George Silberzahn

Darts Beginning to End George Silberzahn, 2009-06-25 Your techniques have given me the tools to become the best player I can be. Joe Everett (aka: dart face) New York City Certainly from reading the additional information in George's book (a must for all dart players) I now understand and feel when my stroke is good and bad and also I'm in a position where I am able to correct it if the first dart thrown is poor. Antony Sharrett (aka: Tanman) Harrogate, England I know it's working for me because now what feels like a bad night would have been considered a great night 6 months ago. Mark Kelly (aka: Drac0) Australia I have never felt more controlled and focused with my darts. The drills, the reading material, all of it are a huge help. Greg Kanes (aka: P-man) S. Africa The way George writes makes you wanna read it. Davin Burgess, (aka: davin) Nashville, Tennessee, U.S.A.

God-Level Knowledge Darts Desus & Mero, 2020-09-22 NEW YORK TIMES BESTSELLER

- "Desus & Mero are smarter and funnier than everyone writing books."—Shea Serrano "I will never write anything as hilarious as they have. I give up."—Malcolm Gladwell "These motherf***ers make me laugh until I choke."—Jia Tolentino NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR A wild, hilarious guide to life from the hosts of the hit late-night show Desus & Mero and the Bodega Boys podcast Who could have predicted that, after a fateful meeting in a Bronx summer school in the 1990s, Desus & Mero would turn their friendship into an empire of talking to each other. And it's no surprise—tuning in to them is like listening to the funniest, smartest people you know dissect a topic and then light it on fire. Now they've written the most essential guide to life of this century*, in which all the important questions are asked: How do I talk to my kids about drugs if I do them, too? What are the ethics of ghosting in a relationship? How do I bet on sports? How should I behave in jail? How much is too much to spend on sneakers? Is porn really that bad for me? As they put it: "We want to share all we've learned, after years in the Bronx streets, with you: the people. So with a lifetime spent building up a plethora of information from trials and tribulations and a handful of misdemeanors, we decided to write this book—a sequel to the Bible, or maybe to The Hitchhiker's Guide to the Galaxy, depending on how big a nerd you are. Let this book be your North Star." *NO REFUNDS

The Mini Book of Mini Darts Randall Lotowycz, John Passineau, 2013-01-01 Now you can play one of the world's best-loved games anytime, anywhere. A working miniature dart kit, The Mini Book of Mini Darts has everything you need to get your game on, and more. Created, designed, and illustrated by the team behind the successful Darts! calendar, it includes 40 colorful dartboards (used for 43 games); an ingenious fold-out design that features a stand-up magnetic backer; six blunt-tipped magnetic mini darts; and a full-color book filled with games, rules, technique, lore, and trivia—A celebration of darts. Ah, that satisfying thwack when the dart hits its target—but with no worries about needle-sharp projectiles going astray, or the need for a regulation distance between the oche (throwing line) and dartboard. Just set up the easel-style board on a desk, table, office cubicle, dorm-room floor—Nor yes, bar—then move back a few feet and play. The 43 games start on the traditional side, with classics like Cricket and 501 played on familiar boards of concentric rings, then move quickly into quirky, innovative, and fun challenges like Pyramid Power, Trip to the Stars, Cupid's Arrow, Roulette, Please Stand By, and Coney Island Hustle. The boards themselves are works of

art, with imagery ranging from bowling pins to Stonehenge to a mushroom and pepperoni pizza, from a Mayan calendar to a drum kit. Plus readers will learn about top players, the origins of 301 games, dartsitis—the darts version of the yips—and how to master the perfect throw.

180! Fascinating Darts Facts Patrick Chaplin, 2012-11-01 In 180! Fascinating Darts Facts Patrick Chaplin delves deep into his mind-boggling archive to present a plethora of nuggets of darting trivia never before gathered together in book form. Find out . . . Why are darts matches usually played as 301 games (1,001, 501, 301, etc) and not 1,000, 500 or 300? Were early dartboards really made of pig-bristle? Who was the first darts player to endorse a darts product? Why did a Bolton darts team go 'topless' in the 1990s? The answers to these and many other darts questions can be found in this book. From the big guns of yesteryear to the stars of the modern game and from the sport's history and origins to fans drinking a world darts venue dry, it's all here in 180! Fascinating Darts Facts.

