Never Date a Doctor Melanie a Smith,2020-09-08 From best-selling author Melanie A. Smith comes the first book in a new series of steamy contemporary medical romance standalone novels about life lessons that break all the rules. Some lessons are more fun when learned the hard way... What's the first rule of nurse's club? That's right: Never date a doctor. Which Sasha Suvorin has no intention of doing anyway, since she's a nurse at Rutherford Hospital by day and working on her master's degree by night. Who has time for dating, much less dating someone you work with? Bad idea much? That is, until the sexy British Dr. Caleb Thompson starts at her hospital. It also doesn't help that he's exactly her type with his dark hair, blue eyes, and rockin' bod. Or that he's not your typical arrogant and bossy surgeon. But Sasha isn't so easily convinced, and she soon discovers Dr. Hottie has a past that puts a stop to whatever she might have been feeling before anything ever starts between them. Unfortunately, working together means facing temptation. Every. Single. Day. Is Sasha strong enough to resist what might just be the perfect man? And if she gives in, will Cal's past stay in the past? Sasha may be used to playing it safe, but life has a way of teaching its lessons ... one way or another.
Doctors and Their Patients Edward Shorter, With every passing year, the mutual mistrust between doctor and patient widens, as doctors retreat into resentment and patients become increasingly disillusioned with the quality of care. Rich in anecdote as well as science *Doctors and Their Patients* describes how both have arrived at this sad shape.

The first Thanksgiving of the Pilgrims has made history since 1621. The first slaves arrived in South Carolina in the 1520s. Even though slavery was very harsh, the slaves were able to create meals from whatever was available. The slaves carved cooking and eating utensils from wood from different varieties of trees. Even though the slaves were treated terribly and prohibited from reading, writing, or going to church, the slaves were able to get patents and serve in the Civil War.
