Cat in a Topaz Tango Carole Nelson Douglas, 2009-08-04 Temple Barr and Matt Devine make a cozy engaged couple, and the feisty redhead is all for her handsome fiance starring in a Las Vegas charity event, Dancing with the Celebs. But while Matt struggles to master the sexy moves of the tango, a killer stalks the dance floor.

The Return of the Dancing Master Henning Mankell, 2005-02-08 From the dean of Scandinavian noir, comes a riveting mystery set in frozen north of Sweden. . When retired policeman Herbert Molin is found brutally slaughtered on his remote farm in the northern forests of Sweden, police find strange tracks in the snow – as if someone had been practicing the tango. Stefan Lindman, a young police officer recently diagnosed with mouth cancer, decides to investigate the murder of his former colleague, but is soon enmeshed in a mystifying case with no witnesses and no apparent motives. Terrified of the disease that could take his life, Lindman becomes more and more reckless as he unearths the chilling links between Molin's death and an underground neo-Nazi network that runs further and deeper than he could ever have imagined.

An Introduction to the Model Penal Code Markus D. Dubber, 2015-03-10 In this second edition of his well-received introductory overview of the Model Penal Code, Markus Dubber retains the book's original aim to serve as an accessible companion to the Code. Professor Dubber unlocks the Model Penal Code's potential as a key to the study of American criminal law for law students and teachers, and for anyone else with an interest in understanding the basic contours of American criminal law. While the book's general goal and basic approach remain unchanged, its content has been thoroughly revised. Citations to primary and secondary materials have been updated and supplemented where appropriate. The American Law Institute's ongoing revision of the Code's sentencing and sexual offense provisions has been taken into account. Also, the comparative analysis found sporadically throughout the original edition has been expanded in places to provide additional context.

Intersecting Tango Adriana J. Bergero, In the early part of the twentieth century, Buenos Aires erupted from its colonial past as a city in its own right, expressing a unique and vibrant cultural identity. Intersecting Tango engages the city at this key moment, exploring the sweeping changes of 1900-1930 to capture this culture in motion through which Buenos Aires transformed itself into a modern, cosmopolitan city. Taking the reader through a dazzling array of sites, sources, and events, Bergero conveys the city in all its complexity. Drawing on architecture and gendered spaces, photography, newspaper columns, schoolbooks, high and low literature, private letters, advertising, fashion, and popular music, she illuminates a range of urban social geographies inhabited by the city's defining classes and groups. In mining this vast material, Bergero traces the profound change in social fabric by which these diverse identities evolved, through the processes of modernization and its many dislocations, into a new national identity capable of embodying modernity. In her interdisciplinary study of urban development and cultural encounters with modernity, Bergero leads the reader through the city's emergence, collecting her investigations around the many economic, social, and gender issues remarkably conveyed by the tango, the defining icon of Buenos Aires. Multifaceted and original, Intersecting Tango is as rich and captivating as the dance itself.

Investigating Italy's Past through Historical Crime Fiction, Films, and TV Series Barbara Pezzotti, 2016-09-11 This book is the first monograph in English that comprehensively examines the ways in which Italian historical crime novels, TV series, and films have become a means to intervene in the social and political changes of the country. This study explores the ways in which fictional representations of the past mirror contemporaneous anxieties within Italian society in the work of writers such as Leonardo Sciascia, Andrea Camilleri, Carlo

Lucarelli, Francesco Guccini, Lorian Macchiavelli, Marcello Fois, Maurizio De Giovanni, and Giancarlo De Cataldo; film directors such as Elio Petri, Pietro Germi, Michele Placido, and Damiano Damiani; and TV series such as the "Commissario De Luca" series, the "Commissario Nardone" series, and "Romanzo criminale-The series." Providing the most wide-ranging examination of this sub-genre in Italy, Barbara Pezzotti places works set in the Risorgimento, WWII, and the Years of Lead in the larger social and political context of contemporary Italy.

Global Organized Crime Mitchel P. Roth, 2017-01-20 In the maelstrom of globalization and cyberspace, organized crime continues to defy definition. A diverse array of activities is perpetuated by criminal organizations, criminal groups and associations, and gangs, and it is clear that one specific label is no longer adequate. This book offers a uniquely global approach to organized crime and the multitude of forces that shape it in the 21st century. As well as discussing definitions of and the historical roots of organized crime, this book examines various forms of organized crime around the world in the US, Mexico, Latin America and the Caribbean, Russia and Europe, Asia and Africa. This revised and updated new edition includes coverage of: the rise of the 'Ndrangheta in Italy and their global expansion; the impact of drug legalization on organized crime and the problem of methamphetamine; organ trading, money laundering, and animal poaching; changes in gang traditions and gangland penitentiaries; the decentralization of Mexican cartels, the growth of opium production in Myanmar, and the drug war in Africa; and the advancement of ISIS and the emergence of the Silk Road and the Dark Net. This book is essential reading for students engaged in the study of global and transnational organized crime, with features including chapter overviews, key terms, critical thinking questions, and case studies.

