The State of the World's Children 2006 UNICEF., 2005 The 2006 edition of UNICEF's annual report focuses on the millions of children who are most in need of access to essential education, health and protection services, but who are also the hardest to reach and often overlooked by current development programmes. These include children living in the poorest countries and most deprived communities within countries, children who face discrimination on the basis of gender, ethnicity or disability, children caught up in armed conflicts or affected by HIV/AIDS, children who lack a formal identity and who suffer from abuse and exploitation. The report examines the factors which result in their exclusion from current child development programmes and services, and highlights the policy options and actions required to address these challenges, in order to ensure all children benefit from the progress being made to achieve the Millennium Development Goals. Topics discussed include: income disparities and child survival, the marginalisation of Roma communities and

their children, disability issues, children and HIV/AIDS, children living on the streets, early marriages, child labour, child protection and child rights.

**Crossroads to Islam** Yehuda D. Nevo, Judith Koren, 2003-06

In this controversial exploration of the early history of Islam, archaeologist Yehuda D. Nevo and researcher Judith Koren present a revolutionary theory of the origins and development of the Islamic state and religion. Whereas most works on this subject derive their view of the history of this period from the Muslim literature, *Crossroads to Islam* also examines important types of evidence hitherto neglected: the literature of the local (Christian) population, archaeological excavations, numismatics, and especially rock inscriptions. These analyses lay the foundation for a radical view of the development of Islam. According to Nevo and Koren, the evidence suggests that the Arabs were in fact pagan when they assumed power in the regions formerly ruled by the Byzantine Empire. They contend that the Arabs took control almost without a struggle, because Byzantium had effectively withdrawn from the area long before. After establishing control, the new Arab elite adopted a simple monotheism influenced by Judaeo-Christianity, which they encountered in their newly acquired territories, and gradually developed it into the Arab religion. Not until the mid-8th century was this process completed. This interpretation of the evidence corroborates the view of other scholars, who on different grounds propose that Islam and the canonized version of the Koran were preceded by a long period of development. This new view turns on its head the traditional history of the rise of Islam, which claims that Islam began with Muhammad in Mecca and Medina around 622; then spread throughout Arabia under his charismatic leadership; and finally, after Muhammad's death (632), inspired his followers to conquer widespread territories both in the East and West. By contrast, Nevo and Koren suggest that the rise of

the Arab state created a need for a state religion, eventually called Islam. This absorbing and controversial rethinking of Islam's early history is must reading for students and scholars of Islamic history and anyone interested in the origins of the world's second largest religion.

**The Books of Jacob** Olga Tokarczuk, 2022-02-01 A NEW YORKER "ESSENTIAL READ" "Just as awe-inspiring as the Nobel judges claimed." - The Washington Post "Olga Tokarczuk is one of our greatest living fiction writers. . . This could well be a decade-defining book akin to Bolaño's 2666." -AV Club "Sophisticated and ribald and brimming with folk wit. . . The comedy in this novel blends, as it does in life, with genuine tragedy." -Dwight Garner, The New York Times LONGLISTED FOR THE 2022 NATIONAL BOOK AWARD NAMED A BEST BOOK OF THE YEAR BY THE NEW YORK TIMES, THE WALL STREET JOURNAL, TIME, THE NEW YORKER, AND NPR The Nobel Prize-winner's richest, most sweeping and ambitious novel yet follows the comet-like rise and fall of a mysterious, messianic religious leader as he blazes his way across eighteenth-century Europe. In the mid-eighteenth century, as new ideas—and a new unrest—begin to sweep the Continent, a young Jew of mysterious origins arrives in a village in Poland. Before long, he has changed not only his name but his persona; visited by what seem to be ecstatic experiences, Jacob Frank casts a charismatic spell that attracts an increasingly fervent following. In the decade to come, Frank will traverse the Hapsburg and Ottoman empires with throngs of disciples in his thrall as he reinvents himself again and again, converts to Islam

and then Catholicism, is pilloried as a heretic and revered as the Messiah, and wreaks havoc on the conventional order, Jewish and Christian alike, with scandalous rumors of his sect's secret rituals and the spread of his increasingly iconoclastic beliefs. The story of Frank—a real historical figure around whom mystery and controversy swirl to this day—is the perfect canvas for the genius and unparalleled reach of Olga Tokarczuk. Narrated through the perspectives of his contemporaries—those who revere him, those who revile him, the friend who betrays him, the lone woman who sees him for what he is—*The Books of Jacob* captures a world on the cusp of precipitous change, searching for certainty and longing for transcendence. In a nod to books written in Hebrew, *The Books of Jacob* is paginated in reverse, beginning on p. 955 and ending on p. 1 – but read traditionally, front cover to back.

