Rockin Australia James Vincent Anfuso, 2013

The Art of Rock Paul Grushkin, 2015-10-13 The best-selling visual history of the rock concert poster, now available at an irresistible price Electric, outrageous, erotic, rebellious—rock concert posters are the visual equivalent of the music they advertise. The Art of Rock traces the history of this energizing art form from the bold letterpress posters advertising Elvis’s early shows, through the multicolored fantasies of the psychedelic era, to the avant-garde collages of new wave and punk. More than 1,500 posters and other graphics—tickets, backstage passes, buttons, handbills—are presented in their original blazing color (or their stark black and white, as the case may be). The text features dozens of exclusive interviews with musicians, concert promoters, and the poster artists themselves, including legends like Stanley Mouse, Alton Kelley, or Wes Wilson—who also designed the cover

of this book. A visual journey through thirty years of rock and roll, as well as a valuable reference, *The Art of Rock* is an essential volume for every music lover (and art lover).

One Thing Leads to Another Dan Stiles, 2015 Internationally acclaimed designer and illustrator Dan Stiles offers a collection of over 200 concert posters for many of today's leading acts including Arctic Monkeys, The XX, Sonic Youth, Girl Talk, and hundreds more. Including extensive writing by Stiles and a foreword by famed rock poster historian Paul Grushkin, *One Thing Leads to Another* is a glorious celebration of both music and design.
