Archer's Voice Mia Sheridan,2016-11-01 From New York Times bestselling author Mia Sheridan comes an emotional, slow burn romance about a woman desperate to hide and the man who sees through her walls, perfect for fans of Colleen Hoover and Lucy Score. I wanted to lose myself in the small town of Pelion, Maine. To forget everything I had left behind. The sound of rain. The blood. The coldness of a gun against my skin. For six months, each breath has been a reminder that I survived--and my dad didn't. I'm almost safe again. But the moment I meet Archer Hale, my entire world tilts on its axis . . . and never rights itself again. Until I trespass into his strange, silent, and isolated world, Archer communicates with no one. Yet in his whiskey-colored eyes, something intangible happens between us. There's so much more to him than just his beauty, his presence, or the ways his hands communicate with me. On me. But this town is mired in secrets and betrayals, and Archer is the explosive center of it all. So much passion. And so much hurt. But it's only in Archer's silence that we might just find what we need to heal . . . and live. Includes an exclusive extended epilogue from Archer's POV! A Goodread's Top Romance Novel of All Time A New York Times, USA Today, and Wall Street Journal bestseller

BOW DOWN.” —WEDNESDAY MARTIN, #1 New York Times Bestselling Author of *Primates of Park Avenue* and *Untrue* **EDGE PLAY** by Jane Boon National Leather Association's Pauline Reage Novel Award, Finalist **CORRECTION:** Amy Lefevre’s second language is risk. Smart, sexy, and full of surprises. It's also full of stingingly authentic details of Wall Street and the BDSM culture simmering just below it. It's a New York where everyone wants to come out on top, and power is a skill that can be learned.” —JO WELDON, Author of *Fierce: The History of Leopard Print* and *The Burlesque Handbook*

**Racism and Human Development** Luciana Dutra-Thomé,Dóris Firmino Rabelo,Dandara Ramos,Emanuelle Freitas Góes,2021-11-19 This book addresses the lifelong effects of racism, covering its social, psychological, family, community and health impacts. The studies brought together in this contributed volume discuss experiences of discrimination, prejudice and exclusion experienced by children, young people, adults, older adults and their families; the processes of socialization, emotional regulation and construction of ethnic-racial identities; and stress-producing events associated with racism. This volume intends to contribute to a growing international effort to develop an antiracist agenda in developmental psychology by showcasing studies developed mainly in Brazil, the country with the largest black population in the world outside of Africa. Racism as an ideology that structures social relations and attributes superiority to one race over the others have developed in different ways in different countries. As a response to the 2020 social and health crisis, some North American developmental psychologists have started promoting

initiatives to openly challenge racism. This book intends to contribute to this movement by bringing together studies conducted mainly in Brazil, but also in Germany and Norway, that adopt a racially informed approach to different topics in developmental psychology. Racism and Human Development intends to be an inspiration to students, scholars and practitioners who are seeking tools and examples of studies of race and racism from a developmental perspective. The establishment of an antiracist agenda in developmental psychology will never be possible without a commitment to the study of race as an indispensable social marker of human ontogeny in any society. This book is another step towards racial equity and towards a developmental science that leaves no one behind.
