Second Supplement to Livelys of America 1982, to Livelys of America, 1690-1968, and to Supplement to Livelys of America 1972 Claire Humphres Loudon,1986 Supplement 2 to work entitled: Livelys of America, 1690-1968. This second supplement was prepared to correct errors in 'Livelys of America, 1690-1968'

and 'Supplement to Livelys of America, 1972', and to provide an update on family information printed there. New families are being discovered continually; some of them are able to tie onto the existing lines ... others are placed in the miscellaneous collection of lines ... awaiting further research -- Preface (p. viii). This supplement covers the period from 1972-1982, including an index containing over 26,000 names from all three books, updates, additional information, and corrections.
