**The Marriage Pact** Michelle Richmond, 2018-04-10 How far is too far when it comes to protecting your marriage? Find out in this relentlessly paced novel of psychological suspense for anyone who loved *The Couple Next Door*. “Ranks with *The Stepford Wives* and *Gone Girl* as a terrifying look at what it really means to say ‘I do.’”—Joseph Finder, New York Times bestselling author of *The Switch*

Newlyweds Alice and Jake are a picture-perfect couple. Alice, once a singer in a well-known rock band, is now a successful lawyer. Jake is a partner in an up-and-coming psychology practice. Their life together holds endless possibilities. After receiving an enticing wedding gift from one of Alice’s prominent clients, they decide to join an exclusive and mysterious group known only as The Pact. The goal of The Pact seems simple: to keep marriages happy and intact. And most of its rules make sense. Always answer the phone when your spouse calls. Exchange thoughtful gifts monthly. Plan a trip together once per quarter. . . . Never mention The Pact to anyone. Alice and Jake are initially seduced by the glamorous parties, the sense of community, their widening social circle of like-minded couples. And then one of them breaks the rules. The young lovers are about to discover that for

adherents to The Pact, membership, like marriage, is for life. And The Pact will go to any lengths to enforce that rule. For Jake and Alice, the marriage of their dreams is about to become their worst nightmare. Praise for The Marriage Pact “This fast-paced nail-biter goes in unpredictable directions. . . . It also raises thoughtful questions about individual agency and marital commitment. With strong writing, intriguing characters, and a compelling conceit, this psychological thriller seems destined for the top of summer reading lists. Recommended as a fresh voice for readers of Gillian Flynn or Ruth Ware.”—Library Journal (starred review) “Creepy and engrossing . . . [The Marriage Pact takes] readers deep into the heart of a marriage and exposes some of the darker drives, such as possession and control, that can lurk within even the most harmonious of unions.”—Booklist “Gripping, thought-provoking, and irresistible.”—Dean Koontz “Riveting psychological suspense! This book will keep you up all night, while making you second-guess everything you know and everyone you’ve ever loved.”—Lisa Gardner, #1 New York Times bestselling author of Right Behind You

*The Anatomy of Story* John Truby,2008-10-14 John Truby is one of the most respected and sought-after story consultants in the film industry, and his students have gone on to pen some of Hollywood's most successful films, including *Sleepless in Seattle*,

Scream, and Shrek. *The Anatomy of Story* is his long-awaited first book, and it shares all of his secrets for writing a compelling script. Based on the lessons in his award-winning class, *Great Screenwriting*, *The Anatomy of Story* draws on a broad range of philosophy and mythology, offering fresh techniques and insightful anecdotes alongside Truby's own unique approach for how to build an effective, multifaceted narrative. Truby's method for constructing a story is at once insightful and practical, focusing on the hero's moral and emotional growth. As a result, writers will dig deep within and explore their own values and worldviews in order to create an effective story. Writers will come away with an extremely precise set of tools to work with—specific, useful techniques to make the audience care about their characters, and that make their characters grow in meaningful ways. They will construct a surprising plot that is unique to their particular concept, and they will learn how to express a moral vision that can genuinely move an audience. The foundations of story that Truby lays out are so fundamental they are applicable—and essential—to all writers, from novelists and short-story writers to journalists, memoirists, and writers of narrative non-fiction.

Gpt- Ai, Jukka Aalho, 2021-10-09 What does AI know about love, happiness and making a difference? Aum Golly is a book of poems written in 24 hours. It was made possible by GPT-3 - an advanced autoregressive language model published in 2020 by OpenAI. ... a collection that surprises with humor and delicateness... -

Despite the gut reaction some of us may have towards AI-enhanced creativity, Aum Golly is a book like any other. You will love some of the poems. You will hate others. Some will make you wonder, but all of them will make you think. Award-winning writer and TEDx speaker Jukka Aalho has guided the AI and chosen the poems for the collection.
