Crimson Niviaq Korneliussen, 2019-05-02 'Effortlessly cool, funny yet sad, breezy but thoughtful - this is an edgy and unputdownable work of modern literature' Sharlene Teo, author of *Ponti* 'Crimson is written with immense courage - there's no faking the feeling of honesty on each page. It is a brave novel reminiscent of Irvine Welsh's *Trainspotting*' Laline Paull, author of *The Bees* The island has run out of oxygen. The island is swollen. The island is rotten. The island has taken my beloved from me. The island is a Greenlander. It's the fault of the Greenlander. In Nuuk, Greenland . . . Fia breaks up with her long-term boyfriend and falls for Sara. Sara is in love with Ivik who holds a deep secret and is about to break promises. Ivik struggles with gender dysphoria as their friends become addicted to social media, listen to American pop music and get blind drunk in downtown bars and uptown house parties. Then there is Inuk, who also has something to hide - it will take him beyond his limits to madness, and question what it means to be a Greenlander, while Arnaq, the party queen, pulls the strings of manipulation, bringing a web of relationships to a shocking crescendo. *Crimson* weaves through restlessness, depression, love and queer experiences to tell the story of Greenlanders through a unique and challenging form. The original text was written and published in the Greenlandic language.

The Crimson Petal and the White Michel Faber, 2010 Yearning to escape her life of prostitution in 1870s London, Sugar finds her fate entangled in the complicated family life of patron William, an egotistical perfume magnate.

First Drop of Crimson Jeaniene Frost, 2010-02-09 "First Drop of Crimson is a passionate and tantalizing tale, filled with dark sensuality and fast-paced action. The lead couple is irresistible—a gutsy heroine to cheer for and a smoldering hero to die for. An unforgettable story!" —Kresley Cole, New York Times bestselling author Jeaniene Frost is back with the first book of a sexy spinoff from her USA Today and New York Times bestselling *Night Huntress* series. In this electrifying novel, the spotlight shines on her popular characters Bones' and Cat's closest confidantes – and one woman will come close to the dark side of desire as she places her trust in a vampire who could prove to be her salvation...or her downfall. The winner of multiple awards—including a Romantic Times Reviewers' Choice Award for Best Urban Fantasy and a Romance Reviewers Today Best Paranormal Award—Jeaniene Frost has received the Romantic Times Top Pick rating four times in a row...not to mention unqualified raves from critics, peers, and discriminating fans of paranormal romance.

The Crimson Sword Eldon Thompson,2009-10-13 The Age of Man has begun. The undesirable creatures of legend have been driven from their lands, magic has been forsaken, the old gods reduced to myth.Now humans will rule the kingdoms of the island continent of Pentania. But they are not alone. Alson's king has been assassinated, its capital besieged by a malevolent wizard. The chaos and terror now sweeping the land have come to the remote village of Diln -- sending young Jarom far from his home to seek aid against the nefarious usurper. But a mysterious council has decreed Jarom must find one of the mythical Swords of Asahiel -- the divine talismans the elven avatars used to forge the earth -- in order to save a quarrelsome, fledgling humanity. For a Demon Queen has awakened from the abyss -- and humankind is about to discover its powerlessness in the face of the ancient terrors of the world.

Crimson Shirley Conran,2012-07-24 From the author of the unforgettable bestseller *Lace*, comes a dramatic generational saga about a successful romance novelist and widow of a British World War I pilot who must decide whom she can trust as she tries to protect her three granddaughters and secure their futures. Elinor, a legendary novelist, is on her deathbed and must decide to whom she will leave her fortune. Which, if any, of her three granddaughters will inherit her wealth? Beautiful Annabel, Miranda, the brilliant businesswoman, or Clare, the film producer's wife with a social conscience?

The Crimson Curse Shuja Tasleem, Dear autumn, I like you. You bring salvation to all the crimson cursed leaves. I hope, you do the same to crimson cursed hearts too!

Crimson Born Amy Patrick ,2021-02-07 Every human of adult age and sufficient health shall therefore donate, every sixty days, one pint of blood to the blood bank of his or her district, ensuring the survival of the vampire race, the continued safety of humankind, and peace between the species—Edict Fourteen of The Crimson Accord As long as I can remember, I've longed for a different life—one filled with adventure, excitement, and romance. This wasn't exactly what I had in mind... One minute I was riding in a horse-drawn buggy on my way home to my quiet Amish village— the next was torn by the screech of car tires, and twisted metal, and the white hot lance of pain. There was no doubt in my mind my life was over. So when I woke up to the face of a beautiful stranger who promised me the suffering would end soon, I thought I'd seen an angel. I couldn't have been more wrong. Abigail Byler

