John Major

Cricket as I See it Allan Border,2017 In the twenty years since Allan Border retired as Australian cricket captain he's been one of the game's closest and most astute observers. His views on cricket - based on his experiences as a player, a captain, a selector and a commentator - are fascinating, forthright and informed by more than three decades of involvement at the game's highest level. In *Cricket as I See It* he gives us his wisdom and opinions on the game he loves - from epic Tests, the rising power of India, and the Twenty20 revolution, through to his thoughts on captaincy, and the essential arts of batting, bowling and sledging. He reflects on the great players and contests of his generation, as well as controversies such as the underarm bowling affair, the turbulent events that led to him shouldering the captaincy, the rebel tour of South Africa, Steve Waugh's dropping as one - day captain, and the divisive 'Monkeygate' scandal.

Herding Cats Charlie Campbell,2017-03-09 In 1985 Mike Brearley published *The Art of Captaincy*, revealing how he steered Middlesex and England to victory with his team of first-class cricketers. He got the absolute best out of his players, inspiring Ian Botham to new heights against the Australians in 1981. Few cricketers have had a greater impact on the amateur game than these two. Every captain would love Brearley's degree in people, as well as a hardhitting all-rounder like Botham. But theirs was a barely recognisable game from the one we play on often dishevelled grounds up and down the country with ragtag teams of ageing, deluded or hungover friends and acquaintances. Now, Charlie Campbell offers us a New Testament to Brearley's Old Testament, as he guides us through the realities of captaining an amateur team. *Herdin*g Cats picks its way through the minefield of an amateur's season: from the excitement and hope of pre-season nets, to the desperate scramble to gather 11 players for a frosty game on a far-flung, desolate pitch; from decoding the casual phrase 'I bat a bit', to setting a field of players who can't catch or throw; from handling the most delicate egos, to dealing with a case of the yips; from frequent moments of despair, to sudden and joyful glimpses of unexpected glory. For all those of us who recognise ourselves, our teammates, our friends and partners in the shambling joy of amateur cricket more than in the top-class international game, Campbell lights a path through a weekend world of play at the beating heart of the world's second most popular sport.

Captains File Rob Harvey,2016-06-06 From Nayudu to Kohli, India's 32 Test cricket captains. From the days of the Maharajas and Nawabs when one had to be royalty to lead India into battle, a position no commoner was fit to fill, to the modern day of helmets and television, stump cams and DRS, India's 32 finest are here together for the first time. The Colonel CK Nayudu reportedly disallowed his players from drinking water at the drinks break. The Maharajkumar of Vizianagaram did not understand field placings or bowling changes and never maintained any regular batting order. Mansoor Ali Khan lost the vision in his right eye in a car accident and six months later made his debut for India. Three Tests later and he was the captain. The man he replaced, Nari Contractor, nearly died after receiving a blow on head while batting in the West Indies. Allegations of ball tampering, match fixing, too aggressive, too defensive, a few tears, a Tied Test match and a team all out even though only five wickets were down. And some missing teeth. This and so much more in **Captains File** India, From Nayudu to Kohli, India's 32 Test Cricket Captains.

‘His Captain’s hand on his shoulder smote’: The incidence and influence of cricket in schoolboy stories Eric Midwinter,2019-02-01 For a hundred years, from about the 1850s to the 1950s, schoolboy stories were voraciously read by the vast majority of boys and a high proportion of girls. A huge proportion of these ‘ripping yarns’ were school-based stories - and cricket was an invariable element, From Tom Brown’s Schooldays to the ‘Red Circle’ tales of the Hotspur comic, older children of all classes were inducted into a culture in which cricket was admired as the ideal sport. Inevitably, this led to generations of parents and, importantly, teachers inculcating this concept into their offspring and pupils respectively. The chief relevant authors were self-proclaimed protagonists of the faith of Muscular Christianity; there was no accident about the creed they preached in their stories, inclusive of the righteous role of cricket in pursuit of their ideals. This text describes the sheer weight and longevity of cricket in this type of literature and the background and beliefs of its major progenitors. That also analyses the cultural and social impact of this intense volume of schoolboy cricket tales. The author’s controversial conclusion is that, in brief, it was good for cricket but bad for the nation’s education system. Here is a book, then, that will appeal not only to cricket fans but to those interested in children’s literature, social history and the development of today’s schools.

Cricket: a Leading Edge Wesley Durston, Patrick Latham, 2018-10-10 Two former county cricketers turned cricket coaches have collaborated to write and illustrate their first book, in a brand new series under the title, 'A Leading Edge'. Wesley Durston, (Millfield School, Somerset CCC and Derbyshire CCC) and Patrick Latham (Kimbolton School, Somerset 2nd XI & Cambridgeshire CCC), coach hockey and cricket at Oakham School in Rutland. Both still play club cricket for rival clubs in the smallest county in England, Oakham Town CC and Uppingham Town CC respectively. The pair have worked throughout 2018 on their first book, which will be released through Amazon and as an eBook on 12th October. The book is a thought provoking look at the role of the captain and draws on the career experiences of the two authors, supported by written contributions from a range of current and past cricket captains, coaches and umpires which appear throughout the book. 'A Leading Edge for Captains' will be officially launched on Saturday 13th October at Compton Dundon Cricket Club's 60th anniversary dinner, where Wesley has been invited to talk about his life after professional cricket. This exciting new book is aimed at younger players who want to learn more about the finer points of the game, but there is plenty inside for the club player or young professional looking to improve their understanding of cricket, learning from the professional's point of view. We have been fortunate to be helped by some experienced cricketers, including foreword by Caroline Atkins (Durham MCCU & England), and quotes from Tom Abell (Somerset), Rob Bailey (Northamptonshire), Ed Young (Gloucestershire), Wayne Madsen (Derbyshire), Dean Hodgson (Gloucestershire) and Alec Swann (Northamptonshire/Lancashire) amongst others, who have all been kind enough to contribute their personal thoughts and stories on cricket captaincy. PL Including illustrations by Patrick and running to over 150 pages, this paperback is the first in a series of 'A Leading Edge' books. With writing already underway for the second book, 'Cricket: A Leading Edge for Bowlers', and plans for similar books for batters and fielders in the pipeline, Wesley and Patrick have found a niche for a new type of cricket book which explains the previously unwritten side of the coaching of the 'game' rather than just cricketing skills. Touching on topics such as formulating a plan, setting a field for different bowlers/situations/conditions, making tough decisions, spotting clues from the batter to inform your plan and communication with players on and off the field, this book is a must read, not just for aspiring leaders, but anyone who wants to develop their understanding of the game of cricket.

A Game Divided: Triumphs and troubles in Yorkshire cricket in the 1920s Jeremy Lonsdale, 2020-11-01 Between 1922 and 1925 Yorkshire County Cricket Club won the County Championship four years in a row, making it one of the most successful sides ever in the history of the English county game. A line-up which included Wilfred Rhodes, Percy Holmes, Herbert Sutcliffe, Roy Kilner, George Macaulay and Maurice Leyland dominated English cricket for much of the decade, taking a highly professional approach to the game. Unsurprisingly, they were heroes to many, but despite this success, the side was at times unpopular and the subject of trenchant criticism. A Game Divided takes as its starting point the events during the match between Yorkshire and Middlesex at Sheffield in July 1924, which provoked a falling out between the counties. These events and how they were portrayed shine a light on many of the divisions in English cricket of the time – between north and south, amateur and professional, employer and employee, and between different perspectives on sportsmanship and the style in which the game should be played. The book looks at the triumphs and troubles that shaped Yorkshire cricket in the decade and asks just how great was this side of match-winners.
