The New Plant Parent Darryl Cheng,2019-03-19 The creator of Instagram's House Plant Journal mixes love with scientific logic in this beautifully photographed guide for indoor gardeners. For indoor gardeners everywhere, Darryl Cheng offers a new way to grow healthy house plants. He teaches the art of understanding a plant's needs and giving it a home with the right balance of light, water, and nutrients. With this book, indoor gardeners can be less a passive follower of rules for the care of each species and much more the confident, active grower, relying on observation and insight. And in the process, the plant owner becomes a plant lover, bonded to these beautiful living things by a simple love and appreciation of nature. The New Plant Parent covers all of the basics of growing house plants, from finding the right light, to everyday care like watering and fertilizing, to containers, to recommended species. Cheng's friendly tone, personal stories, and accessible photographs fill his book with the same generous spirit that has made @houseplantjournal, his Instagram account, a popular source of advice and inspiration for over half a million indoor gardeners.

Light Is the New Black Rebecca Campbell,2015-07-06 An encouraging guidebook to awaken to your potential, connect with the callings of your soul, and light up the world with your presence. This international bestselling book has helped hundreds of thousands of people all over the world to create a life that is in deep alignment with their soul. Light Is The New Black is an inspiring book with a message that is so needed right now. Rebecca courageously guides us to turn our lights on and follow the daily calls of our soul so we can all light up the world with our authentic spirit." – Sonia Choquette, bestselling author of The Answer is Simple ANSWER THE CALL OF YOUR SOUL AND WORK YOUR LIGHT Your inner light is your soul and it is guiding you every moment of every day. Light Is the New Black is for those who agreed to be here at this time in history to answer the call of their soul and work their light. Rebecca Campbell had her first awakening when she was a teenager, but without anyone to guide her, she ignored her soul's callings and dimmed her light in order to fit in. Then, just before her 30th birthday, the life she had so consciously created began to crumble around her. It was as if the Universe had turned off all the lights, so she had no choice but to rediscover her own. In this inspirational book, Rebecca shares her own healing journey, alongside practical tools to help you reconnect with the core of your being, and channelled messages from the Universe. Once you rediscover what you already know at soul level, you can create a life that is in divine alignment, discover your soul gifts, and offer the world something that only you can give. "When I first woke up to the callings of my soul, I lacked the courage, confidence, inner support, and practical tools not just to hear the callings of my soul, but to let them truly lead my life. There were pieces missing, a journey needed to be taken. I called upon the Universe and spiritual teachers to support me. This book is the result of that journey. You can read it in one sitting, one chapter a day, or pick a page at random for an instant hit of guidance. Throughout you will find 'Work Your Light' exercises, mantras, and affirmations. I created these with the intention of guiding you not only to hear the callings of your soul, but to act on them too... I pray that you discover the authentic gift to the world that you already are and choose to serve the world by being You. Follow what lights you up and you will light up the world. So much love, Rebecca x

Subpar Parks Amber Share,2021-07-13 **A New York Times Bestseller!** Based on the wildly popular Instagram account, Subpar Parks features both the greatest hits and brand-new content, all celebrating the incredible beauty and variety of America's national parks juxtaposed with the clueless and hilarious one-star reviews posted by visitors. Subpar Parks, both on the popular Instagram page and in this humorous, informative, and collectible book, combines two things that seem like they might not work together yet somehow harmonize perfectly: beautiful illustrations and informative, amusing text celebrating each national park paired with the one-star reviews disappointed tourists have left online. Millions of visitors each year enjoy Glacier National Park, but for one visitor, it was simply Too cold for me! Another saw the mind-boggling vistas of Bryce Canyon as Too spiky! Never mind the person who visited the thermal pools at Yellowstone National Park and left thinking, "Save yourself some money, boil some water at home." Featuring more than 50 percent new material, the book will include more depth and insight into the most popular parks, such as Yosemite, Yellowstone, the Grand Canyon, and Acadia National Parks; anecdotes and tips from rangers; and much more about author Amber Share's personal love and connection to the outdoors. Equal parts humor and love for the national parks and the great outdoors, it's the perfect gift for anyone who loves to spend time outside as well as have a good read (and laugh) once they come indoors.

