The Ten Best Casino Bets Henry J. Tamburin,1986

The Hotel Monthly John Willy,1927

Attack the Casino's Vulnerable Games John T. Gollehon,2012 This new edition is completely redesigned with new charts and the latest winning information. Readers get rock-solid advice on how to maximize their chances of winning at the games the casinos are most vulnerable to. In blackjack, players learn Gollehon's patented assault technique; in video poker, how to increase royals by 20%; in hold'em, the solid strategies for average players to win money; in craps, the money bets and how to squeeze the most profit from them; and in games prone to betting systems, the complete Power Progressive strategy.

Casino Journal ,2001

Trump Wayne Barrett,2016-04-26 The essential book to understanding Donald Trump as a businessman and leader—and how the biggest deal of his life went down. Now, Barrett's classic book is back in print for the first time in years and with an introduction about Trump's 2016 presidential campaign. Donald Trump claims that his success as a “self-made” businessman and real estate developer proves that he will make an effective president, but this devastating investigative account by legendary reporter Wayne Barrett proves otherwise. Back in print for the first time in years, Barrett’s seminal book reveals how Trump put together the biggest deal of his life—Trump Tower—through manipulation and deceit; how he worked with questionable characters from the mafia and city politics; and how it all nearly came crashing down. Here is a vivid and inglorious portrait of the man who wants now to be the most powerful man in the world. In Trump: The Greatest Show in the World—The Deals, the Downfall, the Reinvention, Barrett unravels the myth and reveals the truth behind the mogul’s wheelings and dealings. After decades covering him, few reporters know Trump as Barrett does. Instead of the canny businessman that Trump claims in his own books, Barrett explores how Trump exploited his father’s banking and political connections to finance and grease his first major deals. Barrett’s investigative biography takes us from the days of Donald’s lonely youth to his brash entry into the real estate market, and to the back room deals behind his New York, Atlantic City and Florida projects. Most compellingly Barrett paints an intimate portrait of Trump himself, a man driven by bravado, obsessive self-regard, and an anxious ruthlessness to subdue his rivals and seduce anyone with the power to aid his empire. We see him head to head with an opponent as powerful as Pete Rozelle, ingratiating himself with the brooding governor on the Hudson, and fueling the Drexel engine driven by Michael Milken with hundreds of millions in fees—paid, ironically, by gaming companies to fend off Trump takeovers. We explore his complicated emotional and business relationship with his first wife, Ivana, and the use he planned to make of his mistress—and later, his second wife—Marla Maples as a “southern strategy” in his then contemplated presidential campaign. With interviews with scores of adversaries and former colleagues, we are given a privileged look at Trump the businessman in action—reckless as often as he is brilliant, reliant on threats as much as on charm, and ultimately a cautionary tale: is this the man we want to lead the world? PRAISE FOR TRUMP: “Trump is a withering portrait of the most self-mythologized and promoted businessman of our era, an exhaustively researched and long-overdue antidote to Trump’s own books. It is a penetrating portrait of the age that spawned him and the many who aided and abetted his rise. Trump seems destined to be the definitive account of how Trump got ahead and why he fell. It is a sad story, with important lessons for us all.” —James B. Stewart, Pulitzer Prize–winning author of Den of Thieves “Donald Trump surprises us again. Wayne Barrett’s Trump is a fresh, detailed, and vivid account of the tangled connections of money, politics, and power in our times.” —Nicholas Pileggi, author of Wiseguy

Land-gambling Versus Mining-gambling Charles Edward Pickett,1857

Showmen's Motion Picture Trade Review ,1946-12-28

Commodore 16 Games Book Cameron Duffy,2022-03-31 First published in 1984, this book enabled a whole new generation to learn game coding on their Commodore 16 - an unusual and relatively rare machine that had a processor which was faster than that of the famous C64, possessed more efficient screen memory, had a much faster BASIC interpreter... yet came supplied with just a quarter of the memory held by its older brother. Despite the machine's lacklustre performance in the US, sales in Europe were strong and the machine retains a large fan base to this day. Popular in Easter bloc countries - particularly Hungary - the machine was the first home computer that many people owned; it therefore retains a significant 'nostalgia factor' amongst its userbase. As the original publisher Melbourne house wrote: * * * * If you 're only going to get one games book for your Commodore 16 then this is the book for you! Easy to Program: With the unique CHEXSUM verification program you can make sure your games are bug free. Hard to Beat: Games that will test your reflexes, your nerve, your logic, your strategy and your intelligence - educational games, simulation games, gambling games and much more! All these games explore to the fullest the extended graphics and sound facilities of the new, easier to use BASIC. * * * * Acorn Books is proud to present its Retro Reproductions Series, a collection of classic computing works from the 1980s and 90s, lovingly reproduced in the 21st century. From standards of programming reference no self-respecting microcomputer programmer would be without, to obscure works not found in print anywhere else, these modern reprints are perfect for any connoisseur of retro computing.
