Princess Francesca Castagnoli, 2008-12-18 Welcome, Your Highness. If you've picked up this book, you know who you are. You have a taste for life's finer things: champagne with breakfast, custom lingerie, and kitten heels—even in the snow. At the office, you're a corporate merger of style and substance, flawlessly handling the most difficult clients or performing life-saving surgery wearing snakeskin stilettos. Your romances play out like De Beers moments (well, in your mind anyway). And above all, you know instinctively that the real road to enlightenment begins with entitlement. **Princess** is a celebration of the princess in every woman—a witty, delightful handbook for building your own happily ever after. You'll learn (and raise!) your PQ (Princess Quotient), tackle the PSAT (Princess Self-Assessment Test), and answer the age-old princess question: Is having it all ever really enough? Paying homage to the fine art of pampering, the princess rules of entertaining, the princess pooch, and of course, Prince Charming, **Princess** is sure to be a favorite. After all, it's about you.

Republic Lindsay Buroker,2014-05-29 After the notorious outlaws Amaranthe and Sicarius helped overthrow the corrupt faction controlling the empire and brought in a great war hero to lead the nation to prosperity, they finally earned their pardons—and some time off. A tropical vacation cruising around in a private submarine? Perfect. But their trip is interrupted by a summons from the new president: they're needed back at home. Trouble unlike anything they've ever dealt with threatens to destroy the capital city and throw the fledgling republic into chaos.

The follow-up to The Emperor's Edge series, Republic takes place a few months after the events of Forged in Blood I & II. It is a complete 210,000-word novel.

That Mad Ache Françoise Sagan, 2009-05-12 That Mad Ache, set in high-society Paris in the mid-1960's, recounts the emotional battle unleashed in the heart of Lucile, a sensitive but rootless young woman who finds herself caught between her carefree, tranquil love for 50-year-old Charles, a gentle, reflective, and well-off businessman, and her sudden wild passion for 30-year-old Antoine, a hot-blooded, impulsive, and struggling editor. As Lucile explores these two versions of love, she vacillates in confusion, but in the end she must choose, and her heart's instinct is surprising and poignant. Originally published under the title *La Chamade*, this new translation by Douglas Hofstadter returns a forgotten classic to English. In *Translator, Trader*, Douglas Hofstadter reflects on his personal act of devotion in rewriting Françoise Sagan's novel *La Chamade* in English, and on the paradoxes that constantly plague any literary translator on all scales, ranging from the humblest of commas to entire chapters. Flatly rejecting the common wisdom that translators are inevitably traitors, Hofstadter proposes instead that translators are traders, and that translation, like musical performance, deserves high respect as a creative act. In his view, literary translation is the art of making subtle trades in which one sometimes loses and sometimes gains, often both losing and gaining at the same time. This view implies that there is no reason a translation cannot be as good as the original work, and that the result inevitably bears the stamp of the translator, much as a musical performance inevitably bears the stamp of its artists. Both a companion to the beloved Sagan novel and a singular meditation on translation, *Translator, Trader* is a witty and intimate exploration of words, ideas, communication, creation, and faithfulness.

Coq au Vin Charlotte Carter, 2021-08-31 A New York Times Best Crime Novel of the Year In the second installment of the

Nanette Hayes Mystery series, Nan is on her way to Paris in search of a missing relative. . . but will she lose more than just her heart in the city of love? Nanette's life is finally getting back to normal when her mother calls her with some upsetting news: Nan's beloved bohemian Aunt Vivian has gone missing. Normally this is par for the course with Viv, but this time the circumstances surrounding Vivian's disappearance are rather troubling. Would Nan be up to brushing up on her French language skills and flying to Paris to track her down? Would she ever. Now swanning about her favorite city, Nan has a hard time keeping her attention on the task at hand. . . especially after she meets handsome violinist Andre, a fellow street musician from Detroit. But trouble has a way of finding Nan, and her search for Vivian lands her in the underbelly of historic Paris and in the crosshairs of some of its most dangerous denizens.

African Perspectives on Literary Translation Judith Inggs, Ella Wehrmeyer, 2021-03-03 This collection serves as a showcase for literary translation research with a focus on African perspectives, highlighting theoretical and methodological developments in the discipline while shedding further light on the literary landscape in Africa. The book offers a framework for understanding key approaches and topics in literary translation situated in the African context, covering foundational concepts as well as new directions within the field. The first half of the volume focuses on the translation product, exploring such topics as translation strategies, literary genres, and self-translation, while the second half examines process and reception, allowing for an in-depth look at agency, habitus, and ethics. Each chapter is structured to allow for the introduction of a given theoretical aspect of literary translation followed by a summary of a completed research project with an African focus showing theory in practice, offering a model for readers to build their own literary translation research projects while also underscoring the range of perspectives and unique challenges to literary translation work in

Africa. This unique volume is a key resource for students and scholars in translation studies, giving visibility to African perspectives on literary translation while pointing the way forward for future research directions.

Dostoevsky as a Translator of Balzac Julia Titus, 2022-01-25
The focus of this study in comparative criticism is close analysis of Dostoevsky's first literary publication—his 1844 translation of the first edition of Balzac's *Eugénie Grandet* (1834)—and the stylistic choices that he made as a young writer while working on Balzac's novel. Through the prism of close reading, the author analyzes Dostoevsky's literary debut in the context of his future mature

aesthetic style and poetics. Comparing the original and the translation side by side, this book focuses on the omissions, additions and substitutions that Dostoevsky brought into the text. It demonstrates how young Dostoevsky's free translation of Eugénie Grandet predicts the creation of his own literary characters, themes, and other aspects of his literary output that are now recognized as Dostoevsky's signature style. It investigates the changes that Dostoevsky made while working on Balzac's text and analyzes the complex transplantation of Balzac's imagery, motifs, and character portraiture from Eugénie Grandet into Dostoevsky's own writing later on.