*Stillness Is the Key* Ryan Holiday, 2019-10-01 Instant #1 New York Times Bestseller & Wall Street Journal Bestseller In *The Obstacle Is the Way* and *Ego Is the Enemy*, bestselling author Ryan Holiday made ancient wisdom wildly popular with a new generation of leaders in sports, politics, and technology. In his new book, *Stillness Is the Key*, Holiday draws on timeless Stoic and Buddhist philosophy to show why slowing down is the secret weapon for those charging ahead. All great leaders, thinkers, artists, athletes, and visionaries share one indelible quality. It enables them to conquer their tempers. To avoid distraction and discover great insights. To achieve happiness and do the right thing. Ryan Holiday calls it stillness--to be steady while the world spins around you. In this book, he outlines a path for achieving this ancient, but urgently necessary way of living. Drawing on a wide range of history's greatest thinkers, from Confucius to Seneca, Marcus Aurelius to Thich Nhat Hanh, John Stuart Mill to Nietzsche, he argues that stillness is not mere inactivity, but the doorway to self-mastery, discipline, and focus. Holiday also examines figures who exemplified the power of stillness: baseball player Sadaharu Oh, whose study of Zen made him the greatest home run hitter of all time; Winston Churchill, who in balancing his busy public life with time spent laying bricks and painting at his Chartwell estate managed to save the world from annihilation in the process; Fred Rogers, who taught generations of children to see what was invisible to the eye; Anne Frank, whose journaling and love of nature guided her through unimaginable adversity. More than ever, people are overwhelmed. They face obstacles and egos and competition. *Stillness Is the Key* offers a simple but inspiring antidote to the stress of 24/7 news and social media. The stillness that we all seek is the path to meaning, contentment, and excellence in a world that needs more of it than

ever.

*The Four Humors* Mina Seckin, 2022-11-08 This wry and visceral debut novel follows a young Turkish-American woman who, rather than grieving her father's untimely death, seeks treatment for a stubborn headache and grows obsessed with a centuries-old theory of medicine. [A] humane and refreshingly astringent novel. —Lauren LeBlanc, *The New York Times Book Review* Twenty-year-old Sibel thought she had concrete plans for the summer. She would care for her grandmother in Istanbul, visit her father's grave, and study for the MCAT. Instead, she finds herself watching Turkish soap operas and self-diagnosing her own possible chronic illness with the four humors theory of ancient medicine. Also on Sibel's mind: her blond American boyfriend who accompanies her to Turkey; her energetic but distraught younger sister; and her devoted grandmother, who, Sibel comes to learn, carries a harrowing secret. Delving into her family's history, the narrative weaves through periods of political unrest in Turkey, from military coups to the Gezi Park protests. Told with pathos and humor, Sibel's search for strange and unusual cures is disrupted as she begins to see how she might heal herself through the care of others, including her own family and its long-fractured relationships.

White on White Aysegül Savas,2021-12-07 A marvelous (Lauren Groff) and gentle, mysterious and profound” (Marina Abramović) novel about a woman who has come undone. A student moves to the city to research Gothic nudes, renting an apartment from a painter, Agnes, who lives in another town with her husband. One day, Agnes arrives in the city and settles into the upstairs studio. In their meetings on the stairs, in the studio, at the corner café, the kitchen at dawn, Agnes tells stories of her

youth, her family, her marriage, and ideas for her art - which is always just about to be created. As the months pass, it becomes clear that Agnes might not have a place to return to. The student is increasingly aware of Agnes's disintegration. Her stories are frenetic; her art scattered and unfinished, white paint on a white canvas. What emerges is the menacing sense that every life is always at the edge of disaster, no matter its seeming stability. Alongside the research into human figures, the student is learning, from a cool distance, about the narrow divide between happiness and resentment, creativity and madness, contentment and chaos. *White on White* is a sharp exploration of empathy and cruelty, and the stunning discovery of what it means to be truly vulnerable, and laid bare.

**The Second Home** Christina Clancy, 2020-06-02 A novel of family and place and belonging. —Rebecca Makkai, Pulitzer Prize finalist *Tender* and suspenseful. —Chloe Benjamin, New York Times bestselling author *Some places never leave you...* After a disastrous summer spent at her family's home on Cape Cod when she is seventeen, Ann Gordon is very happy to never visit Wellfleet again. If only she'd stayed in Wisconsin, she might never have met Anthony Shaw, and she would have held onto the future she'd so carefully planned for herself. Instead, Ann ends up harboring a devastating secret that strains her relationship with her parents, sends her sister Poppy to every corner of the world chasing waves (and her next fling), and leaves her adopted brother Michael estranged from the family. Now, fifteen years later, her parents have died, and Ann and Poppy are left to decide the fate of the beach house that's been in the Gordon family for generations. For Ann, the once-beloved house is forever tainted with bad memories. And while Poppy loves the old saltbox on Drummer Cove, owning a house means settling, and she's not sure she's ready to stay in one place. Just when the sisters decide to sell, Michael re-enters their lives with a legitimate claim to a third of the estate. He wants the house. But more than that, he

wants to set the record straight about what happened that long-ago summer that changed all of their lives forever. As the siblings reunite after years apart, their old secrets and lies, longings and losses, are pulled to the surface. Is the house the one thing that can still bring them together--or will it tear them apart, once and for all? Told through the shifting perspectives of Ann, Poppy, and Michael, this assured and affecting debut captures the ache of nostalgia for summers past and the powerful draw of the places we return to again and again. It is about second homes, second families, and second chances. Tender and compassionate, incisive and heartbreaking, *The Second Home* is the story of a family you'll quickly fall in love with, and won't soon forget.
