**So You Want to Be a Hero?** Mangala McNamara,2024-03-31 Prince Thony's adventure to find a princess-bride is derailed when he and his friend, Amanita, get stuck in a small town that is on the verge of being overwhelmed by an Evil Wizard and his army. \*\*\*\*\* BackBlurb: Thony's adventure is not going at all the way he had anticipated. First off, he's become a unicorn-maiden and is stuck wearing a dress, of all things. Second of all, he's stuck in a war-zone where an Evil Wizard is assembling an army. And finally, the fairy prince Puck, who had agreed to see Thony and Amanita safely to her faraway homeland has disappeared. To make matters worse, it appears that the Evil Wizard is coming to the dusty little town he and Amanita are sheltering in. It's beginning to look like the only option that the two of them have is to deal with the situation themselves. But surely just a couple of kids – even accomplished pranksters like Thony and Amanita – can't possibly accomplish much against an Evil Wizard and his army... ..no, that might take three kids. \*\*\*\*\* Teaser: Neither of them noticed the package of trouble hurtling towards them until Amanita was extracting herself from under a jumble of girl, longbow, and brilliantly colored arrows that seemed to have spilled everywhere. "Ooops," said the new girl without a great deal of regret. She looked up at them with a certain wide-eyed innocence that Thony couldn't help but feel was a bit of a put-on.. Her leather jerkin was criss-crossed by a shoulder sheathe for a rather long sword, considering her size, that she was trying to untangle from her longbow and quiver. "Don't you believe in looking where you're going?" Amanita demanded irritably. "Usually," the girl replied. "Sometimes. Um... occasionally?" The greasy-seeming horse-dealer from earlier in the morning was also bearing down on them, his face furious. Amanita's gaze narrowed as she looked between the new girl and the new arrivals. "What's the matter here?" she demanded. "That girl just released all me stock," the greasy guy snarled. "She's goin' t'pay for this trouble!" Amanita looked over her shoulder. "Did you really do that?" The girl shuffled her feet and looked down – to hide a self-satisfied smirk, Thony rather thought. "Eh... heh-heh-heh-heh-heh," she chuckled uncomfortably, but didn't deny it.

**The Secret Life Of Freddie Mills - National Hero, Boxing Champion, SERIAL KILLER** Michael Litchfield,2017-09-07 Seven young women, all murdered in the most disgusting manner imaginable. Unimaginable, in fact: a first of its kind, and never before explicitly revealed. All the victims were prostitutes. All were dumped naked after having been stored by their killer as sex toys. Some of them were mothers. Each was someone's daughter. And for more than fifty years the author has lived with the haunting secret that he was once suspected by Scotland Yard of being a serial killer more depraved and dangerous than Jack the Ripper. In the killing-spree that lasted more than a year, the author had a mole deep inside Scotland Yard's Murder Squad, similar to 'Deep Throat' from the Watergate scandal, who was drip-feeding him the step-by-step ploys to snare the monster who brought terror to the streets of West London. Hundreds of policewomen, posing as prostitutes, flooded the red-light districts, hoping to be selected by the killer – more hopeful, though, that the back-up would swoop to the rescue in time. At one point, Scotland Yard feared that a prostitute, missing for more than a fortnight, had become the eighth victim and appealed to the public for help. It took the author just eleven hours to track her down and hand her alive and well to the Murder Squad. When the killings stopped, the most senior member of the Murder Squad claimed that the serial killer had

committed suicide and an innocent man was named in a deceitful cover-up. The author fingers the real serial killer, a celebrity and national treasure who died in circumstances arguably even more bizarre than the manner in which he murdered his victims.
