**Interregnum** S.J.A. Turney,2016-07-04 The Empire has fallen. The Empire must rise. For twenty years civil war has torn the Empire apart; the Imperial line extinguished after the mad Emperor Quintus was burned in his palace, betrayed by his greatest general and oldest friend, Kiva Caerdin. Against a background of war, decay and violence, men who once served in the proud Imperial army now fight as hands for hire, fodder for greedy lords fighting over the remnants of more glorious times. Kiva’s memories of the Empire are reignited when fighting alongside a fearsome mercenary unit, the Grey Company. Forced to face a dark and shameful past, he struggles to achieve redemption, and defeat an ancient, cunning and bitter rival. Only then can the Empire be unified... and reborn. A historical fantasy of valour, honour, and determination against all odds, Interregnum is the first novel in S.J.A. Turney’s epic Tales of the Empire series, perfect for readers of Conn Iggulden, Bernard Cornwell and Simon Scarrow.

**Tales of the Empire Omnibus** S.J.A. Turney,2018-02-19 The bestselling historical fantasy series, now collected in a special omnibus edition. Epic military campaigns, the strong bonds of brothers in arms and the struggle for justice in a world where emperors are overthrown, destinies challenged and war is constant... All six novels in this explosive and unputdownable series are included. Readers of Simon Scarrow, Conn Iggulden and George R.R. Martin will love The Tales of the Empire.

*When God Was Stolen, Book Two* Cary Osborne,2020-05-26 Magan and Dzorin returned to Sharvik after many trials in their quest to return the people’s god to his temple. But no one greets them. The village is empty. They must find their people and let them know Iah will return. However, Magan has other plans. A teacher is coming, one who will help her learn to use the magic residing within her. One who bears a magical sword and who will teach her more about being a warrior. In the early morning sunrise, they part at the gates of the village, each wondering if they will see each other again. Nor do they know who will make every effort to block their efforts to return Iah to his people.

**History of Herodotus** George Rawlinson,2022-05-15 Reprint of the original, first published in 1862.

**Once Apun A Time** Robin Leech,2015-11-23 Many puns are fleeting and transitory, devised and stated in a flash for a situation or immediate condition (see Word Plays, Puns Intended on the Internet). These kinds of puns can rarely be retold effectively, as the event that triggered them in the first place does not reappear exactly as before. But some puns are enduring! These can be memorized and told over and over in different social contexts and events, each time with the same overall effects - enjoyed by the teller, and enjoyed by the appreciative audience, albeit with some groaning. Some of the enduring puns are tongue twisters, so tellers are advised to practice telling them in private so as not to miss any key words that might lessen the effects of the punch lines. Other puns are timing precise, so a miscue, or mistiming destroys the intended effect....

**Jokes and Puns** Ronn Foster,2015-03-17 A day without laughter is a day wasted. – Charlie Chaplin A smile lasts, but for a moment, but the memory of it can last forever. My father started me on enjoying clean humor at an early age. I have always loved good humor, particularly puns, shaggy dog stories and short one and two liners. Through the years I recorded the better ones I enjoyed and a few years ago I began sharing them with old friends. Now you can enjoy. As an example: God: “Whew! I just created a 24 hour period of alternating light and darkness on Earth.” Angel: “What are you going to do now?” God: “Call it a day.” It only takes: One smile to make someone feel special. One second to offer kindness to someone who needs it. One laugh to lift the spirits of a friend. One person to make a difference, It takes you. I hope this book helps you pass along a smile weekly if not daily.

**The book of drawing-room plays and evening amusements** Henry Dalton (pseud.),1868

**Climbing Backward Out of Caves** John R. Harris,2015-03-17 The first draft of this rational case on behalf of religious faith was written in spring of 2010. Though much revised, the book still comprises three parts offering complementary perspectives. “Why Science Cannot Be the Final Word” logically demonstrates that the empirical approach (what we commonly call science) cannot possibly render conclusive answers to questions about the nature of ultimate reality. It relies heavily upon Immanuel Kant’s “antinomies of pure reason”. “Reasons to Be Suspicious of Faith” presents some of the emotional responses frequently voiced by non-believers. In the absence of conclusive empirical evidence and logical proof, we are left with feelings”—some of which are quite poignant. Though these emotions deserve respect when they are genuine (as opposed to derisive or exhibitionist), all eventually undercut themselves in hopeless contradiction. Finally, “Reasons to Be Inclined to Have Faith” argues that our sentimental orientation as human beings becomes most coherent and is pointed in the most productive direction if we assume certain spiritual realities. The rudiments of faith cannot be proved any more than they can be disproved. Yet to assume a higher reality, far from being less reasonable, is much more so if we are trying to explain such cryptic inclinations as our admiration for selfless deeds and the crushing guilt we feel after committing a vile act. The book seldom cites biblical passages. Its intent is explicitly not to presume that the reader acknowledges the authority of any scriptural tradition, but rather to place final authority in the soul’s mirror: a bared, self-examining heart and mind.

Drawing Room Dramas William Gorman and Greene Wills,2023-07-12 Reprint of the original, first published in 1873.

**La cappella di San Grato ad Aosta** Antonina Maria Cavallaro,Gaetano De Gattis,Antonio Sergi,Bruno Orlandoni,Andrea Vanni Desideri,1993 The volume presents, with extreme clarity and methodological rigor, the results of the excavation conducted in the chapel, which has permitted identification of a continuity of habitation of the site from the Roman period to our own day. A study of the painted decoration of the chapel completes the volume.

*History of Cyrus the Great* Jacob Abbott,2009-01-01 Abraham Lincoln raved that this series of historical biographies gave him just that knowledge of past men and events which I need. I have read them with the greatest interest. To them I am indebted for about all the historical knowledge I have.Considered what we would now call young adult literature, this collection, first published between 1848 and 1871, was designed to present a clear, distinct, connected narrative of the lives of the great figures of world history, those people who have been most influential, at least as American author and educator JACOB ABBOTT (1803-1879) saw it from his 19th-century perspective.Wildly popular and republished many times under different collected names, this replica set mimics the 1904 reprint known as the Makers of History series. It will delight students of history as well as show the scholar how history telling has changed over the last few centuries.More than 30 other volumes in the series are also available from Cosimo Classics.This volume, dating from 1850, covers

Cyrus the Great (d. 530BC), founder of the Persian Empire, from his early years and ascension to the throne to the Oracles, the conquests of Lydia and Babylon, the restoration of the Jews, and more.
