Crazy Basketball Charley Rosen, 2011 Crazy Basketball is the story of Charley Rosen's unlikely and crazy basketball journey--from the CBA to his role as commentator for Foxsports.com.

Crazy Basketball Charley Rosen, 2011-04-01 The basketball commentator, analyst, and author looks at the sport by sharing his journey from his undergraduate days at Hunter College to the Continental Basketball Association to a desk at Fox Sports.

Games Youth Specialties, 1997 Containing a huge supply of how-to ideas for youth ministry, this book from The Ideas Library will provide countless hours of gaming entertainment.

When March Went Mad Seth Davis, 2009-03-03 Davis recounts the dramatic story of how two legendary players--Earvin Magic Johnson and Larry Bird--burst on the scene in a 1979 NCAA championship that gave birth to modern basketball.

Underbelly Hoops Carson Cunningham, 2012-01-16 UNDERBELLY HOOPS covers Carson Cunningham's final season in the storied and now defunct Continental Basketball Association (CBA). In the process, it takes a sober look at minor league professional basketball, as Cunningham tries to navigate a poor relationship with his coach and yet finish his career on his own terms by playing a final season and winning a championship. As UNDERBELLY HOOPS shows, the CBA was a realm where hopeful players desperately hung on and crusty motels might very well have no clocks. It was a place where a trainer could be ordered to fill the visiting team's cooler with warm shower water and a coach might tell a player (namely, Cunningham) that he was focusing too much on his marriage and child rather than basketball. It was also a place where entire hotel wings could become saturated with the pungent smell of marijuana. And yet, even as it chipped away at your dignity and made little

economic sense to remain, the CBA drew you in with the allure of action and the prospect of an NBA call-up. And it could inspire, like when you and your teammates caught a rhythm that made you remember why basketball is such a beautiful game, or when you saw guys continue to strive, to persevere, even if their dreams weren't fully realized. The hoops answer to Ball Four. By turns funny and poignant—and always self aware—this book allows fans into the locker room and huddle, yes, but also into the cortex of a professional basketball player. If Carson Cunningham could have jumped, run and created his shot off the dribble as masterfully as he writes and observes, he'd be starring in the NBA. —L. Jon Wertheim, Senior Writer for SPORTS ILLUSTRATED

Hoop Crazy Clair Bee, 1998-10-01 A smooth-talking man who claims to have played basketball with Chip's father creates dissension on the Valley Falls high school team and plans to use Big Chip's pottery formula in his latest scam.

Basketball in the SEC (Southeastern Conference) Greg Roza, 2008-01-15 Describes the history, key people, teams, important games, and mascots of the Southeastern Conference of NCAA basketball.

Thirty-Two Minutes in March Matt Roberts, 2016-08-01 Since 1911, movies, books, and popular culture have romanticized Indiana high school basketball. But most of these versions are trapped in a time warp that ends in 1960. Thirty-Two Minutes in March takes the reader on a journey through today's Hoosier Hysteria, providing a frank and up-close view of four diverse basketball programs battling in pursuit of one goal - to play thirty-two minutes in March for the Indiana state championship.

The National Basketball Association ,
Hoop Crazy Dennis Gildea, 2013-11-01 Clair Bee (1896-1983) was a hugely successful basketball coach at Rider College and Long Island University

with a 412 and 87 record before his career was derailed in 1951 by a point-shaving scandal. In the trial that sent his star player, Sherman White, to prison, the judge excoriated Bee for creating a morally lax culture that contributed to his players' involvement with gambling. To a certain extent, Bee agreed with the judge's scolding, concluding that coaches, himself included, had become so driven to succeed on the court that they had lost sight of the educational role sports should play. His coaching career effectively over, Bee launched an effort to reform the ills he saw in college sports, and he did so in the pages of the Chip Hilton novels for young readers. He began the series in 1948, but it was the post-scandal books that he used as teaching tools. The books mirrored some of the events of the gambling scandal and were Bee's attempt to reform the problems plaguing college sports. He used his fiction to posit a better sports world that he hoped his young readers would construct and inhabit. The Chip Hilton books were extremely popular and have become a classic series, with over two million copies sold to date. Hoop Crazy is the fascinating story of Clair Bee and his star character Chip Hilton and the ways in which their lives, real and fictional, were intertwined.

Don't Put Me In, Coach Mark Titus, 2013-03-12 An irreverent, hilarious insider's look at big-time NCAA basketball, through the eyes of the nation's most famous benchwarmer and author of the popular blog ClubTrillion.com (3.6m visits!). Mark Titus holds the Ohio State record for career wins, and made it to the 2007 national championship game. You would think Titus would be all over the highlight reels. You'd be wrong. In 2006, Mark Titus arrived on Ohio State's campus as a former high school basketball player who aspired to be an orthopedic surgeon. Somehow, he was added to the elite Buckeye basketball team, given a scholarship, and played alongside seven future NBA players on his way to setting the record for most individual career wins in Ohio State history. Think that's impressive? In four years, he scored a grand total of nine—yes, nine—points. This book will give readers an uncensored and uproarious look inside an elite NCAA basketball program from Titus's unique perspective. In his four years at the end of the bench, Mark founded his wildly popular blog Club Trillion, became a hero to all guys picked last, and even got scouted by the Harlem Globetrotters. Mark Titus is not your average basketball star. This is a wild and completely true story of the most unlikely career in college basketball. A must-read for all fans of March Madness and college sports!
