Every Child Matters Kailash Satyarthi,2018-01-01 Society has celebrated children even as it has denied fundamental rights and dignity to millions of them. Mass movements and social awareness against injustices like child labour, lack of access to health and education, child sexual abuse and trafficking have been catalysed by reformers like Nobel Peace Laureate Kailash Satyarthi. As a result of his untiring efforts, child labour is now universally considered to be a social evil that has to be abolished. Equally important, societies and governments across the world have accepted that access to quality education is the fundamental right of every child. Even as he has fought for justice and dignity for children, Mr. Satyarthi has found time to provoke, inspire and illuminate young minds by writing about children, their dreams and the power of their humanity. This book is a compilation of columns and interviews which highlight the continuing struggle to create safe childhoods. Readers will find much to introspect after going through this collection.

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle

Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