Translating Chinese Culture Valerie Pellatt, Eric T. Liu, Yalta Ya-Yun Chen, 2014-04-16 Translating Chinese Culture is an innovative and comprehensive coursebook which addresses the issue of translating concepts of culture. Based on the framework of schema building, the course offers helpful guidance on how to get inside the mind of the Chinese author, how to understand what he or she is telling the Chinese-speaking audience, and how to convey this to an English speaking audience. A wide range of authentic texts relating to different aspects of Chinese culture and aesthetics are presented throughout, followed by close reading discussions of how these practices are executed and how the aesthetics are

perceived among Chinese artists, writers and readers. Also taken into consideration are the mode, audience and destination of the texts. Ideas are applied from linguistics and translation studies and each discussion is reinforced with a wide variety of practical and engaging exercises. Thought-provoking yet highly accessible, *Translating Chinese Culture* will be essential reading for advanced undergraduates and postgraduate students of Translation and Chinese Studies. It will also appeal to a wide range of language studies and tutors through its stimulating discussion of the principles and purposes of translation.

Translation Jan Steyn, 2022-09-22 The various dimensions of translation studies, too often studied independently, are here brought into conversation: Translation practice, including the various crafts employed by its practitioners; the specialized contexts in which translation occurs or against which translation can be considered; and the ethico-political consequences of translations or the manner of their making. Including exciting new work from leading translation theorists, practicing literary translators, and prominent thinkers from adjoining disciplines such as psychoanalysis and neuroscience, the essays gathered here demonstrate many rich areas of overlap, with translation pedagogy, the fundamental nature of translation, the translator's creativity, retranslation, canon formation, and the geopolitical stakes of literary translation among them.

Translation 101: Starting Out As A Translator Petro Dudi, 2015-08-05 This book is for anyone contemplating on becoming a translator, or for existing translators that need a crash course on their profession. It explores the realm of translation, the benefits and working conditions, the types of translation work and tools available. It gets down to details regarding the tools a translator, providing information not only from the translator's perspective but also from a client's viewpoint. It provides a hands-on approach to CAT Tools, on how you can take advantage of them regardless of your CAT Tool of choice. You'll also learn how to

successfully run your freelance translation business. You'll be presented with inside information on how clients (like translation agencies) choose their translators. You'll learn how to set up profiting rates and how to find promising clients. You'll be given ideas for organization of your work process and tips for successful customer relationship management. And, you'll be shown how to stay away from fraudulent companies too.

The Translator's Visibility Heather Cleary, 2020-12-10 At the intersection of translation studies and Latin American literary studies, *The Translator's Visibility* examines contemporary novels by a cohort of writers — including prominent figures such as Cristina Rivera Garza, César Aira, Mario Bellatin, Valeria Luiselli, and Luis Fernando Verissimo — who foreground translation in their narratives. Drawing on Latin America's long tradition of critical and creative engagement of translation, these novels explicitly, visibly, use major tropes of translation theory — such as gendered and spatialized metaphors for the practice, and the concept of untranslatability — to challenge the strictures of intellectual property and propriety while shifting asymmetries of discursive authority, above all between the original as a privileged repository of meaning and translation as its hollow emulation. In this way, *The Translator's Visibility* show that translation not only serves to renew national literatures through an exchange of ideas and forms; when rendered visible, it can help us reimagine the terms according to which those exchanges take place. Ultimately, it is a book about language and power: not only the ways in which power wields language, but also the ways in which language can be used

to unseat power.

The Translator's Doubts Julia Trubikhina, 2019-08-28 Using Vladimir Nabokov as its "case study," this volume approaches translation as a crucial avenue into literary history and theory, philosophy and interpretation. The book attempts to bring together issues in translation and the shift in Nabokov studies from its earlier emphasis on the "metalinguistic" to the more recent "metaphysical" approach. Addressing specific texts (both literary and cinematic), the book investigates Nabokov's deeply ambivalent relationship to translation as a hermeneutic oscillation on his part between the relative stability of meaning, which expresses itself philosophically as a faith in the beyond, and deep metaphysical uncertainty. While Nabokov's practice of translation changes profoundly over the course of his career, his adherence to the Romantic notion of a "true" but ultimately elusive metaphysical language remained paradoxically constant.

Translating Values Piotr Blumczynski, John Gillespie, 2016-06-30 This collection explores the central importance of values and evaluative concepts in cross-cultural translational encounters. Written by a group of international scholars from a diverse range of linguistic and cultural backgrounds, the chapters in this book consider what it means to translate cultures by examining core values and their relationship to key evaluative concepts (such as authenticity, clarity, home, honour, or justice) and how they influence the complex multidimensional process of translation. This book will be of interest to academics studying cross-cultural and inter-linguistic interactions, to translators and interpreters, students of translation and of modern languages, and all those

dealing with multilingual and multicultural settings.

Translator's Kiss Doug Murphy, 2004 Michel Pernaud is an engaging and handsome man in his twenties, finishing college and aiming toward a career as a translator. He thinks his only obstacle to marrying his girlfriend is her father, a domineering man who disapproves of him and his ambitions. When a wealthy, Manhattan real estate developer hires him, his fortunes alternately climb and descend as his services start to include pleasing a French billionaire and his young and attractive daughter who quickly focuses her romantic interests on Michel. However, her attentions place him in compromising situations with his employer and in grave risk of losing his girlfriend. Struggling between temptation and loyalty, ambition and integrity, Michel faces one challenge after another in a story that is sad and funny, romantic and heartwarming.
