Additionally, you will be shown how to maintain your lifestyle according to where you move and what your assets are worth in your new home. A special chapter geared exclusively toward the victims of abuse, including spousal, domestic, or other types, is included, along with information on what to do if you have children or other ties to your former life. Finally, you will be shown how the Internet will become an invaluable tool to you in staying hidden, but also a portal through which people can find and stay in contact with you.
