**The Human Journalist** Jim Willis,2003-10-30 Willis examines the many orientations and perspectives of reporters that gather and present the news of the day. Debunking the notion that there are limited perspectives journalists may use, Willis examines up to 15 different orientations that reporters bring to their work. These perspectives run the gamut, from the traditional approach of distancing oneself completely from events and people involved to becoming part of the story's fabric to ascertain the story's true essence. Willis also suggests that, for many stories, it is wholly appropriate for journalists to feel what a non-professional would experience at such an event, and to allow those emotions to fuel the reporting and writing of the story. Several examples are discussed in detail, including the coverage of the bombing of the Alfred P. Murrah Federal Building in Oklahoma City on April 19, 1995, and the terrorist attacks of September 11, 2001.

**An Outcast of the Islands** Joseph Conrad,2013-05-27 After a failed fraud in Singapur, the dubious Englishman Peter Willems is saved by his old companion Captain Lingard. The captain, a very influential person on the Indonesian islands, gives Peter shelter in a small native village. But when Peter falls for the tribal chief's daughter, his selfishness leads to a betrayal of his savior. He reveals a secret Lingard at any costs wanted to keep for himself. In punishment for his cruel deed, Peter is banished on a desolate island. »An Outcast of the Islands«, originally published in 1896, is the second novel by Joseph Conrad. It was inspired by Conrad's work as mate on the steamship Vidar. Joseph Conrad was born in 1857 in former Poland. In 1886 he obtained British citizenship and two years later was appointed captain of the British merchant marine. His voyages to the Malay Peninsula and to the Congo Free State became the setting for his stories. Conrad published many tales and novels in English and is still regarded as one of the most brilliant authors in English literature. He died in 1924 in England.

**Twelve Years a Slave** Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of

his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