The Little Book of Darts Brian Belton, 2011-11-01 This book is a fascinating and entertaining mixture of the history and characters of the darts world. It features player profiles, trivia—including players' walk-on music, quickest matches, longest matches, 9-dart finishes, the most loved and hated players, and celebrity fans, as well as a treasure trove of statistical information. As such, all the tension, glory, complexity, and irony of the art of the darts is portrayed. Funny, interesting, and perplexing, the reader will smile, reminisce, laugh, and occasionally experience bewilderment as the spirit of the oche is brought to life. The wit and skill of players is mixed with expressions of frustration, pain, confusion, and anguish. Fighters, moaners, clowns, and philosophers rub shoulders between the pages, creating an atmosphere that anyone who has either watched or played the game will recognize. With this book, Brian Belton hits the bullseye of a simple passion that has enjoyed a massive resurgence of popularity in recent years.

Staying Power Phil Taylor, 2014-10-23 Phil 'The Power' Taylor is the uncontested king of darts, his sixteen world championship titles between 1990 and 2013 far outclassing anything else the game has seen. He started out as a protégé of Eric Bristow, the Crafty Cockney, having wandered into his Burslem pub with a set of darts his wife had given him for his birthday. At that time Taylor was earning £52 a week working in a ceramics factory and hardly played. But jaws dropped and pint mugs tipped over as this newcomer suddenly unleashed a gift for flight that had soon eclipsed even the Crafty Cockney himself, and amassed Phil a haul of over 200 professional tournament victories. Staying Power is a year in the life of a legend, twice nominated for BBC Sports Personality of the Year, a man who made darts look a doddle to British pub-goers everywhere and set his seal on the game as the bloke to beat. A year of triumph and disaster, in which Taylor crashed out of the world championship in the second round to young outsider Michael Smith and fell asleep at home on Christmas day, exhausted from the strain of constant winning. A year when he played arguably the greatest ever game of darts, in the Grand Slam semi-final against recent world champion Adrian Lewis the two slugging it out to the wire. A year in which Taylor rocked Australia, fêted like royalty. A year of spats and hecklers, clashes on stage and off, of

head-to-heads with the Dutch superstar Michael van Gerwen. But most of all this is a year in which Phil Taylor, one of sport's greatest champions, has looked hard at his life in his determination to stay in power.

Instead We Became Evil Sleiman,Dart Adams,2022-08-09 A powerful story of struggle, survival, and hope for the future is told by one of Denmark's most successful artists. The violent, compelling debut, co-written with journalist Dart Adams, provides a complex portrait of one man and the various ways in which every social system that was supposed to help him failed him, while also delving into the psychology of immigrant gangs and the young men who fall into them. But ultimately, it's a narrative about tenacity, survival, and optimism for the future. Sleiman was born in Lebanon during the 1982 bombardment and is a Palestinian. His family eventually moved to Denmark, but their new life there was far from perfect. Sleiman was subjected to domestic violence as well as social rejection as a Muslim immigrant. Angry and powerless, he found himself drawn to gang life. Sleiman had dropped out of school and was one of his gang's most feared and revered members as a teenager. He was involved in hundreds of crimes during his peak, but after surviving an attempted assassination, he addressed his demons and permanently abandoned the gang life. Sleiman is now narrating his story in his own words in the hopes of discouraging others from following in his footsteps.

Canadian Dart Tournaments Results Nigel Boeg,2019-10-25 This book has been compiled to provide details of tournament winners and runners up of dart tournaments played in Canada. The main tournaments have been identified - Canadian Open, Klondike Open, Quebec Open, Canadian National Championships, plus many more. There maybe errors with names being misspelt and that ladies surnames may have changed but I've put in an enormous time and effort to correctly record the results of the tournaments. These are the tournaments that I have been able to identify and collate results. There are probably a number of tournaments that I haven't identified that are played in Canada and therefore I don't have these results. Even with the tournaments listed in upcoming chapters I cannot locate results for them. Research has been completed for this book to provide the reader and dart enthusiast information on books and links to web sites of dart manufacturers, County Darts Organisations, Professional Bodies and Organisations, dart stores, Provincial Dart Associations in Canada, and Country Darts Organisations. This is not a comprehensive list but it begins the work of collating details of darts into one place instead of being scattered around the World Wide Web across many sites and publications. If any dart enthusiasts can provide results of tournaments that are listed here that I've missed or results of tournaments that are not even listed in this book, it would be appreciated. I hope you enjoy the book.