is caught between two worlds at the worst possible time in human/vampire history. A peace treaty signed fifty-five years ago allowed vampires to come out of hiding and begin participating in the world in a respectable, productive way. Not only did it permanently solve supply chain issues arising from illness, death, and exhaustion for humans (Vampires make phenomenal long-haul truck drivers and night-shift workers) it also provided a much-needed non-violent option for their kind to satisfy their own nutritional needs. As long as every healthy adult human makes regular donations to blood banks and a reasonable percentage of the supply is allotted to vampires, no one will ever be bitten (without their permission) again. But now the anti-vamp movement in America is growing, blood donations are down, and the Accord is in danger of crumbling. Abigail will have to navigate her new place in the world--and in the beautiful but deadly Crimson Court--if she's to have any hope of surviving... and helping the human race do the same. CRIMSON BORN is a romantic and gripping full length YA dystopian vampire fantasy that will transport fans of paranormal romance and young adult urban fantasy to a fascinating supernatural world within our own, filled with suspense, danger, sizzling tension, and desire. *** If you love dangerous romantic vampire fiction like Crave, the Blood and Ash series, and Crescent City, you'll fall in love with the addictive, heart pounding excitement and suspense of the Crimson Accord series! Perfect for fans of Tracy Wolff, Sara J. Maas, Jennifer Armentrout, and Charlaine Harris. Grab your copy today and dive into the Crimson world!

Crimson CG Blade,2012-03-18 In this sequel to Cobalt, Crimson is an homage to Hammer Film Studios (Bray) in the essence of The Studio That Dripped Blood. Crimson has the overall feel of old school horror mixed with a dash of new school science fiction. Prepare to 'stiffen' up a bit as Crimson stings her way into your connective tissue. Brought to its knees, America, and the entire planet, is on the brink of disaster, and only one thing stands in their way of completing their satanic programming. Petra is in for the fight of her life as this ever-growing evil plagues the earth. Crimson is a mind-bending action-packed science fiction novel filled with past, present, and future, historical conspiracies. This second novel in the Pseudoverse Series is a deep rich crimson soaked story with a plot that twists and turns page after page. Technologically driven, this story is one 'hell' of a ride and contains the mother of all retrofits.

Crimson Forest Christine Gabriel, 2023-12-17 “Something horrible is happening in the Crimson Forest. I need you to promise me you’ll stay away from it.” Eighteen-year-old Angelina Adams had every intention of taking that advice. She had no desire to disappear into the trees as so many hunters had done. But when her mother is brutally murdered in their home, and the attacker comes for her, she has no choice but to flee into the blood-red woodland that claimed her father’s life years before. There she meets Nicolai, a handsome, mysterious stranger who vows to protect her from the dark forces bent on destroying her life. But can he be trusted? Is he who he says he is, or will he simply take what he wants from her and move on? Angelina soon realizes that nothing is as it seems in the Crimson Forest, a place where creatures known only to humans through myth and legend fight for love and survival. It’s a world where fairy tales thrive, nightmares become reality, and some secrets are better left undiscovered. *Crimson Forest* is the first book in *The Crimson Chronicles*, an exciting new adult fantasy series from Christine Gabriel. Book Two is *Crimson Moon*.

Crimson Reign J. T. Cheyanne, V. L. Moon, Tracey Weston, 2013-09-16 A pulse of light preceded the gift of life breathed into the coldest and darkest of souls. Bathed in the glow of celestial love and swathed in a blanket of black satin wings nestled a king among kings, a vampire born to destroy the decay threatening to eradicate the race he was destined to save. An angelic heart torn by yearning, suffering and pain throbbed to the rhythm of the life he created; a life prophesied in the scriptures by the Creator's own hand. A vow of servitude given in blood sealed the fate of a Seraphim's heart and tied it eternally to the creation he craves, protects...loves. Ancient treaties are lost and reborn, rising from the ashes as the Nephilim ravage the vampire race. The deviant desire that soared in Malachi Denali's blood threatens to bring Rome to its knees when Malachi's world, his soul and his heart are brutally shattered and torn apart. Will purity born of an angel's love be enough to calm the savage mind of Malachi Denali? Or will Laziel be doomed to a life of purgatory for loving the life he was gifted to create... This is not a HEA, or even a HFN....Who knows what will happen to seal their fate...only time will tell. Vampires, angels, demons and wolves together with love, betrayal, sadness and yearning make up the ongoing story that is... *The Crimson*

Nights Saga.

The Crimson Fairy Book Andrew Lang, 1903 A collection of fairy tales.

The Crimson Query Arlton Eadie, 2010-11 This 1929 potboiler, subtitled Or How the Squid Got Besuckered, introduces a villain known as the Crimson Query because he leaves, Zorro-like, a sign of his machinations. In this case, a bright red question mark. All in all, this hard-to-find detective story stands alongside the more horrific novels Eadie is known for.

The Crimson Thread Suzanne Weyn, 2009-10-27 Once upon a Time Is Timeless The year is 1880, and Bertie, having just arrived in New York with her family, is grateful to be given work as a seamstress in the home of textile tycoon J. P. Wellington. When the Wellington family fortune is threatened, Bertie's father boasts that Bertie will save the business, that she is so skillful she can practically spin straw into gold. Amazingly, in the course of one night, Bertie creates exquisite evening gowns -- with the help of Ray Stalls, a man from her tenement who uses an old spinning wheel to create dresses that are woven with crimson thread and look as though they are spun with real gold. Indebted to Ray, Bertie asks how she can repay him. When Ray asks for her firstborn child, Bertie agrees, never dreaming that he is serious....
