**The Final Countdown Vol.1** Billy Crone,2017-04-20 Because God loves us, He has given us many warning signs to show us that the 7-year Tribulation is near and that the return of Jesus Christ is rapidly approaching. Therefore, The Final Countdown takes a look at 10 signs given by God to lovingly wake us up so we'd give our lives to Him before it's too late. These signs are the Jewish People, Modern Technology, Worldwide Upheaval, The Rise of Falsehood, The Rise of Wickedness, The Rise of Apostasy, One World Religion, One World Government, One World Economy, and The Mark of the Beast. Like it or not, we are headed for The Final Countdown. Please, if you've haven't already done so, give your life to Jesus today, because tomorrow may be too late!

*Israel, Rapture, Tribulation* Michael Earl Riemer,2021-05-23 Jesus is coming soon, for all signs point to His arrival...again. The Last Days are upon us...again. The Great Tribulation is about to start...again. We will see the Lord coming in clouds of glory, for we are the last generation...again. Even before William Miller pronounced these kinds of tidings for 1843, and when it didn't occur, he assured his followers it would happen on October 22, 1844; this refrain was common from Christians down throughout the ages. However, since the time of Miller, and especially since 1948, when the nation of Israel was given birth, the chorus of Christian voices proclaiming End-Times and Last-Days is a constant message. The problem, all those who have preached this since 70AD, have been wrong, always, 100% of the time. In the Revelation of Jesus, given to Saint John, he assures the seven Churches the time was near, it was in fact, at hand. The letter closes with the assurance of that fact, the Lord was coming soon, for Jesus states: "Surely I come quickly" (Revelation 22:20). So, that leaves us with two perplexing and bewildering conclusions. Jesus was wrong about His soon coming, and those who preach this, have also been preaching a tall tale, a cock-and-bull story. However, the early Christians did not believe what is being taught across today's pulpits concerning this teaching. They knew those events would happen in their lifetime, not 2,000 years in the future, they took Jesus at His word, and it saved their lives. In this book, you will find the doctrine believed by early Christians, and the reason the modern Last Days doctrine has always been wrong, and how it was fulfilled. You will also find the message taught by Jesus, and presented throughout the Holy Scriptures, hope and victory for Christ's Church.

*Countdown* Sarah Scoles,2024-02-06 For fans of Oppenheimer, a riveting investigation into the modern nuclear weapons landscape. Nuclear weapons are, today, as important as they were during the Cold War, and some experts say we could be as close to a nuclear catastrophe now as we were at the height of that conflict. Despite that, conversations about these bombs generally often happen in past tense. In Countdown, science journalist Sarah Scoles uncovers a different atomic reality: the nuclear age's present. Drawing from years of on-the-ground reporting at the nation's nuclear weapons labs, Scoles interrogates the idea that having nuclear weapons keeps us safe, deterring attacks and preventing radioactive warfare. She deftly assesses the existing nuclear apparatus in the United States, taking readers beyond the news headlines and policy-speak to reveal the state of nuclear-weapons technology, as well as how people currently working within the U.S. nuclear weapons complex have come to think about these bombs and the idea that someone, someday, might use them. Through a sharp, surprising, and undoubtedly urgent narrative, Scoles brings us out of the Cold War and into the twenty-first century, opening readers' eyes to the true nature of nuclear weapons and their caretakers while also giving us the context necessary to understand the consequences of their existence, for worse and for better, for now and for the future.

*Thanos* Donny Cates, Ask the most powerful beings in the galaxy how they fear the universe will end, and in their most honest moment, they will answer with two words: "Thanos wins." Now that disturbing thought becomes a horrific reality! See what happens when the Mad Titan achieves his ultimate victory. Will he cause the cosmos to spiral downward into chaos and death...or will something very different happen? Plus: In the far future, an iconic and unexpected Marvel character has become – the Cosmic Ghost Rider! But following his experiences at the Titan's hands, what are his vengeful plans for...baby Thanos?

Marketing Communications Lynne Eagle,Barbara Czarnecka,Stephan Dahl,Jenny Lloyd,2020-09-22 Marketing communication is a dynamic industry, which continues to change and adapt to new technologies, media consumption patterns and communication interfaces between marketers and their target markets. At the same time, the fundamental communication processes and well-established theories and models are very much applicable in this dynamic environment. This revised second edition blends the well-established with the new and emerging aspects of marketing communications. Marketing Communications applies a uniquely practical approach to the topic, providing a structured overview of planning, development, implementation and evaluation of marketing communications, alongside detailed case studies that demonstrate how the theory translates to practice. Fully updated, the new edition considers important developments in the global marketplace. It includes new content on emerging digital media platforms, changing media consumption patterns and consumers' strategies to cope with information overload. It also reflects upon consumer scepticism, a growing phenomenon that communication specialists need to overcome when designing and implementing effective campaigns. This new edition also considers the importance of marketing communications tools in not-for-profit sectors, such as social marketing and political marketing, as well as the cross-cultural aspect of marketing communications. This textbook is essential reading for both students and professionals in marketing, communications and public relations. Online resources include an extensive instructors' guide, which provides answer checklists to all Think boxes, Ethical issues and end-of-chapter cases within the book. The text is also supported by PowerPoint slides and test banks for all chapters and major cases.

**2028 End** Gabriel Erb,2019-07-12 God created a game - it's called The Game of Life. Planet Earth is the playing field, the 10 love commandments are the rules, and we humans are the players who can win or lose. The game is played by two teams, like the game of football. One team's head coach is Jesus and the other team's head coach is Satan. All of us on earth are playing for one of these two teams! Gabriel Ansley Erb wrote the book 2028 END in order to fully elucidate God's game clock scenario for The Game of Life as contained in the game's handbook, the Holy Bible. The handbook says, God declared the end from the beginning (Isaiah 46:10) by using 7 days in the creation event. Each 24 hour creation day foretold of a future 1,000 year period for a total 7,000 year plan God had for The Game of Life to be played on planet earth. And amazingly, to confirm this is all true, God hid a secret prophesy in each creation day foretelling the greatest event He had planned to occur in that day's future millennium!Consequently, Creation day 1 foretold Adam & Eve's fall, which was fulfilled during earth's 1st millennium. Creation day 2 foretold Noah's global flood, which was fulfilled during earth's 2nd millennium. Creation day 3 foretold Moses' Red Sea parting, which was fulfilled during earth's 3rd millennium. Creation day 4 foretold of John the Baptist & Jesus Christ, and so they lived and died during earth's 4th millennium. And the prophecies continue with each Creation day!Gabriel proves all of the above, carefully revealing the prophetic Scriptures as well as the fulfillment Scriptures. Then he reveals a dozen Scriptures proving Christ died earth's 4,000 year and will return earth's 6,000 year. Finally, he proves Christ died Feast of Passover AD 28 and will return Feast of Trumpets 2028. For those who read this book, it is an open and shut case: The Game of Life will end 2,000 years from the year of Christ's death on the cross - AD 2028.
