📖 **TOP DATING TIPS FOR WOMEN** Kate Fit, 2021-12-16 Every single woman knows that finding the perfect match isn't easy regardless of how much dating experience you may have, or how many dating apps and websites you're on. With so many dating websites and apps that connect singles at the click of a mouse, women are often finding themselves having to compete for attention in ways they never thought they would ever have to. It can quickly become absolutely exhausting, both emotionally and mentally. With this report you will discover few simple strategies that will improve the quality of your dates and set you on the path towards finding that happily ever after.

📖 **LOVE AT FIRST SITE** Erika Ettin, 2014-09-02 In Love at First Site, dating coach Erika Ettin has taken her expertise—previously only available to her clients—and laid it out in an easy-to-use and exciting guide to the world of online dating. Erika shows her readers how to increase their odds for connections by marketing themselves well. Her background in economics helps her use the numbers game in her favor. It's a simple equation: more profile views equal more dates, more dates equal a better chance at finding your match. With her tips and tricks, Erika can show you exactly how to increase your online dating odds. Erika's advice includes pointers for choosing your best profile picture, writing a winning profile, crafting emails that catch someone's attention, and planning the first date. Erika's knowledge is rooted in her highly successful coaching business as well as her own experience with online dating. Questions from Erika's clients will save you the time of wondering how to approach strange situations—they're all in here! And tales of dating adventures from Erika herself will leave you both encouraged and entertained. Erika holds a BA in economics from Cornell University and an MBA from Georgetown University. Since launching her online dating consulting business, A Little Nudge, Erika has helped hundreds of clients in the United States and abroad find happiness. She currently lives in Washington, D.C.

📖 **CATCH THE GUY** Glenna D. Waldo, 2015-03-10 Are you lost in the jungle of the real world dating? Ever wonder why some women seem to always get the men they want? Do you want to know: - What qualities you need to attract a great guy? - How to keep him faithful? - How to keep the spark alive? - How to make him invest in the relationship? If you think that be a little thinner or dress a little better is all you need to do, you will be in for a big surprise - unless, of course, if you are just looking for a man who only wants to get in bed with you. If your goal is to find a man who really cares about you, a man who listens to you, a man who wants every date with you to last forever, a man who makes you feel secure and loved, and a man who wants to share the future with you and vice versa, then you need to invest the time and energy into learning what it is that captivates a man and makes him want you. Catch The Guy is a no-nonsense, no-fluff, practical dating guide for women written by a woman. It is designed to be short and easy to read. You will not find long drawn out theories that only look good on paper but can't withstand the test of the real world. When you finish reading Catch The Guy, you will be fully equipped to attract Mr. Right and keep his heart for good.

📖 **ONLINE DATING FOR DUMMIES** Judith Silverstein, Michael Lasky, 2003-11-21 Chances are, you've heard about Internet dating from a friend, or an online banner ad has caught your eye. If you've given online dating a passing consideration, you may have some fears from all those graphic horror stories that jar your senses - and your sensibilities. Or you may think that meeting people via the Internet is only for the disenfranchised or socially unskilled. From their own experiences, 20 million people can tell you otherwise. Online Dating For Dummies will get you off the fence and on the Internet dating path - with the skill of a seasoned pro. Like your best friend, this fun reference will give you the straight scoop on gearing up with the right computer hardware Overcoming preconceived notions of who is online Talking the online lingo Enjoying conversation in chat rooms Considering date site options Establishing your screen identity Facing the consequences of not posting a photo Internet dating is growing at double-digit rates every year, while other forms of finding a connection are flat or falling off. Internet dating, although far from perfect, is becoming the most effective and efficient method of getting introduced to a large number of available singles. Online Dating For Dummies shows you how to get your feet wet and how to dive in, making informed choices and exercising good judgment as you sign up for a trial run on a dating site Try to describe yourself for your personal profile Initiate your first e-mail contact Make your first in-person meeting memorable Identify frauds and players Figure out what not to do if you really want to meet someone Jumping into online dating with no preparation at all is possible - but not practical. If you follow the techniques in this friendly guide, your odds of meeting great potential matches will greatly improve, and you'll have far more fun in the process.
