Healing the Broken Brain Mike Dow, Dr.,David Dow,2017-05-02 Dr. Mike Dow is a best-selling author, psychotherapist, and relationship expert. So why is he writing a book about stroke? Well, what you probably don't know about Dr. Mike is that his younger brother, David, is a stroke survivor. What's more, David's stroke happened when he only 10 years old. This means most of Dr. Mike's teenage years were spent witnessing what his family was dealing with trying to find the best treatments for David. He struggled to know what to do to help his brother. He watched helplessly as his brother wrestled with depression, trying to find the motivation to recover on top of the challenges of adolescence. He mourned the loss of what could have been —and he was angry. How his family would have loved to sit down with top experts in stroke to find out what they should be doing and have their questions answered. Now Dr. Mike has the ability to do just that, and he's doing it so that others in his family's position don't have the same struggle. Armed with questions from stroke survivors and their loved ones, Dr. Mike talks with the best clinicians across the country to get over 100 answers you need to know to maximize your recovery.

The Spiritual Self Abraham J Twerski, 2011-06-15 The global health crisis caused by the coronavirus is also turning out to be a spiritual crisis as we navigate its effects on our lives, our families, and our communities. This book offers welcome and human insight for those new to or skeptical of spirituality as well as those working from a religious framework. To the thicket of questions surrounding spirituality, this book brings a clear vision and a thoughtful approach that will help us find our way to the very heart of it. Much is made of spirituality these days-in recovery and in the culture at large-but what, exactly, does spirituality mean? Is it something different to different people? How is it discovered, nurtured, expressed? And, perhaps most important, why does it matter? To the thicket of questions surrounding the subject, this book brings a clear vision and a thoughtful approach that will help us find our way to the very heart of spirituality. Writing simply and directly, Abraham Twerski shows how spirituality-independent of religion-is central to emotional

and mental health, and is a key to being truly and profoundly human. Founder and medical director of the Gateway Rehabilitation Center in Pittsburgh, Pennsylvania, Abraham J. Twerski is a rabbi, psychiatrist, chemical dependency counselor, and the author of many books, including *Addictive Thinking: Understanding Self-Deception*.

Sandy New New York Post, 2013-06-01 On October 29, 2012, Hurricane Sandy made landfall in the Mid-Atlantic region. The devastation she would bring to the New York and New Jersey was widespread and unimaginable. Though warnings had been issued for days and many evacuated their homes and offices, thousands stood in the path of one of the strongest storms in the history of America. Winds on Long Island reached 90 mph. Large sections of Lower Manhattan flooded. Fire in Queens destroyed more than 100 buildings. In New Jersey, 2.6 million homes were without people and nearly 40 people were killed. A 50-foot piece of the Atlantic City Boardwalk washed away and half the city of Hoboken was under water. Hundreds of thousands were left without power and water, with dwindling food supplies. Amidst this devastation, Sandy inspired courage and hope in many New Yorkers, giving them the will to triumph against incalculable odds. Seeking shelter and the basic necessities of life, thousands continued to fight on to simply survive the harshest of conditions and help others do the same. These gripping moments of ruin and recovery are captured in *Sandy: A Story of Complete Devastation, Courage, and Recovery*, which features award-winning stories and nearly 100 vivid full-color images from the New York Post. A portion of the proceeds from the sale of each book will be donated to the Mayor's Fund for New York City and Hurricane Sandy New Jersey Relief Fund.
