The Wood Burn Book Rachel Strauss,2020-08-11 In The Wood Burn Book, Instagram star Rachel Strauss (@woodburncorner) teaches you everything you'll need to know to master your favorite new hobby: pyrography, or writing with fire. This essential guide opens with a brief background to the art of wood burning, a list of tools and how to use them, basic techniques that can be used over and over again, and even what to burn and how to be safe doing it. You will also find a detailed explanation of the process from start to finish, with patterns and frames, techniques for lettering and adding color, as well as dozens of projects ready for gifting, including picture frames, cutting boards, coasters, cards, wooden spoons, and jewelry. Above all, Strauss has created the book she wished she had when she first discovered pyrography: a simple guide that quickly gets the reader successfully burning. With the right tools and a little time, you'll be able to create meaningful handmade gifts without breaking the bank. Whether it's to create a family name sign as a housewarming gift for newlyweds, or customize baby blocks for a new little one, wood burning is the versatile hobby that can be used time and time again to create memorable gifts for all of life's occasions. In addition, wood burning is a practice in mindfulness, requiring patience and focus to awaken the senses and calm the mind. Mastering the art of writing with fire begins with the ability to follow a line. If you can trace, you can burn.

The Art of Feefal Linnea Kikuchi,2022-07-19 Whether your favourite medium is digital, traditional, or a mix of both, Stockholm-based Feefal will have used it to explore her unique world of anthropomorphised figures, animals in dream-like settings, and cool-girl magic. Her spooky-cute style has been a constant throughout her career, amassing 870K dedicated Instagram followers who not only adore her art, but are always keen to know the stories and inspiration behind it. Now for the first time, Feefal has written a beautifully produced book, her work printed on high-quality paper, providing the chance to not only show what she does, but also how. 3dtotal Publishing excels at helping artists to communicate both the motivations behind their unique creativity, and the technical tips and tricks they use. Feefal shares the early influences that put her on the path to becoming the professional character designer she is today, including those of her Swedish-Japanese upbringing. In doing so, the ideas behind paintings such as Lamp Shade Lady, Understanding the Hahahaki Disease (a fictional ailment

caused by unrequited love) and Memento Mori are explained. With galleries of curated classics intertwined with step-by-step tutorials and fascinating insights into her creative process, Feefal's work is as intriguing as it is spellbinding.

Yakuza Tattoo Andreas Johansson,2019-03-21 The art of the Japanese tattoo has fascinated people across the world for decades, but in Japan they are taboo since traditional full body tattoos are associated with the Japanese mafia - the Yakuza. Yakuza Tattoo offers a unique insight into the dragons, fish and gods that form the identity of the Yakuza. While the motifs are inspired by the structure of the organisation, Japanese history and mythology, younger members tend to add a contemporary touch to their body art. Andreas Johansson visited the homes of members of the Yakuza, documenting Yakuza symbols and body art.

Dance Me to the End of Love Leonard Cohen,2006-08-15 10 years ago, Welcome Books published the star of its Art & Poetry Series, Dance Me to the End of Love, a deliriously romantic song by Leonard Cohen that was brilliantly visualized through the sensual paintings of Henri Matisse. Now for its 10-year anniversary, Welcome is thrilled to present the entirely re-imagined and redesigned Dance Me to the End of Love. With the art of Matisse and the words of Cohen still at the heart of the book, the new look and feel of this Art & Poetry book is overwhelmingly beautiful. Cohen's song is a lyrical tribute to the miracle of love, the grace it bestows on us and its healing, restorative power. Originally recorded on his Various Positions album, and featured in Cohen's anthology, Stranger Music, this poetic song is gloriously married to the art works by Henri Matisse, perhaps the greatest artist of the twentieth century. I had this dance within me for a long time, Matisse once said in describing one of his murals. Dance Me to the End of Love is the perfect book for art lovers, song lovers, and all other lovers as well.

Handbook of Linguistic Annotation Nancy Ide,James Pustejovsky,2017-06-16 This handbook offers a thorough treatment of the science of linguistic annotation. Leaders in the field guide the reader through the process of

modeling, creating an annotation language, building a corpus and evaluating it for correctness. Essential reading for both computer scientists and linguistic researchers. Linguistic annotation is an increasingly important activity in the field of computational linguistics because of its critical role in the development of language models for natural language processing applications. Part one of this book covers all phases of the linguistic annotation process, from annotation scheme design and choice of representation format through both the manual and automatic annotation process, evaluation, and iterative improvement of annotation accuracy. The second part of the book includes case studies of annotation projects across the spectrum of linguistic annotation types, including morpho-syntactic tagging, syntactic analyses, a range of semantic analyses (semantic roles, named entities, sentiment and opinion), time and event and spatial analyses, and discourse level analyses including discourse structure, co-reference, etc. Each case study addresses the various phases and processes discussed in the chapters of part one.

The Millionaire Next Door Thomas J. Stanley, William D. Danko, 2010-11-30 How do the rich get rich? An updated edition of the “remarkable” New York Times bestseller, based on two decades of research (The Washington Post). Most of the truly wealthy in the United States don’t live in Beverly Hills or on Park Avenue. They live next door. America’s wealthy seldom get that way through an inheritance or an advanced degree. They bargain-shop for used cars, raise children who don’t realize how rich their families are, and reject a lifestyle of flashy exhibitionism and competitive spending. In fact, the glamorous people many of us think of as “rich” are actually a tiny minority of America’s truly wealthy citizens—and behave quite differently than the majority. At the time of its first publication, *The Millionaire Next Door* was a groundbreaking examination of America’s rich—exposing for the first time the seven common qualities that appear over and over among this exclusive demographic. This edition includes a new foreword by Dr. Thomas J. Stanley—updating the original content in the context of the financial crash and the twenty-first century. “Their surprising results reveal fundamental qualities of this group that are diametrically opposed to today’s earn-and-consume culture.” —Library Journal
