Prayer Toolbox Volume 2 Ebenezer Gyasi,2014-12-05 It has been said that Lucifer knows very well that one authentic Kingdom builder and warrior rightly equipped for warfare can strike terror and wreak havoc in the kingdom of darkness. Why? By the covenant of His own blood, Jesus has made us unto our God kings and priest to reign on the earth. As a king, you have a kingdom and your kingdom is under attack! It is being overrun and violated by demonic kings and kingdoms! Let me ask you a question, if according to Jesus, since from the days of John the Baptist until now, the kingdom of heaven suffers violence, what do you think has happened to your kingdom? The secret to possess the kingdoms of your enemies is through the Word, and prayer! As a king, you have the power to decree and declare the Word of God for it to be established. In this book, you will learn how: To avoid feeble, spiritless, faithless, halfhearted, and spineless prayers. Why? Here is a mystery: In the realms of the spiritual, the weaker spirit bows to the stronger power! Therefore, to dethrone demonic kings and other ruling personalities, and entities over your life: You need to arm all areas of spiritual vulnerabilities in your life. You need to pray with a plan, passion, purpose, power, precision, persistence, and perseverance. You need to pray with faith, firepower, intensity, and expectancy based on the Word at all times. To enter into the Kingdom of heaven, you must be triumphant in many fierce secular trials, and spiritual battles. For these fights, you need

anointed weaponry as revealed in Prayer Toolbox Volumes 1 and 2. Do you want to be in control of your destiny, and become a regional taker, a nation changer, and an overcomer of the world? Here is a secret: To legally battle and rout demonic kings and kingdoms, you need the backing of a more powerful king. Fear Not! You have Jesus, the only King of Kings and the Lord of Lords, your Commander-in-Chief to back you up. God has given us, the power of His Word in our mouths to defeat, and destroy nations and overthrow the kingdoms! (Jeremiah 1:10 NKJV) You are the mouthpiece of God, His instrument of dominion to release into His Kingdom, deliverance, restoration, peace, healing, prosperity, protection, and much more on earth!

The Argument Toolbox K. J. Peters,2022-02-17 Drawing on the pedagogy, rhetorical theory, and student editor insights of The Argument Handbook, The Argument Toolbox is a very concise resource designed to help first year composition students, rhetoric and writing students, and first year seminar students build persuasive arguments in various genres. Like the more comprehensive text, The Argument Toolbox is organized and designed so that students can zero in on the content they need to

respond to an assignment when faced with a blank screen, a hard deadline, and a skeptical audience.

Adolescent-to-parent Abuse Amanda Holt, 2013 This is the first academic book to focus on adolescent-to-parent abuse and brings together international research and practice literature and combines it with original research to identify and critique current understandings in research, policy and practice.

Co-parenting 101 Deesha Philyaw, Michael D. Thomas, 2013-05-01 A successful co-parenting relationship is as vital to your child's well-being and health as nutritious food or proper exercise. Research, anecdotal evidence, and plain common sense all point to the fact that children are happier, healthier, and better adjusted when both of their parents play an active role in their lives. Studies also show that the trauma children experience in the wake of a divorce or separation can be lessened when they see their parents getting along. Kids whose parents successfully co-parent feel more secure than those who have limited or no connection to one of their parents post divorce. Co-Parenting 101 is based on the premise that co-parenting is a must, not an option. The involvement of both parents—not just the primary guardian—is the cornerstone of successful co-parenting. This is the first book written by a formerly married couple for whom co parenting is central to their day to day lives, and it offers a comprehensive, personal, and upfront look at how to effectively raise kids with an ex-spouse. Authors Deesha Philyaw and Michael D. Thomas, the creators of the popular co-parenting website, co-parenting101.org, share their own experiences raising their children together, as well as provide professional advice from co-parenting experts. Through practical tips combined with expert parental strategies, this book a great resource for divorced parents with children. For parents, less time stressed out about legal wrangling means more time to be

fully present and engaged with the children. By learning to put their animosity aside, parents can focus on putting their kids first.

Psychological Testing in Child Custody Evaluations

James R. Flens, Leslie Drozd, 2005 It addresses test selection issues, provides insightful discussions of how to confront confirmatory biases and avoid the distortion of test findings, and takes an in-depth look at the MMPI-2 and Rorschach tests. Psychological Testing in Child Custody Evaluations concludes with a point-counterpoint discussion of the strengths and weaknesses of the Ackerman-Schoendorf Scales for Parent Evaluation of Custody (ASPECT) between creator Marc J.

Toolbox No. 2 Susan Dougherty, 2001 Noting that over the last decade, the role of a foster parent has evolved from temporary caregiver to essential part of a professional team in determining the best long-term plan for children in their care, this guide focuses on practical ways in which best child welfare practice can be incorporated into the recruitment, training, and support of foster parents. The guide also examines ways that agencies can enhance the role of foster parents in a changing child welfare system. The chapters are: (1) Introduction, including a history of foster care; (2) The Roles of Foster Parents; (3) Foster Parent as Nurturer and Caregiver; (4) Foster Parent as Child Development Support; (5) Foster Parent as Disciplinarian; (6) Foster Parent as Supporter and Advocate in School Issues; (7) Foster Parent as Recruiter, Trainer, and Mentor to New Foster Parents; (8) Foster Parent as Mentor to Birth Parents; (9) Foster Parent as Facilitator of Relationship between Child and Birth Parents; (10) Foster Parent as Potential Adoptive Parent; and (11) Foster Parent as Team Member.