Research Basics James V. Spickard,2016-09-15 *Research Basics: Design to Data Analysis in Six Steps* offers a fresh and creative approach to the research process based on author James V. Spickard’s decades of teaching experience. Using an intuitive six-step model, readers learn how to craft a research question and then identify a logical process for answering it. Conversational writing and multi-disciplinary examples illuminate the model’s simplicity and power, effectively connecting the “hows” and “whys” behind social science research. Students using this book will learn how to turn their research questions into results.

Fix Your Eyes Amy Gannett,2021-10-05 We live in a polarized time. Christians are quick to conceive of themselves either as theologically-minded or worship-minded; either thinking Christians or feeling Christians. The results are damaging: theology without worship is muted, stifled, and cold, and worship without theology is ungrounded, unrooted, and uninformed. This is not the way it was meant to be. Theology (our study and knowledge of God) should always lead to doxology (our worship of Him). Worship should always be rooted in theology. When we study the nature and character of God as revealed in his Word, we are invited to respond in the affectionate, obedient discipleship of worship. How can we keep our theology from being mere head knowledge? How do we give our worship roots that will last? By fixing our eyes on God Himself—the object of our study and the object of our worship. *Fix Your Eyes* is an invitation to understand core doctrines of the Christian faith and apply them in our daily worship of God. It walks believers through key theological concepts and shows how each can be lived out in daily life.

The One and Only Ivan Katherine Applegate,2012-01-17 The #1 New York Times bestselling and Newbery Award-winning novel *The One and Only Ivan* is now a major motion picture streaming on Disney+ This unforgettable novel from renowned author Katherine Applegate celebrates the transformative power of unexpected friendship. Inspired by the true story of a captive gorilla known as Ivan, this illustrated book is told from the point of view of Ivan himself. Having spent twenty-seven years behind the glass walls of his enclosure in a shopping mall, Ivan has grown accustomed to humans watching him. He hardly ever thinks about his life in the jungle. Instead, Ivan occupies himself with television, his friends Stella and Bob, and painting. But when he meets Ruby, a baby elephant taken from the wild, he is forced to see their home, and his art, through new eyes. In the tradition of timeless stories like *Charlotte's Web* and *Stuart Little*, Katherine Applegate blends humor and poignancy to create an unforgettable story of friendship, art, and hope. *The One and Only Ivan* features first-person narrative; author's use of literary devices (personification, imagery); and story elements (plot, character development, perspective). This acclaimed middle grade novel is an excellent choice for tween readers in grades 5 to 8, for independent reading, homeschooling, and sharing in the classroom. Plus don't miss *The One and Only Bob*, Katherine Applegate's return to the world of Ivan, Bob, and Ruby!

The Cheat Sheet Sarah Adams,2022-04-26 Is it ever too late to leave the friend zone? Discover the heartwarming friends to lovers romance that became a sensation on TikTok—now with a new chapter and a Q&A with the author! The friend zone is not the end zone for Bree Camden, who is helplessly in love with her longtime best friend and extremely hot NFL legend, Nathan Donelson. The only problem is that she can’t admit her true feelings, because he clearly sees her as a best friend with no romantic potential, and the last thing Bree wants is to ruin their relationship. But those abs . . . Nope! Nothing but good old-fashioned, no-touching-the-sexiest-man-alive, platonic friendship for Bree. In any case, she has other things to worry about. After a car accident ended her chance at becoming a professional ballerina, Bree changed paths and now owns her own dance studio, with big dreams to expand it. But one more rent increase could mean the end of the studio entirely. Then, as usual, Nathan comes to the rescue and buys the entire building. A stubborn Bree is not happy about it and decides to rebel with a couple—okay, maybe more than a couple—of tequila shots. Then her plan backfires as she spills her deepest, darkest secret to a TMZ reporter. One viral video later, the world thinks Nathan and Bree are the perfect couple. Before they can really talk about her confession, Nathan’s publicist proposes a big opportunity that could mean financial security for Bree. The catch? They have to pretend to be in love. For three whole weeks. What will happen when Bree gives in to the feelings she’s been desperately hiding for so long, and could she be imagining that Nathan is actually enjoying it? Sarah Adams scores more than touchdowns in this exciting romantic comedy.