Waltzing Through Europe Egil Bakka, Helena Saarikoski, László Felföldi, Dorota Gremlicová, Silke Kapper, Ivana Katarinčić, Rebeka Kunej, Iva Niemčić, Mats Nilsson, Daniela Stavělová, Jörgen Torp, Tvrtko Zebec, 2021 From 'folk devils' to ballroom dancers, this volume explores the changing reception of fashionable couple dances in Europe from the eighteenth century onwards. A refreshing intervention in dance studies, this book brings together elements of historiography, cultural memory, folklore, and dance across comparatively narrow but markedly heterogeneous localities. Rooted in investigations of often newly discovered primary sources, the essays afford many opportunities to compare sociocultural and political reactions to the arrival and practice of popular rotating couple dances, such as the Waltz and the Polka. Leading contributors provide a transnational and affective lens onto strikingly diverse topics, ranging from the evolution of romantic couple dances in Croatia, and Strauss's visits to Hamburg and Altona in the 1830s, to dance as a tool of cultural preservation and expression in twentieth-century Finland. Waltzing Through Europe creates openings for fresh collaborations in dance historiography and cultural history across fields and genres. It is essential reading for researchers of dance in central and northern Europe, while also appealing to the general reader who wants to learn more about the vibrant histories of these familiar dance forms. As with all Open Book publications, this entire book is available to read for free on the publisher's website. Printed and digital editions, together with supplementary digital material, can also be found at www.openbookpublishers.com.

Police Integrity in South Africa Sanja Kutnjak Ivkovich, Adri Sauerma, Andrew Faull, Michael E. Meyer, Gareth Douglas Newham, 2020-04-29 Policing in South Africa has gained notoriety through its extensive history of

oppressive law enforcement. In 1994, as the country's apartheid system was replaced with a democratic order, the new government faced the significant challenge of transforming the South African police force into a democratic police agency—the South African Police Service (SAPS)—that would provide unbiased policing to all the country's people. More than two decades since the initiation of the reforms, it appears that the SAPS has rapidly developed a reputation as a police agency beset by challenges to its integrity. This book offers a unique perspective by providing in-depth analyses of police integrity in South Africa. It is a case study that systematically and empirically explores the contours of police integrity in a young democracy. Using the organizational theory of police integrity, the book analyzes the complex set of historical, legal, political, social, and economic circumstances shaping police integrity. A discussion of the theoretical framework is accompanied by the results of a nationwide survey of nearly 900 SAPS officers, probing their familiarity with official rules, their expectations of discipline within the SAPS, and their willingness to report misconduct. The book also examines the influence of the respondents' race, gender, and supervisory status on police integrity. Written in a clear and direct style, this book will appeal to students and scholars of criminology, policing, sociology, political science, as well as to police administrators interested in expanding their knowledge about police integrity and enhancing it in their organizations.

Seneca's Phoenissae M. Frank, 2018-07-17 This is the first commentary to be written in English on Seneca's

Phoenissae, an intriguing work on account of its unusual structure and state of incompleteness. The substantial introduction deals, inter alia, with the question of the unity and purpose of the work; the absence of an ending and of choral lyrics; the philosophical, rhetorical, and political content; Seneca's treatment of the Theban legend. The commentary is primarily a literary analysis of the text, but textual, linguistic, metrical, and grammatical difficulties are also elucidated. With the resurgence of interest in Senecan drama in the last two decades, this book is a valuable addition to English commentaries that appeared on most of the plays.

When a prominent conservative politician is killed inside his lakeside cabin, authorities have no suspect in sight. And two more deaths—seemingly isolated incidents, achieved by very different means—might be linked to the same murderer. With the help of his CIA director wife, Kate Rule Lee, Will is facing a perilous challenge: catch the most clever and professional of killers before he can strike again. From a quiet D.C. suburb to the corridors of power to a deserted island hideaway in Maine, Will, Kate, and the FBI will track their man and set a trap with extreme caution and care—and await the most dangerous kind of quarry, a killer with a cause to die for...

Politics and Society in Italian Crime Fiction Barbara Pezzotti, 2014-01-23 This book comprehensively covers the history of Italian crime fiction from its origins to the present. Using the concept of “moral rebellion,” the author examines the ways in which Italian crime fiction has articulated the country’s social and political changes. The book concentrates on such writers as Augusto de Angelis (1888–1944), Giorgio Scerbanenco (1911–1969), Leonardo Sciascia (1921–1989), Andrea Camilleri (b. 1925), Lorian Macchiavelli (b. 1934), Massimo Carlotto (b. 1956), and Marcello Fois (b. 1960). Through the analysis of writers belonging to differing crucial periods of Italy’s history, this work reveals the many ways in which authors exploit the genre to reflect social transformation and dysfunction.
