Martha's Vineyard Fish Tales Nelson Sigelman, 2019-02-01 The focus is on Martha's Vineyard but the information, fishing tips, and stories about Island characters—Bob “Hawkeye” Jacobs jumping off Memorial Wharf to unsnag an albie he hooked—will sound familiar to anyone who has spent time in a community of fishermen. This informative and fun read answers the questions asked in local tackle shops, including the best spots to catch a striped bass on a fly rod—Lobsterville Beach—and rigging tackle for blues, fluke, black sea bass, false albacore, and bonito. Spin fishing, bottom fishing, and fly fishing are all covered. This book follows the island fishing seasons: rods appear on island trucks in April, a sign that schoolies have arrived, and they do not begin to disappear until the venerable Bass and Bluefish Derby, five weeks of single-minded pursuit of fish, ends in October. And there are tips on looking and talking the part . . . “handy phrases include any reference to a falling or rising tide and a rock, any rock, as long as you refer to it with a sense of authority so that the other person is unwilling to ask which rock for fear of seeming like a novice.” Martha's Vineyard Fish Tales is a “how to” book that flows with the character and personality of a fishing-obsessed island off the coast of Massachusetts.

The Crazy World Of?what If-- Steve Parker, 2002 Looks at amazing aspects of our world in a way that's easy to read and remember, by asking what might happen if-- things were different!

Crazy for Rivers Bill Barich, 2015-02-17 “That autumn, I went a little crazy for rivers.” So writes Bill Barich, and this charming volume captures the essence of obsession. The hours he spent on various streams became a meditation on family, friends, and the natural world. To anyone who remembers the infinite patience of a grandfather on a lake, or the romance of a mountain getaway with a new girlfriend; to anyone who can recall each fish caught on days that were far too hot, or way too cold, or on rivers too crowded, or in canyons too steep; to anyone who has appreciated the trust of an age-old fishing partner, or marveled at the beauty of a leaping trout—to anyone, in fact, who has ever gone a little crazy for rivers, Bill Barich's wonderful memories of a season on the water and a lifetime of fishing will seem both touching and wise. This little book is a gem. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

This Darkness Mine Mindy McGinnis,2017-10-10 Mindy McGinnis, award-winning author of *The Female of the Species* and *A Madness So Discreet*, returns with a new dark and twisted psychological thriller—perfect for fans of *Gone Girl* and *Fight Club*. Sasha Stone knows her place—first-chair clarinet, top of her class, and at the side of her Oxford-wearing boyfriend. She's worked her entire life to ensure her path to Oberlin Conservatory as a star musician is perfectly paved. But suddenly there's a fork in the road in the shape of Isaac Harver. Her body shifts toward him when he walks by, and her skin misses his touch even though she's never known it. Why does he act like he knows her so well—too well—when she doesn't know him at all? Sasha discovers that her by-the-book life began by ending the chapter of another: the twin sister she absorbed in the womb. But that doesn't explain the gaps of missing time in her practice schedule, or the memories she has of things she certainly never did with Isaac. Armed with the knowledge that her heart might not be hers alone, Sasha must decide what she's willing to do—and who she's willing to hurt—to take it back.
