McCann,1989-06-06 This guide explains not only how to invest in Fidelity funds but also the methods used today for managing Fidelity fund investments. It shows you how to decide which ones to buy and sell, and when. The safety inherent in each fund's diversification offers the advantages of trading individual securities without any of the disadvantages; switching assets between funds is quick and easy, and the trading costs are essentially zero. The Guide clears up some popular misconceptions about investing with Fidelity and offers sound advice on how to avoid common pitfalls. Using the techniques described here, one should be able to beat the market by an average of 10-15 percentage points per year, without assuming more than market-level risk.

The Drowner Robert Drewe,2001-09-03 In the warm alkaline waters of the public bath a headstrong young engineer accidentally collides with a beautiful actress. From this innocent collision of flesh begins a passion that takes them from the Wiltshire Downs to the most elemental choices of life and death in the Australian desert. Their intense romance is but part of the daring story that unfolds. Falling for Hamlet Michelle Ray,2011-07-05 Passion, romance, drama, humor, and tragedy intertwine in this compulsively readable Hamlet retelling, from the perspective of a strong-willed, modern-day Ophelia. Meet Ophelia, high school senior, daughter of the Danish king's most trusted adviser, and longtime girlfriend of Prince Hamlet of Denmark. She lives a glamorous life and has a royal social circle, and her beautiful face is splashed across

magazines and television screens. But it comes with a price--her life is ruled not only by Hamlet's fame and his overbearing royal family but also by the paparazzi who hound them wherever they go. After the sudden and suspicious death of his father, the king, the devastatingly handsome Hamlet spirals dangerously toward madness, and Ophelia finds herself torn, with no one to turn to. All Ophelia wants is to live a normal life. But when you date a prince, you have to play your part. Ophelia rides out this crazy roller coaster life, and lives to tell her story in live television interviews.
