The Ladies of Covington Send Their Love Joan A. Medlicott,2011-04-01 Cautious Grace Singleton, uncertain of her place in an intimidating world. Outspoken Hannah Parrish, harboring private fear that may change her life. Fragile Ameila Declose, shattered by devastating grief. Circumstance has brought these disparate women of a certain age to a Pennsylvania boardinghouse where three square meals and a sagging bed is the most any of them can look forward to. But friendship will take them on a starting journey to a rundown North Carolina farmhouse where the unexpected suddenly seems not only welcome, but delightfully promising. And with nothing more than a bit of adventure in mind, each woman will be surprised to find that they years they've reclaimed from the shadow of twilight will offer something far more rare: confidence, competence, and even another chance at love... The Tampa Tribune calls Joan A Mendicott's The Ladies of Covington Send Their Love A must-read for women of all ages.
