Killer Catchers - Fourteen True Stories of How Britain's Wickedest Murderers Were Brought to Justice Chris Ellis & Andy Owens,2008-01-07 Murderers, Psychopaths, and Paedophiles - Their mention strikes dread and disgust into the heart of a nation, and the crimes committed by such individuals are of a nature more horrendous than any other. Their hideous acts of violence and abuse are unimaginably cruel, and the more disturbed and desperate we become for the killers to be brought to justice.Yet the extremely calculated nature of the crimes and their perpetrators means that evidence is often so thin on the ground that many cases end up being often left 'open' with little hope that more evidence will come to light, leaving families in utter devastation and the public in fear of its safety. However, thanks to rapidly developing advances in forensic techniques, especially in the fields of psychological, psychic and DNA profiling, more and more previously closed cases are being re-examined and solved many years after the crimes were committed.Killer Catchers is the incredible collection of such astonishing true stories. The murders in this book will chill you to the bone, but the techniques used to solve them will astound and reassure you in equal measure. The stories in this book are fascinating and varied but they all have one thing in common: each murderer thought they would get away with their horrific crime, and almost nearly did...But now there is no such thing as the perfect murder.

**Hunter Killer** Brad Taylor,2020-01-07 Pike Logan tracks highly-trained Russian assassins to Brazil in this blistering, action-packed thriller from New York Times bestselling author and former Special Forces Officer Brad Taylor. “It’s an excellent read, and I greatly enjoyed it.” —Nelson DeMille Pike Logan and the Taskforce were once the apex predators, an unrivaled hunting machine that decimated those out to harm the United States, but they may have met their match. While Pike Logan and Jennifer Cahill prepare to join their team on a counter-terrorist mission in the triple frontier—the lawless tri-border region where Argentina, Brazil, and Paraguay meet—they are targeted in Charleston, South Carolina. A vicious explosion kills a friend, and the perpetrators have set it up to look like an accident. While the authorities believe this was not foul play, Pike knows the attack was meant for him. When he loses contact with the team in South America, Pike is convinced he and the Taskforce are under assault. His men are the closest thing to family that Pike has, which means he will do anything, even ignore direct orders to stand down, to find them. Pike and Jennifer head to Brazil to investigate their disappearance and run headlong into a crew of Russian assassins. Within days they are entangled in a byzantine scheme involving Brazilian politics and a cut-throat battle for control of offshore oil fields. Forged in combat, the Russians are the equal of anything the Taskforce has encountered before, but they make a mistake in attacking Pike’s team, because Pike has a couple of elite Israeli assassins of his own. And Pike will stop at nothing to protect his family.

**A Serial Killer's Daughter** Kerri Rawson,2019-01-29 What is it like to learn that your ordinary, loving father is a serial killer? In 2005, Kerri Rawson opened the door of her apartment to greet an FBI agent who shared the shocking news that her father had been arrested for murdering ten people, including two children. That’s also when she first learned that her father was the notorious serial killer known as BTK, a name he’d given himself that described the horrific way he committed his crimes: bind, torture, kill. As news of his capture spread, the city of Wichita celebrated the end of a thirty-one-year nightmare. For Kerri Rawson, another was just beginning. In the weeks and years that followed, Kerri was plunged into a black hole of horror and disbelief. The same man who had been a loving father, a devoted husband, church president, Boy Scout leader, and a public servant had been using their family as a cover for his heinous crimes since before she was born. Everything she had believed about her life had been a lie. Written with candor and extraordinary courage, A Serial Killer’s Daughter is an unflinching exploration of life with one of America’s most infamous killers and an astonishing tale of personal and spiritual transformation. For all who suffer from: unhealed wounds, the crippling effects of violence, betrayal, or anger, Kerri Rawson’s story offers the hope of reclaiming sanity in the midst of madness, rebuilding a life in the shadow of death, and learning to forgive the unforgivable.
