United States Coins Collector's Compass,2001 This handy guide introduces the history and art of U.S. oins and explores the fascinating details that make them the perfect collectible for beginners.

**Standard Catalog of U.S. Paper Money** William Brandimore,2009-10-09 As prices and popularity of the paper money market continues to grow, this one-of-a-kind guide keeps up with the times, and keeps collectors informed. The only all-encompassing U.S. paper money guide with up-to-date market prices and full-color photos, this book covers all angles. From pre-Civil War certificates to notes issued within the last couple years, this go-to-guide has all the pricing, identifying data and detailed photos collectors need.

*Kansas Paper Money* Steve Whitfield,2014-01-23 Kansas had only a few years in which its bankers and merchants issued the now-obsolete notes that have become such popular—and rare—collector's items. This heavily illustrated history details Kansas paper bank notes and scrip through 1935. Like the Society of Paper Money Collectors' state catalogs it provides history and listings of specific notes and comments on their rarity, but it is unique in grouping notes and issuers alphabetically according to the economic period in which the notes were issued. Notes are separated into three major categories: municipal governments, merchants, and banks. Appendices examine modern reproductions of obsolete currency, altered notes and write-in scrip, the printers and engravers who created the physical notes, and more.

**Collector's Guide to Paper Money** Stephen D Russell,2020-11-19 This book is written by a collector for current and future collectors so they can get a better understanding of collecting, not investing, in paper money. For those interested in investing, I'll share some advice, but this is all about the joys of collecting various types of paper money. My goal is to show that you can acquire an amazing collection of paper money for a small amount of money. This book describes different types of paper money and also shows examples so you can then explore the world of paper money for yourself. I also share my insights on how to collect, grade, organize and store your money and suggest references for additional reading. While this may be most useful for the beginning collector, I'm sure even an advanced collector will see something new in this book.
