The Cold Case Justice Collection: Drawing Fire / Burning Proof / Catching Heat Janice Cantore,2019-11-05 This collection bundles all three of Janice Cantore's Cold Case Justice suspense novels into one e-book for a great value! #1 Drawing Fire One case from her past defines homicide detective Abby Hart. With a possible serial killer stalking elderly women in Long Beach, California, Abby's best lead is Luke Murphy, an irritating private investigator who saw a suspect flee the scene of the latest homicide. When Abby discovers that the most recent victim is related to the governor, she's anxious to talk to him about a cold case that's personal to her—one Luke is interested in as well. As she learns more about the restaurant fire that took her parents' lives years ago, Abby discovers why Luke is so invested in finding the ones responsible. The more they uncover, though, the more questions they have. Can Abby find peace without having all the answers? #2 Burning Proof After months of investigating the brutal homicide of a young girl, Detective Abby Hart finally has the evidence she needs. But when the arrest goes terribly wrong, Abby begins to doubt her future as a police officer. As she wrestles with conflicting emotions, old questions about the fire that took her parents' lives come back to haunt her. "There is proof." PI Luke Murphy can't stop thinking about what Abby's former partner, Asa Foster, mumbled just before he died. When he uncovers a clue to the murder of Abby's parents and his uncle, he's reluctant to tell Abby, despite his growing feelings for the beautiful detective. A decade-old abduction case brings Luke and Abby together, but will his secret tear them apart? #3 Catching Heat Twenty-seven years after the deaths of Detective Abby Hart's parents, she's desperate to find the proof that will put the mastermind—the governor's wife—behind bars. When she joins a newly formed task force and teams up with PI Luke Murphy, Abby is sent to San Luis Obispo to work the cold case of a murdered college student. Realizing their investigation will bring them near the town where Alyssa Rollins grew up, Abby decides to do a little digging of her own into the Triple Seven fire. Luke is eager to help Abby close the books on a case they both have personal stakes in. But as she uncovers long-held secrets, Abby stumbles into an explosive situation, and Luke fears that her obsession may prove deadly.

Other Worlds Than These John Adams, 2012-06-26 What if you could not only travel any location in the world, but to any possible world? We can all imagine such "other worlds"—be they worlds just slightly different than our own or worlds full of magic and wonder—but it is only in fiction that we can travel to them. From *The Wizard of Oz* to *The Dark Tower*, from Philip Pullman's *The Golden Compass* to C. S. Lewis's *The Chronicles of Narnia*, there is a rich tradition of this kind of fiction, but never before have the best parallel world stories and portal fantasies been collected in a single volume—until now.

Encaustic Art Lissa Rankin, 2010-08-10 With a history that stretches back to the hauntingly beautiful mummy portraits of Greco-Roman Egypt, encaustic art is now enjoying a renewal of popularity among artists and art lovers alike. Today, museums are staging exhibitions of encaustic art, workshops in the technique are thriving, and art collectors and dealers are assimilating encaustic art into their collections and galleries. The word encaustic is taken from the Greek and means "to burn in." In the encaustic process, pigmented wax is applied and then fused to

a surface with heat. The result is a broad range of surface effects and a luminous translucency that is unique to the encaustic medium. Encaustic Art is a complete resource for artists who wish to learn to create fine art with wax. It features step-by-step techniques with easy-to-understand instructions and detailed illustrations, stunning examples of encaustic works of art (including sculpture), along with practical advice and thoughtful aesthetic observations from more than 60 professional artists working in the encaustic medium.

Japanese Horror and the Transnational Cinema of Sensations Steven T. Brown, 2018-02-05 Japanese Horror and the Transnational Cinema of Sensations undertakes a critical reassessment of Japanese horror cinema by attending to its intermediality and transnational hybridity in relation to world horror cinema. Neither a conventional film history nor a thematic survey of Japanese horror cinema, this study offers a transnational analysis of selected films from new angles that shed light on previously ignored aspects of the genre, including sound design, framing techniques, and lighting, as well as the slow attack and long release times of J-horror's slow-burn style, which have contributed significantly to the development of its dread-filled cinema of sensations.
