In a Creepy, Creepy Place Judith Gorog,1996-09-16 Why is everybody so afraid of Jessie's new doll, Frankenflopper? Is it because she's ten times bigger than any kid on the block? Or is it because her creepy yellow eyes seem to follow you wherever you go? Master storyteller Judith Gorog brings us the story of a little girl and her not-so-ordinary doll—along with four other creepy tales—in her second collection of bizzare, icky, and scary-funny stories that are guaranteed to give chapter book readers goosebumps and giggles galore. 1999 Outstanding Pennsylvania Author

Creepy Keiler Roberts, Lee Sensenbrenner,2022-08-25 There once was a lady who was very

creepy. She moved about the world in seemingly normal ways, except for one tremendously bizarre tic. First she sought out kids transfixed by their screens, staring blindly and blank-faced at nearly any device, and then she would snatch something precious from them. In this picture book for grown-ups, sibling duo Keiler Roberts and Lee Sensenbrenner render a compelling—and downright creepy—modern fable about kids who are hooked on their digital devices. Creepy is the contemporary answer to the shocking tales of the Brothers Grimm and bedtime moral stories like the boy who cried wolf or the princess and the pea: in it, Roberts and Sensenbrenner provide a shrewd and comical commentary on the increasing digitization of childhood. Known for her award-winning autobiographical comics, Roberts's signature deadpan humor is on full display in these vibrantly painted pages. It's safe to say that no one tackles the peril of screen time as vividly or absurdly as this pair.

Scary Barbara Eck Tosi, 2021-06-17 The unthinkable thoughts and depraved deeds of people, nature, and the seriously supernatural are voyeuristically exposed with an amazing alliterative allure in Barbara Eck Tosi's SCARY. This psychotically charged collection of nightmarish narratives unfolds in

refreshingly rhythmic rhymes. Overdosed with injections of spine-splintering sordidness, SCARY dares you to experience its macabre and maniacal madness. At the mercy of monsters that maliciously manipulate their minds, these contorted and calamitous characters dance deliberately and deliriously across pages steeped in insanity, pain, isolation, and fear. The warped worlds of these peculiar and perverse psychotics are saturated in sinister streams of consciousness. Peaceful narratives periodically penetrate the pathetic preponderance of pain with their sacred salutations of sanity and salvation. Have you a penchant for pursuing the psyche's darkest demons and deepest divides? This deliciously disturbing collection of shockingly scary vignettes will find you double-locking your windows, triple-bolting your doors, and exponentially increasing the wattage of your living room lights. In an unusual, enticing, and entertaining way, SCARY feverishly frightens those brave enough to climb its hyperbolic heights.

Halfway to Creepy 2 Anthony Mays, 2016-10-20 Stories just got creepier with *Halfway to Creepy 2*. This book is the second in a collection of bizarre, short stories that are sure to stir your imagination and take you on a psychological journey. If you are into spooky, the weird, curious or odd, then you must read *Creepy 2*. As with *Halfway to Creepy*, you may find there is a certain familiarity about these stories from your own experiences. I believe we all have a natural calling to want to scare ourselves while knowing there is a separation from reality and the other worldly. My goal was to let you find the creepy by allowing your mind to fill in those blank areas where I purposefully did not detail a scene or conclusion. If you find that you enjoyed any of these stories, I invite you to try *Halfway to Creepy* and/or one of my thriller novels.

Creepy Archives Volume 2 Archie Goodwin, Larry Ivie, Others; Gray Morrow; Reed Crandall; Alex Toth; Al Williamson; Others, 2008 This vein-chilling second volume showcases work by some of the best artists to ever work in the comics medium, including Alex Toth, Gray Morrow, Reed Crandall, John Severin, and others. Each archive volume of *Creepy* is packed with stories (usually up to eight short stories were featured in every issue!) running the gamut of gruesome subject matter, from reimagined horror classics such as *The Cask of Amontillado*, to spectacularly mind-twisting shorts such as *The Thing in the Pit*, or the macabre maritime yarn *Drink Deep*. * This volume collects *Creepy* #610. Since the stock is much finer than the authentic newsprint, visually, these pages are better than the originals, with moodily, dark blacks that punctuate the shock endings. Publishers Weekly
