a list of questions and suggestions for discussion, further inquiry, or action. The book closes with a full list of practical suggestions and instructions for putting the principles into action immediately. It is designed for leaders and teams to read and work through together, resulting in

plans and action. The book is also filled with stories revealing the depth of need and the extraordinary results of positive change. It is inspiring, motivating, and instructive. Church/School/Community promises to help us move forward: - A historical review of the intersections of Faith and education, reminding us how the church has always been on the forefront of education. - An explanation of the Opportunity we have to change a student's life, especially before the 3rd grade. - A challenge to Rethink the church's role in education, moving from mercy to justice to advocacy. - Exploring the question, What can we do? And learning the practices that are essential for this work. - A challenge for faith communities to practice Advocacy, placing students at the center, and reviving the church. - A warning for us to Resist the urge to turn inward, reminding us that life is found by giving ourselves away. - Renewing our commitment as Americans to Democracy. Modeling it for students so they understand the power of their voices, their capacity to develop skills, and their responsibility to shape the future. Actionable and transformational. This book is a valuable tool for people and organizations who want to create an "ubuntu" way of looking at the world. Through healthy community, school and church partnerships, McIntosh offers a practical guide for leaders to discern the community's assets and needs and bring good into the world. A must-have resource. --Kim Jenne, director of connectional ministries, Missouri Annual Conference of The United Methodist Church We are at our best when we partner with others for the sake of self, neighbor and community. We should have no expectation of meaningful change or transformation apart from profound partnering. McIntosh rehearses and re-envision the power of church, school and community linking arms, where each helps the other become a better version of itself, and where the

whole is more than the sum of the parts. --Gregory V. Palmer, bishop of the West Ohio Conference of The United Methodist Church This is a book worth reading! The Missouri Annual Conference has emphasized church/school partnerships and this book is a helpful, practical guide to our work. It paints a picture of fruitful and vital ministry. -- Bob Farr, bishop of the Missouri Conference of The United Methodist Church Lia McIntosh shows up as a coach, encourager and cultural connector in every moment of her life, including this book. Churches are looking to create significant partnerships with their local communities, and schools are frequent partners. This book provides a framework for thinking through these connections, plus action steps to take. I'll be recommending this wonderful piece to every church leader I know! --Derrek Belase, director of connectional ministry, Oklahoma Conference of the United Methodist Church Concepts and words are often misleading specially in a period when individualism is on the rise, and an abiding sense of togetherness is slipping away from the human family, Rev. Lia McIntosh calls 21st century readers to rethink about the centrality of community and formation of human connections through church, Academic circles and Ecclesial movements. This is a timely and much needed people - oriented piece of literature whose horizon is three -fold, faith - as - a portal for community formation, learning and instruction as an opportunity for community formation, and national and Global engagements as localities of community formation. This book is both a gift and legacy giving to all whose eyes will read the pages of this well - thought out work. --Israel Kamudzandu, associate professor and Lindsey Pherigo Chair, Saint Paul School of Theology, Leawood, KS Church/School/Community is a timely and much-needed resource. It is a must read for those who are committed to

being World Changers in this heightened state of racial injustice, political division, and denominational uncertainty. McIntosh creatively utilizes the Kwanzaa principles as a plan and blueprint to strengthen churches and transform communities. As the National Director of SBC21 I highly recommend reading this critical book that can forge vital partnerships between church, school and community. -- Michael L. Bowie, Jr., national executive director, Strengthening the Black Church for the 21st Century, The United Methodist Church

A River Enchanted Rebecca Ross,2022-02-15
“Exquisitely written with compelling characters and romance . . . I was swept away by the enchanting and magical world Rebecca Ross crafted, and loved every moment of it.” — Sue Lynn Tan, bestselling author of *Daughter of the Moon Goddess* Enter the isle of Cadence in this novel from the #1 New York Times bestselling author of *Divine Rivals*—a Scottish-inspired fantasy brimming with enemies-to-lovers romance, magic and spirits, and a captivating mystery It starts with a letter and an ominous journey across dark waters. Ten years after being sent away to the mainland to become a bard, Jack Tamerlaine is summoned home to Cadence. Girls are going missing from the island, and Adaira, his childhood nemesis and the future

leader of the clan, believes Jack is the only one who can find them. The elemental spirits that dwell in every breath of air, splash of water, blade of grass, and flicker of fire find mirth in the lives of the humans, and a bard's music is the only way to summon them and ask that the girls be returned. Yet as Jack and Adaira get closer to solving the mystery, it becomes apparent that an older, darker secret about Cadence lurks beneath the surface, and no harp song may be strong enough to stop it. With unforgettable characters, a thrilling plot, and a lush folklore-infused world, *A River Enchanted* is a stirring story of duty, love, and creating harmony between opposing forces. This first book in the *Elements of Cadence* duology marks Rebecca Ross's brilliant entry on the adult fantasy stage.
