Winning Without Thinking Nick Mordin, 2006-10 Nick Mordin estimates he has spent over 30,000 hours researching racing results over the years. His aim has been to uncover the principles that govern the betting market and racing results themselves. In conducting his research Nick has tested thousands of systems, both his own and those developed by academics, professional gamblers and others around the globe. In *Winning Without Thinking* he shares the fruits of this work. the results of horse-races; basic principles that govern racing results and the betting market; mistakes commonly made by the general betting public and how to exploit them; full details of betting systems used by professional gamblers to make millions; how to predict and profit from new trends; and how to use computers to increase your returns.
