

Crazy Machines 113

K Morrison

Going Crazy in the Green Machine John J. Whelan, 2014-11-18 Many Canadians are vaguely aware of the military's steady involvement in overseas operations over the past 20 years. For many soldiers, however, memories of these places torment them daily. They are haunted; they are changed from who they were as proud men and women. How do we support these soldiers to find their way back home? The story of Master Corporal Billy Reardon is an intimate portrayal of his journey from young man to mentally wounded military veteran. We see the world through his eyes as the toll of his deployments mount and as he struggles within the mental health system. We also see him find recovery and reconnection to the military brotherhood along with other veterans. Billy's story raises questions about the roles of front-line leadership and challenges health providers to develop an intimate understanding of military culture as a prerequisite to assisting traumatized veterans and their families.

James Monroe Tim McGrath, 2021-05-04 The extraordinary life of James Monroe: soldier, senator, diplomat, and the last Founding Father to hold the presidency, a man who helped transform thirteen colonies into a vibrant and mighty republic. "A first-rate account of a remarkable life."—Jon Meacham • "Fascinating." —H. W. Brands • "Captivating... Highly recommended."—Nathaniel Philbrick • "A luminous portrait of the most underappreciated of our Founders."—Joel Richard Paul • "Excellent."—Library Journal (starred review) Monroe lived a life defined by revolutions. From the battlefields of the War for Independence, to his ambassadorship in Paris in the days of the guillotine, to his own role in the creation of Congress's partisan divide, he was a man who embodied the restless spirit of the age. He was never one to back down from a fight, whether it be with Alexander Hamilton, with whom he nearly engaged in a duel (prevented, ironically, by Aaron Burr), or George Washington, his hero turned political opponent. This magnificent new biography vividly re-creates the epic sweep of Monroe's life: his near-death wounding at Trenton and a brutal winter at Valley Forge; his pivotal negotiations with France over the Louisiana Purchase; his deep, complex friendships with Thomas Jefferson and James Madison; his valiant leadership when the British ransacked the nation's capital and burned down the Executive Mansion; and Monroe's lifelong struggle to reckon with his own complicity in slavery. Elected the fifth president of the United States in 1816, this fiercest of partisans sought to bridge divisions and sow unity, calming turbulent political seas and inheriting Washington's mantle of placing country above party. Over his two terms, Monroe transformed the nation, strengthening American power both at home and abroad. Critically acclaimed author Tim McGrath has consulted an extensive array of primary sources, many rarely seen since Monroe's own time, to conjure up this fascinating portrait of an essential American statesman and president.

The Comic Strip Art of Jack B. Yeats Michael Connerty, 2021-08-30 This monograph seeks to recover and assess the critically neglected comic strip work produced by the Irish painter Jack B. Yeats for various British publications, including *Comic Cuts*, *The Funny Wonder*, and *Puck*, between 1893 and 1917. It situates the work in relation to late-Victorian and Edwardian media, entertainment and popular culture, as well as to the evolution of the British comic during this crucial period in its development. Yeats' recurring characters, including circus horse Signor McCoy, detective pastiche Chubblock Homes, and proto-superhero Dicky the Birdman, were once very well-known, part of a boom in cheap and widely distributed comics that Alfred Harmsworth and others published in London from 1890 onwards. The repositioning of Yeats in the context of the comics, and the acknowledgement of the very substantial corpus of graphic humour that he produced, has profound implications for our understanding of his artistic career and of his significant contribution to UK comics history. This book, which also contains many examples of the work, should therefore be of value to those interested in Comics Studies, Irish Studies, and Art History.

