Date and Dash Susan Hatler, 2018-11-22 Mary Ann Nielsen lives by her one-strike-and-you're-out dating policy, but she's always open to meeting the right guy. When she accidentally rear-ends handsome Trevor Brooks on her way to a charity auction to buy back her beloved grandmother's long lost bracelet, she figures this unconventional meeting could at least turn into a hot date. Wrong. Trevor is annoyingly responsible and more concerned with insurance reports than responding to her flirting so he earns three strikes right off the bat. Flustered from the car accident and being rejected by gorgeous Trevor, Mary Ann mistakenly bids on the wrong auction item and loses out on reclaiming her grandmother's bracelet. Instead, she wins four dates on a reality TV show with none other than stuffy Trevor Brooks. Now she's broke and the only way to get the money to buy back her special family heirloom is to win the grand prize money from the televised couples competition by convincing the audience that she and Trevor are in love. While dating Trevor on the show, Mary Ann discovers the reliable analyst is fun and kind-hearted. In fact, the more she finds out about him the more she starts to fall for him. Could giving Trevor a second chance mean winning not just the TV show and her grandmother's bracelet but the love that Mary Ann has always dreamed of?

100 Dates and a Wedding Stephanie Tumba, 2019-06-24 100 Dates & a Wedding narrates Valérie's dating experiences in London. She shares the lessons she learnt from them and relates the funniest, weirdest, and worst of her dating experiences in London. Valérie tells without concession, her disillusionment, her joys, and her own ambiguities. Newly divorced, lost, and in search of her new Self, Valérie asks herself the questions that all women in her situation are led to ask: how do deal with a break-up after a long relationship? How to believe in love again after being defeated? How many dates, does it take, to find the One? 100? How many shags? Valérie won't tell... How many mistakes? Certainly plenty. Should you play the Game? Valérie never understood the rules. So, how do you meet the right one? Probably, after a few slaps on the face. Between the English's rules of dating, the expected texts, the expected loves, the misinterpreted messages, the words over-interpreted, and the language barrier, Valérie experienced the misunderstanding of love in all its splendour and the cultural clash at its worst. The road to love is not easy, but when you find it, you realise that somehow, you enjoyed the ride. We must all go through this, C'est la vie! 100 Dates & a Wedding is a romantic Frenglish (mix of French and English) journal which will make your heart laugh out loud; it is filled with raw emotions and evinces the dating culture we are all experiencing today. But, beware! 100 Dates and a Wedding doesn't bash on men, it spreads an inspirational message through Valerie's dates: you need to kiss a few frogs before getting that happy-ending story full of sparkling stars. 100 Dates and a Wedding is the perfect novel for a female of any age to engross herself into and delve into self-discovery through Valérie's inspiring journey.

My Wedding Date Susan Hatler, 2020-06-07 ** A spin-off from the USA TODAY Bestselling Better Date than Never series!! ** Erica Conner is a carefree yoga instructor who is fine going solo to her friend's wedding until her uptight ex's mother tells her he'll be attending with his new fiancée. When she pities Erica for not having a plus-one, the criticism triggers Erica to pretend her wedding date is the new guy from yoga class who has been very friendly toward her lately. Josh Taylor overhears Erica claiming he's her wedding date and decides to play along. While he impresses her nemesis by revealing he's a successful corporate guy, Erica's excitement about him sinks since her ex is a workaholic who never prioritized her. As Erica debates asking Josh out for real, he requests a shocking favor in exchange for being her wedding date: that she help him win back his ex-girlfriend. Erica is disappointed but agrees to the deal. As she plays Josh's girlfriend in front of his ex to make him seem like marriage material, she discovers he's ambitious, but also caring and supportive. While on their fake dates, she's laughing and having fun and finally comfortable being herself around a guy for the first time ever. As their faux relationship grows, Erica loses her heart to Josh. And when he spontaneously kisses her she doesn't know if it's for show or for real. If Erica risks her heart and reveals her feelings to Josh, will he turn her down? Or will he be her wedding date for real, and maybe the love of her life?
