AN NPR BOOKS WE LOVE SELECTION! WINNER OF THE ILA  
SOCIAL JUSTICE LITERATURE AWARD! Can sixth grader  
Wes save his neighborhood? This book made me want  
to step aside, hand over the mic, and listen to  
Wes. A must-read. --Mariama J. Lockington, author  
of *For Black Girls Like Me* Brand-new kicks, ripped  
denim shorts, Supreme tee-- Wes Henderson has the  
best style in sixth grade. That--and hanging out  
with the crew (his best friends since little-kid  
days) and playing video games--is what Wes wants to  
be thinking about at the start of the school year,  
not the protests his parents are always dragging  
him to. But when a powerful real estate developer  
makes an offer to buy Kensington Oaks, the  
neighborhood Wes has lived in his whole life,  
everything changes. The grown-ups are supposed to  
have all the answers, but all they're doing is  
arguing. Even Wes's best friends are fighting. And  
some of them may be moving. Wes isn't about to  
give up the only home he's ever known without a  
fight. He's always been good at puzzles, and he  
knows there must be a missing piece that will  
solve this puzzle and save the Oaks. But can he  
find it before it's too late? Chrystal D. Giles's  
timely debut explores community, social justice,  
family, and friendship, and asks what it means to  
belong--to a place and a movement--and to fight for  
a cause that you believe in. \* Outstanding.--School

George Reynolds, 1900

**Take Back America** Mathew Staver, 2011-03-28 Take Back America is a must-read for every American who cares about our nation! God is the foundation of good government and national prosperity. America is broken...something must be done. America doesn't need another program. Money won't fix our problems. Articulate politicians won't save us. We need God in America again. Constitutional attorney Mat Staver doesn't pull any punches as he gets to the root of what plagues America today. Take Back America is a no-nonsense, straight-to-the-point expose of our nation's systematic loss of the liberties our Forefathers won for us. Written from the vantage point of over twenty years at the helm of Liberty Counsel, one of America's leading public interest law firms, Staver provides example after tragic example of how our nation's heritage of freedom is being taken apart, plank by plank. Take Back America provides an invaluable perspective on today's escalating culture war and Liberty Counsel's crucial role in its ultimate outcome. After reading this insightful book, you will never see the privilege of calling the United States of America your home in quite the same way. If you want to take our nation back, this is the book for you!

Eighteen Canzonets, etc John Travers, 1755

Back Sense Dr. Ronald D. Siegel, Michael

Urdang, Dr. Douglas R. Johnson, 2002-04-09 On occasion nearly everyone experiences short-term back pain from sore or strained muscles. But for many who come to treat their back gingerly because they fear further injury, a cycle of worry and inactivity results; this aggravates existing muscle tightness and leads them to think of themselves as having a bad back. Even worse is the understandable but usually counterproductive assumption that back pain is caused by abnormalities—bulging disks, a damaged spine, and so on. However, these abnormalities are frequently found in those who have absolutely no pain whatsoever. In reality, most backs are strong and resilient, built to support our bodies for a lifetime; truly bad backs are rare. Drawing on their work with patients and studies from major scientific journals and corporations, the authors of Back Sense—all three are former chronic back pain sufferers themselves—developed a revolutionary self-treatment approach targeting the true causes of chronic back pain. It is based on conclusive evidence proving that stress and inactivity are usually the prime offenders, and it allows patients to avoid the restrictions and expense of most other treatments. After showing readers how to rule out the possibility that a rare medical condition is the source of their problem, Back Sense clearly and convincingly explains the actual factors behind chronic back

pain and systematically leads readers toward recapturing a life free of back pain.

**Visions, Voices & Violence** Zahn Pesh,2012-09-17  
As a fictional memoir, Zahn Pesh tells the true story of a mentally disabled young man Billy, known affectionately as Vaney and Billys run-in with the San Francisco police. Often using Billy speak, the youths arcane lingo, the author reveals societys neglect and injustices toward such individuals. Wrongly, Billy is accused of making terrorist threats against a paramedic, but few other than Pesh believe the disabled kids story. Avoiding the blame game, Pesh shows how each from personal perspective does his duty, indiscriminately, but nonetheless Billy, or Vaney, suffers because the system fails. Billy is treated like a criminal, not as a patient, which Pesh insists he is. Try as he might, Pesh only meagerly reforms that system, before . . .

**Records of the Old Charlton Hunt** Charles Henry Gordon-Lennox March,2017-08-25 This vintage book contains extensive records of the Charlton hunt, with historical information, details of notable packs and people, contemporary articles, hunting songs, hunting accounts, and much more. A fascinating insight into English fox hunting, this volume is highly recommended for those with an interest in the history of the sport, and would make for a fantastic addition to collections of allied literature. Contents include: Extracts from Pamphlet Entitled 'Charlton and the Charlton Hunt', The Agreement Between the Duke of Richmond and the Earl of Tankerville Touching the Hunting of the Country, 'The Historical Account of the Rise and Progress of the Charlton Congress', Minutes of General Meetings of the Charlton Hunt,

A List of the Duke of Richmond's Hounds, etc. Many vintage books such as this are increasingly scarce and expensive. This volume is being republished now in an affordable, high-quality edition complete with a specially commissioned new introduction on the history of fox hunting.

The Time of My Life Bill Medley, 2014-04-15 From an early age, Bill Medley had a passion for music. School glee club and amateur singing contests soon gave way to the albums of Ray Charles and Little Richard. That raw R&B influence would profoundly shape Medley's musical future. As the pioneering "blue-eyed soul" group the Righteous Brothers, Bill Medley and late partner Bobby Hatfield sang such huge hits as "(You're My) Soul and Inspiration," "Unchained Melody," and "You've Lost That Lovin' Feelin'," the latter recognized by BMI as the most-played song of the twentieth century. Medley's duet with Jennifer Warnes for the Dirty Dancing soundtrack, "(I've Had) the Time of My Life," became a worldwide No. 1 single on its way to winning an Oscar, a Grammy, and a Golden Globe. But Medley's story isn't just about the hits and the awards. It's about an immensely talented man who reached the pinnacle of fame, success, and excess, until the shocking murder of his wife, Karen. In time, this tragedy eventually helped him renew his commitment to both faith and family.