Theory of the Gimmick Sianne Ngai, 2020-06-16 Christian Gauss Award Shortlist Winner of the ASAP Book Prize A Literary Hub Book of the Year “Makes the case that the gimmick...is of tremendous critical value...Lies somewhere between critical theory and Sontag’s best work.” —Los Angeles Review of Books “Ngai exposes capitalism’s tricks in her mind-blowing study of the time- and labor-saving devices we call gimmicks.” —New Statesman “One of the most creative humanities scholars working today...My god, it’s so good.” —Literary Hub “Ngai is a keen analyst of overlooked or denigrated categories in art and life...Highly original.” —4Columns “It is undeniable that part of what makes Ngai’s analyses of aesthetic categories so appealing...is simply her capacity to speak about them brilliantly.” —Bookforum “A page turner.” —American Literary History Deeply objectionable and yet strangely attractive, the gimmick comes in many guises: a musical hook, a financial strategy, a striptease, a novel of ideas. Above all, acclaimed theorist Sianne Ngai argues, the gimmick strikes us both as working too little (a labor-saving trick) and working too hard (a strained effort to get our attention). When we call something a gimmick, we register misgivings that suggest broader anxieties about value, money, and time, making the gimmick a hallmark of capitalism. With wit and critical precision, Ngai explores the extravagantly impoverished gimmick across a range of examples: the fiction of Thomas Mann, Helen DeWitt, and Henry James; the video art of Stan Douglas; the theoretical writings of Stanley Cavell and Theodor Adorno. Despite its status as cheap and compromised, the gimmick emerges as a surprisingly powerful tool in this formidable contribution to aesthetic theory.

The Survival Guide for Gifted Kids Judy Galbraith, 2013-08-06 Help gifted children realize they’re not alone, they’re not “weird,” and being smart is a bonus, not a burden. Based on a survey of 1,000 gifted kids, this retitled edition of the classic Gifted Kids’ Survival Guide is fully updated with the latest research. Readers learn how to cope with high expectations, perfectionism, labels, bullying, friendships, and more. Upbeat, informative, friendly, and compact, The Survival Guide for Gifted Kids is a must for young gifted children. At a time when many school gifted programs are scaling back, it’s more important than ever for kids to have this essential guide to growing up gifted.

The Gifted Kids' Survival Guide (EasyRead Comfort Edition) ,

The Gifted Kids' Survival Guide (EasyRead Super Large 18pt Edition) ,

The New Cinematic Weird Steen Ledet Christiansen, 2021-04-07 The New Cinematic Weird analyzes the role that creepy, unsettling, ominous, uneasy, and eerie atmospheres play in recent films of this genre. The author shows how the new cinematic weird elicits joy by creating weird atmospheres as affective intensities that are to be experienced rather than understood.

The Adding Machine Elmer Rice, 1923

Mage Against the Machine Shaun Barger, 2019-07-30 Harry Potter meets The Terminator in this action-packed adventure about a young man who discovers that everything he believed about his world is a lie. The year is 2120. The humans are dead. The mages have retreated from the world after a madman blew up civilization with weaponized magical technology. Safe within domes that protect them from the nuclear wasteland on the other side, the mages have spent the last century putting their lives back together. Nikolai is obsessed with artifacts from twentieth-century human life: mage-crafted replica Chuck Taylors on his feet, Schwarzenegger posters on his walls, Beatlemania still alive and well in his head. But he’s also tasked with a higher calling—to maintain the Veils that protect mage-kind from the hazards of the wastes beyond. As a cadet in the Mage King’s army, Nik has finally found what he always wanted—a purpose. But when confronted by one of his former instructors gone rogue, Nik tumbles into a dark secret. The humans weren’t nuked into oblivion—they’re still alive. Not only that, outside the domes a war rages between the last enclaves of free humans and vast machine intelligences. Outside the dome, unprepared

and on the run, Nik finds Jem. Jem is a Runner for the Human Resistance. A ballerina-turned-soldier by the circumstances of war, Jem is more than just a human—her cybernetic enhancement mods make her faster, smarter, and are the only things that give her a fighting chance against the artificial beings bent on humanity's eradication. Now Nik faces an impossible decision: side with the mages and let humanity die out? Or stand with Jem and the humans—and risk endangering everything he knows and loves?

Disappear Doppelgänger Disappear Matthew Salesses, 2020-08-11 From the bestselling author of *The Hundred-Year Flood* comes an incredibly entertaining and profoundly affecting tour de force about a Korean American man's strange and ordinary attempts to exist. Matt Kim is always tired. He keeps passing out. His cat is dead. His wife and daughter have left him. He's estranged from his adoptive family. People bump into him on the street as if he isn't there. He is pretty sure he's disappearing. His girlfriend, Yumi, is less convinced. But then she runs into someone who looks exactly like her, and her doppelgänger turns out to have dated someone who looks exactly like Matt. Except the other Matt was superior in every way. He was clever, successful, generous, and beloved--until one day he suddenly and completely vanished without warning. How can Matt Kim protect his existence when a better version of him wasn't able to? Or is his worse life a reason for his survival? Set in a troubling time in which a presidential candidate is endorsed by the KKK and white men in red hats stalk Harvard Square, *Disappear Doppelgänger Disappear* is a haunting and frighteningly funny novel about Asian American stereotypes, the desires that make us human, puns, and what happens to the self when you have to become someone else to be seen.

