The Kitchen Whisperers Dorothy Kalins,2021-09-07 A beautifully written tribute to the people who teach us to cook and guide our hands in the kitchen, by a founding editor of Saveur. The cooking lessons that stick with us are rarely the ones we read in books or learn through blog posts or YouTube videos (depending on your generation); they're the ones we pick up as we spend time with good cooks in the kitchen. Dorothy Kalins, founding editor of Savuer magazine, calls the people who pass on their cooking wisdom her Kitchen Whisperers. Consciously or not, they help make us the cooks we are—and help show the way to the kind of cooks we have the potential to become. Dorothy's prolific career in food media means many of her Kitchen Whisperers are some of the best chefs around (though the lessons she's learned from fellow home cooks are just as important). For Dorothy, a lifetime of exposure to incredible cooks and chefs means that she can't enter her kitchen without hearing the voices of mentors and friends with whom she cooked over the years as they reveal their favorite techniques. Marcella Hazan warns her against valuing look over flavor. Christopher Hirsheimer advises that sometimes water is the best liquid to add to a dish rather than stock or wine. Her onetime Southern mother-in-law wisely knows that not everyone who asks for a biscuit is food hungry. Woven through the text are dozens of narrative recipes, from her mother's meat loaf to David Tanis's Swiss Chard Gratin. The Kitchen Whisperers will prompt older readers to identify and cherish the food mentors in their own lives, just as it will inspire younger readers to seek them out. Stories and recipes from Dorothy's notable connections will inspire the creative food journeys of all.

Cooking for Gracie Keith Dixon,2011-05-10 A touching, insightful and uplifting memoir, complete with more than 40 recipes, that recounts a year in the life of a new parent learning to cook for three. Keith Dixon's passion was cooking. For years, he sustained himself through difficult days by dreaming about the lavish recipes he was going to attempt when he got home—Thai curries, Indian raitas, Sichuan noodles. All that changed when his daughter, Gracie, was born five weeks early, at just four pounds. Keith and his wife, Jessica, adapted to life with a newborn as all parents do: walking around in a sleep deprived haze, trying to bond with Gracie and meet the needs of this new person in their lives—all while dealing with the overwhelming fear that they were going to catastrophically fail in their new roles. After Gracie became a part of their family, Keith no longer had time to cook the way he once knew; when he did find time to make something, he learned the hard way that his daughter woke easily to the simplest kitchen noise, and soon realized that if he wanted his family to eat well, he was going to have to learn to cook all over again. Based on three popular articles in the New York Times, Cooking for Gracie is a memoir of the first year of Gracie's life, as Keith learns to cook for three—discovering what it means to be a father while still holding on to what made him who he was before his daughter came along. Keith and Jessica's hilarious and poignant struggles to adjust to life with a newborn will resonate with new parents; foodies' mouths will water over the tempting meals Keith creates; amateur cooks will laugh at his missteps in the kitchen—and it's just impossible not to fall in love with the adorable Gracie. A critically acclaimed novelist, Keith Dixon reflects on food, parenting, and cooking with both humor and reverence, and shares the delicious, accessible parent- and family-friendly recipes he discovered along the way. Beautifully written and compulsively readable, Cooking for Gracie is an irresistible and unforgettable story, for foodies and parents alike, of a family of three learning to find their way together KEITH DIXON has been on the staff of the New York Times for seventeen years. He is also the author of two novels: The Art of Losing—which received starred reviews in both Kirkus and Booklist and was named “Editor's Choice” by the Philadelphia Inquirer—and Ghostfires, named one of the five best first novels of 2004 by Poets & Writers magazine.

Starting from Scratch Patty Kirk,2008-01-01 A captivating memoir with recipes from a cook who's traveled across the globe cooking, tasting, and enjoying good food. Patty Kirk has always loved food: eating it, cooking it, sharing it, talking about it. At six, she scrambled the last of the family's vacation provisions over the campfire and concocted a delicacy—eggs with bacon and onions. Overnight she became the family cook and discovered a lifelong passion for cooking that accompanied her through decades of roaming and finally to the farm in Oklahoma where she now lives. Starting from Scratch narrates Kirk's wanderings in the U.S. and abroad from a culinary perspective, sounding the spiritual, political, and emotional depths of Brillat-Savarin's famous observation, “Tell me what you eat; I'll tell you who you are.” In this candid and engaging food memoir—complete with recipes!—good food beckons from the past as well as the future: surrounding us, eluding us, drawing us, defining us.