The Psychopath Machine Steve Smith, 2016-07-21 When Steve Smith set out to hitchhike from Sault Ste. Marie, Ontario to Canada's west coast back in 1968, he was just an eighteen-year-old hippie with an appetite for adventure. But a short way into his journey, a reckless decision to steal a car landed him in police custody. Afraid of getting caught with the two tabs of acid in his pocket, Steve popped them into his mouth. It was one of the worst decisions of his life. Mistaking his drug trip for a mental breakdown, the authorities placed him in Ontario's notorious Oak Ridge mental health facility. While there, not only did he find himself shoulder-to-shoulder with people like notorious child killer Peter Woodcock and mass murderers Matt Lamb and Victor Hoffman, he also fell into the hands of someone worse: Dr. Elliot T. Barker. Over the next eight months, Barker subjected Steve and the other patients to a battery of unorthodox experiments involving LSD, scopolamine, methamphetamines, and other drugs. Steven also experienced numerous other forms of abuse and torture. Following his release, Steve continued to suffer the aftereffects of his Oak Ridge experience. For several years, he found himself in and out of prison--and back to Oak Ridge--before he was finally able to establish himself as a successful entrepreneur. Once he began investigating what happened to him during his youth, not even Steve was prepared for what he would discover about Barker, Oak Ridge, and one of the darkest periods in Canada's treatment of mental health patients. The question remains: Was Oak Ridge and Dr. Barker trying to cure psychopaths or trying to create and direct them?

Ultimate Weird But True 2 National Geographic, 2013 Presents facts, brief stories, photos, and illustrations showing that fact can be as weird as fiction.

Doom Patrol (1964-) #113 Arnold Drake, Henry Boltinoff, 2017-09-28 **WHO DARES TO CHALLENGE THE ARSENAL.** **Ó** The Doom Patrol matches wits with the Arsenal, a criminal whose mechanical body houses a multitude of super-weapons. The Chief, meanwhile, proves too busy to help his teammates, as he uses a secret device to reverse Madame Rouge's mental patterns, unaware that the Brain is using a similar device to strengthen her evil side at the same time! Plus, **DIAMONDS OF DESTINY.** **Ó**

Jewish Mad Men Kerri P. Steinberg, 2015-02-16 It is easy to dismiss advertising as simply the

background chatter of modern life, often annoying, sometimes hilarious, and ultimately meaningless. But Kerri P. Steinberg argues that a careful study of the history of advertising can reveal a wealth of insight into a culture. In *Jewish Mad Men*, Steinberg looks specifically at how advertising helped shape the evolution of American Jewish life and culture over the past one hundred years. Drawing on case studies of famous advertising campaigns—from Levy’s Rye Bread (“You don’t have to be Jewish to love Levy’s”) to Hebrew National hot dogs (“We answer to a higher authority”)—Steinberg examines advertisements from the late nineteenth-century in New York, the center of advertising in the United States, to trace changes in Jewish life there and across the entire country. She looks at ads aimed at the immigrant population, at suburbanites in midcentury, and at hipster and post-denominational Jews today. In addition to discussing campaigns for everything from Manischewitz wine to matzoh, *Jewish Mad Men* also portrays the legendary Jewish figures in advertising—like Albert Lasker and Bill Bernbach—and lesser known “Mad Men” like Joseph Jacobs, whose pioneering agency created the brilliantly successful Maxwell House Coffee Haggadah. Throughout, Steinberg uses the lens of advertising to illuminate the Jewish trajectory from outsider to insider, and the related arc of immigration, acculturation, upward mobility, and suburbanization. Anchored in the illustrations, photographs, jingles, and taglines of advertising, *Jewish Mad Men* features a dozen color advertisements and many black-and-white images. Lively and insightful, this book offers a unique look at both advertising and Jewish life in the United States.
